

GRANT & HIS GENERALS - 1861 - 1866
Unconditional Surrender Grant

Grant His Generals

Harry S. Stout

Grant His Generals:

Lincoln and His Generals T. Harry Williams, 2011-01-11 Since it was first published in 1952 *Lincoln and His Generals* has remained one of the definitive accounts of Lincoln's wartime leadership. In it T. Harry Williams dramatizes Lincoln's long and frustrating search for an effective leader of the Union Army and traces his transformation from a politician with little military knowledge into a master strategist of the Civil War. Explored in depth are Lincoln's often fraught relationships with generals such as McClellan, Pope, Burnside, Hooker, Fremont, and of course Ulysses S. Grant. In this superbly written narrative Williams demonstrates how Lincoln's persistent meddling into military affairs was crucial to the Northern war effort and utterly transformed the president's role as commander in chief.

Lee and His Generals Lawrence Lee Hewitt, Thomas E. Schott, 2012-06-25 A legendary professor at Louisiana State University, T. Harry Williams not only produced such acclaimed works as *Lincoln and the Radicals*, *Lincoln and His Generals*, and a biography of Huey Long that won both the Pulitzer Prize and the National Book Award, but he also mentored generations of students who became distinguished historians in their own right. In this collection, ten of those former students, along with one author greatly inspired by Williams's example, offer incisive essays that honor both Williams and his career-long dedication to sound, imaginative scholarship and broad historical inquiry. The opening and closing essays fittingly enough deal with Williams himself: a biographical sketch by Frank J. Wetta and a piece by Roger Spiller that place Williams in larger historical perspective among writers on Civil War generalship. The bulk of the book focuses on Robert E. Lee and a number of the commanders who served under him, starting with Charles Roland's seminal article "The Generalship of Robert E. Lee," the only one in the collection that has been previously published. Among the essays that follow Roland's are contributions by Brian Holden Reid on the ebb and flow of Lee's reputation; George C. Rable on Stonewall Jackson's deep religious commitment; A. Wilson Greene on P. G. T. Beauregard's role in the Petersburg Campaign; and William L. Richter on James Longstreet as postwar pariah. Together, these gifted historians raise a host of penetrating and original questions about how we are to understand America's defining conflict in our own time, just as T. Harry Williams did in his. And by encompassing such varied subjects as military history, religion, and historiography, *Lee and His Generals* demonstrates once more what a fertile field Civil War scholarship remains.

Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University. Most recently, he and Arthur W. Bergeron, now deceased, coedited three volumes of essays under the collective title *Confederate Generals in the Western Theater*. Thomas E. Schott served for many years as a historian for the U.S. Air Force and U.S. Special Operations Command. He is the author of *Alexander H. Stephens of Georgia: A Biography*, which won both the Society of American Historians Award and the Jefferson Davis Award.

Washington and His Generals J. T. Headley, 1858

General Ulysses S. Grant Edward G. Longacre, 2007-09-10 In this new biography of General Ulysses S. Grant, acclaimed Civil War historian Edward G. Longacre examines Grant's early life and his military career for insights into his great battlefield successes as well as his personal misfortunes. Longacre

concentrates on Grant's boyhood and early married life his moral ethical and religious views his troubled military career his strained relationships with wartime superiors and especially his weakness for alcohol which exerted a major influence on both his military and civilian careers Longacre to a degree that no other historian has done before investigates Grant's alcoholism in light of his devout religious affiliations and the role these sometimes conflicting forces had on his military career and conduct Longacre's conclusions present a new and surprising perspective on the ever fascinating life of General Grant

