Grandpa's Stories Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them Grandpa's New Home A. J. Boyes, 2018 Grandpa s house is getting too big and lonely for him His grandson Edward jnr and his brother Happy and his sisters Mini and Jamie along with their Dad go house hunting trying to find the right house to suit their Grandpa s needs Will they eventually find a home that he will like My Grandpa's Secret Gracie Jayne, 2021-07-14 My Grandpa s Secret is a piercing memoir of innocence shattered and resilience reclaimed Told through the eyes of a young girl with an old soul this is the story of a home that wore the mask of family but held the weight of a thousand unspoken screams In a world where silence was survival and love was weaponized Gracie became the protector of her brothers the keeper of secrets and the witness to the darkness no child should ever face But within the ache there is defiance Within the ruin a seed of hope My Grandpa s Secret is not just a story of what was taken it s a revelation of what could never be stolen her voice *Grandpa's Journals* Keith Gallaway, 2019-09-19 This book is written for five beloved grandchildren in the hope they will gain insight into and inspiration from a life well lived The collected stories testimonies of a faith in God that has offered love and depth to both the writer and the people he writes about and the love affair that has existed between the author and his bride of over a half century make for a compelling story for anyone s young adult children

or grandchildren The author shares this work with the hope some might find it entertaining while others might discover insight into Faith and Grace The stories shared are of ordinary people who have done extraordinary things in their lives Perhaps there may be a lesson and a blessing within these pages for readers of all ages *Where Grandpa's Been...* Dr. Donald Huard, 2015-04-15 As a 115 lb teenager drafted into the United States Army during the Korean conflict Donald Huard was laughed at taunted and bullied by other recruits He met his military responsibilities effectively however facing the potential for a military court martial during one tour of duty before his honorable discharge in 1954 His is an interesting soldier's story Determined to get a college education Don used his G I Bill to get his associate's and bachelor's degrees Then with the firm support of his wife and four children over a very long period of seventeen years he managed to meet the requirements for his master's and Ph D degrees in psychology with minors in criminology and business His is a very successful story of constructive determination How does one recover at the age of 50 as the loving father of four teenagers grieving the loss of their mother How does he rebuild his own life following such sadness Eventually Don met and married Margie the wonderful lady who enabled him to live again Theirs is an interesting story of true love In his early eighties now Dr Huard tells his story in this his own personal autobiography written slowly over the last 25 years **In My**

Grandpa's Mountain Carolyn Reeder, 2002 During the Depression eleven year old Carrie makes her annual summer visit to her relatives in the Blue Ridge Mountains and watches her determined grandfather fight against the government's attempt to take his farm land for a new national park *Grandpa's Adventures* Veda Taylor Strong, 2005-04-04 This novel is based on fact Though it is based on fact this novel uses fictional events places and characters Parts of the novel are humorous while other parts are exciting and interesting I am attempting to follow the lives of my father's parents John and Elizabeth Taylor from the time of the Civil War their marriage their lives and adventures in different states their travels across the country by wagon train and their lives in Tacoma Washington My dear aunt told me stories many years ago Some I remember and some I remember only parts of She was a very young girl at the time and experienced many of these things I learned many things by asking questions When relatives and people learned that I was interested in writing a book of this nature they came forward with letters and stories of their own that I was able to use Grandpa John was a tailor and made his living this way Later in years he became fascinated with the railroads and became an engineer I found this book to be fascinating to write

and wishing that I could have been there and lived in such times before the machine revolution changed the world **Visits with Grandpa** Sheridan Gralton,2024-10-11 Growing up is hard and making sense of the changes we see in our favourite people can be even harder Join us on a journey to better understand these changes with the help and guidance of our people be that a parent guardian or another favourite person in one s life My aim is to assist older children on their path to realising that life as an older person can be challenging but also rewarding and that continued love care and time can be healing for all **A Boy from China** Richard T. Cheng,2023-03-27 No print information available this time *Grandpa's Angry Chickens* Jay Hodge,2024-12-18 Parenting can only be described as an endless adventure but in reality it is so much more Whether you are raising young toddlers teenagers or those on the brink of adulting parenting can be terrifying overwhelming and yes even exhausting at times Every stage of their growth and development becomes a new journey Each time we think we have it figured out they grow up a little more We are left feeling unprepared lost and out of date like a stubby armed tyrannosaurus rex trapped in a world filled with push button start cars and touch screen cell phones As strange as it sounds this is actually one of the best parts of being a parent We don t really know what we are getting into and there are no all inclusive instruction manuals available to download on Audible com and listen to in our cars on the way to work While nobody gets a gold medal for it being a good parent will be one of our greatest accomplishments as we someday quietly reflect on the ultimate meaning of our short lives Join Jay as he takes you back through the years on a journey filled with wonder humor and insight maybe even to those places in your own childhood that have been long forgotten Grandpa s Angry Chickens is a wonderful and enjoyable resource for parents and grandparents of all ages Jay does a masterful job of helping us recall those distant days with our parents and grandparents when the world was an endless open book just waiting to be written in the ink of imagination skinned knees tree climbing and sometimes a little mischief Jay then helps us recognize the lessons hidden inside those moments that enable us to enrich the lives of our kids and grandkids I highly recommend this touching and emotional book to parents grandparents aunts uncles and special friends Stephen D Williford Author
