Grandpas Town:

Fun with Grandpa Giuseppe Di Loreto, 2021-10-15 I would like to celebrate the two periods of our lives in which we are most vulnerable childhood and old age the first rich of curiosity and hope and the second rich in experience and wisdom I would like to plead from the civilized world more consideration and more patience toward our children and our seniors And most of all we should demand from our legislators more severe and public punishment for those who abuse them psychologically and physically in schools churches and nursing homes I would cut the hand that hits a child or an elderly person We should on the contrary find ways to improve conditions of their arrival in this world and the season of their farewell A society is judged by what it does for its kids its grandparents and its prisoners