Life and Campaigns of General U.S. Grant Phineas Camp Headley, 1868

Moltke and his Generals Quintin Barry, 2015-06-19

When Helmuth von Moltke took over as Chief of the Prussian General Staff the Prussian army had not fought for more than forty years Yet within a decade and a half he had brought it to the point where it was the strongest in Europe His successes on the battle field led to his methods being painstakingly analyzed by commentators and slavishly imitated by Western armies His success was not only due to far sighted strategic planning the comprehensive reorganization of the General Staff and his grasp of new technologies it was also due to his leadership of a talented if disparate group of subordinates even if some of them sometimes failed to grasp his overall intentions This book examines these key relationships Foremost among these was his collaboration with the able though choleric Karl Leonhard von Blumenthal their correspondence reflected every aspect of their campaigns He was also close to the Crown Prince whose aide de camp he had been Moltke was Chief of Staff to Prince Frederick Charles in Denmark in 1864 his admiration for the Red Prince was perhaps not maintained when the latter's caution caused problems Albrecht von Stosch Intendant General in 1870 1871 proved brilliantly successful when he had the chance to demonstrate his talents in the field Edwin von Manteuffel on whose recommendation Moltke was appointed was at the centre of Prussian politics for a decade and a half before becoming a successful army commander in 1866 and 1870 1871 Perhaps the most talented of Moltke's subordinates was August von Goeben a successful commander in all three wars of German unification August von Werder never enjoyed Moltke's confidence to the same extent but was extremely reliable On the other hand both Eduard Vogel von Falckenstein and Karl von Steinmetz caused Moltke considerable difficulty by their stubborn disobedience of his explicit orders Behind these relationships there existed the vital rapport which Moltke had with their Chiefs of Staff and his own general staff officers It was on his ability to rely on these men to execute his intentions that his success ultimately depended Theophil von Podbielski Julius Verdy du Vernois and Paul Bronsart von Schellendorf were some of the brilliant individuals who constituted one of the most powerful teams in military history

Lincoln, the Cabinet, and the Generals Chester G. Hearn, 2010-04-01

While numerous accounts exist of President Abraham Lincoln's often troubled dealings with either his cabinet or his generals Chester G Hearn's illuminating history provides the first broad synthesis of Lincoln's complex relationship with both groups As such it casts new light on much of the behind the scenes interplay intrigue and sparring between the president and his advisors and military commanders during the most precarious years of the Civil War Turning first to Lincoln's cabinet Hearn

explains that Lincoln exercised a unique decision making process he reached a firm conclusion on an issue but then he debated it endlessly with his cabinet or generals as if still undecided To ensure the liveliest discourse Lincoln appointed as his advisors men with widely differing political motivations The Republican Lincoln spent four years attempting to bring together his cabinet of former Whigs and Democrats in the spirit of cooperation but he never completely achieved his purpose Hearn explores the president s relationship with this cabinet the problems he encountered selecting it and the difficulties he experienced attempting to maintain ideological balance while trying to maneuver around those who disagreed with him Lincoln never broached a subject that did not create some level of dissent within the cabinet and differences in political philosophy and personal rivalries led to great debate over the running of the administration the selection of generals foreign relations and military mobilization emancipation freedom of the press civil rights and other issues Still Hearn asserts Lincoln s ability to navigate internal scuffles and external turmoil helped to define his presidency Hearn next demonstrates convincingly that even with these difficulties Lincoln manipulated his cabinet far more adroitly than he did his generals Many of Lincoln s top military commanders had political aspirations or agendas of their own while others were close friends of his intransigent cabinet members Having assumed the role as de facto army chief Lincoln took responsibility for the mishandling of battles fought by his generals some of whom were incompetent and unmanageable politicians Hearn examines the often disastrous generalship and its impact on Lincoln and the cabinet as well as the public the press and Congress Based on over a decade of research Lincoln the Cabinet and the Generals offers both a fresh perspective on and a new interpretation of Lincoln s presidency one that reveals the leadership genius as well as the imperfections of America s sixteenth president

Union General John A. McClernand and the Politics of Command Christopher C. Meyers, 2010-10-01 John A McClernand was a career politician and those ambitions and qualities continued during his Civil War service A member of the Illinois General Assembly and a U S Representative for 10 years McClernard was connected to other prominent figures of the time such as Abraham Lincoln and Stephen Douglas However he is best known for his rivalry with Gen Ulysses S Grant and this biography balances McClernard s political career with his military leadership and his place in the Union command structure

Illustrated Life, Campaigns and Public Services of Lieut. General Grant ... , 1865 The Lives of General U. S. Grant and Henry Wilson T. B. Peterson, 2023-05-08 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Our Standard-Bearer; Or, The Life of General Ulysses S. Grant* Oliver Optic, 2022-09-16 In *Our Standard Bearer Or The Life of General Ulysses S Grant* Oliver Optic provides a compelling biographical narrative that traces the life and military career of one of America s foremost Civil War generals The book is rich in detail and employs a straightforward yet engaging literary style that is characteristic of Optic s works Set against the backdrop of the tumultuous 19th century it not only paints a vivid portrait of

Grant's personal and professional challenges but also situates his achievements within the broader context of American history making it an essential read for those interested in understanding the complexities of leadership and valor during this pivotal era. Oliver Optic, a prolific writer known for his juvenile literature, was deeply influenced by his own background in the tumultuous American society of his time. His experiences along with his keen interest in military history and themes of heroism undoubtedly shaped his motivation to celebrate figures like Grant who embodied the spirit of determination and resilience. Optic's work reflects his desire to inspire the younger generation through tales of courage and duty contextualized by his own life experiences and societal ideals. I highly recommend this book to any reader interested in military history, the Civil War, or biographical accounts of influential American figures. Optic's ability to bring history to life makes *Our Standard Bearer* not only informative but also a thrilling narrative that transcends its genre, appealing to both history enthusiasts and general readers alike.

Through the Negative Megan Williams, 2003-11-12 Examines how key nineteenth century American writers attempted to combat understand and incorporate the advent of photography in their fiction and analyzes the impact of photography on narrative histories of the nineteenth century.

Upon the Altar of the Nation Harry S. Stout, 2007-03-27 A profound and timely examination of the moral underpinnings of the War Between the States. The Civil War was not only a war of armies but also a war of ideas in which Union and Confederacy alike identified itself as a moral nation with God on its side. In this watershed book, Harry S. Stout measures the gap between those claims and the war's actual conduct. Ranging from the home front to the trenches and drawing on a wealth of contemporary documents, Stout explores the lethal mix of propaganda and ideology that came to justify slaughter on and off the battlefield. At a time when our country is once again at war, *Upon the Altar of the Nation* is a deeply necessary book.

The Battle of Petersburg, June 15-18, 1864 Sean Michael Chick, 2015-04-01 The Battle of Petersburg was the culmination of the Virginia Overland campaign which pitted the Army of the Potomac led by Ulysses S. Grant and George Gordon Meade against Robert E. Lee's Army of Northern Virginia. In spite of having outmaneuvered Lee after three days of battle in which the Confederates at Petersburg were severely outnumbered, Union forces failed to take the city and their final futile attack on the fourth day only added to already staggering casualties. By holding Petersburg against great odds, the Confederacy arguably won its last great strategic victory of the Civil War. In *The Battle of Petersburg, June 15-18, 1864*, Sean Michael Chick takes an in-depth look at an important battle often overlooked by historians and offers a new perspective on why the Army of the Potomac's leadership from Grant down to his corps commanders could not win a battle in which they held colossal advantages. He also discusses the battle's wider context including politics, memory, and battlefield preservation. Highlights include the role played by African American soldiers on the first day and a detailed retelling of the famed attack of the First Maine Heavy Artillery which lost more men than any other Civil War regiment in a single battle. In addition, the book has a fresh and nuanced interpretation of the generalships of Grant, Meade, Lee, P. G. T. Beauregard, and William Farrar Smith during this critical battle.

Historical Dictionary of the Civil War

and Reconstruction William L. Richter, 2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume Historical Dictionary of the Civil War and Reconstruction looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction Seven Myths of the Civil War Wesley Moody, Alfred J. Andrea, Andrew Holt, 2017-09-01

Readers of this book who thought they knew a lot about the U S Civil War will discover that much of what they knew is wrong For readers whose previous knowledge is sketchy but whose desire to learn is strong the separation of myth from reality is an important step toward mastering the subject The essays will generate lively discussion and new insights James M McPherson Professor Emeritus Princeton University **Vicksburg National Military Park/national Cemetery, Interpretive Prospectus (1974) B1; General Management Plan (GMP), Environmental Assessment (EA) B2; Final General Management Plan (GMP) (1980) ,1979 Cobbett's Political Register** William Cobbett, 1805 **The Guns of Shiloh** Joseph A. Altsheler, 2019-09-25 Reproduction of the original The Guns of Shiloh by Joseph A Altsheler

Touching Raw Nerves Paul R. Dunn, 2004 In *Touching Raw Nerves* Paul R Dunn offers readers a collection of 75 of his newspaper columns that were published in The Pilot newspaper of Southern Pines North Carolina during the stormy presidencies of Bill Clinton and George W Bush Each is introduced by a timely commentary that places the column in a contemporary context Those who appreciate his debunking of the extreme propaganda of America s far right applaud Dunn s writings For weeks after many of his columns appear irate conservatives may be counted upon to fill the paper with often vitriolic Letters to the Editor in outrageous protest Dunn an avowed progressive liberal cautions If you relish the reactionary carping of the likes of Bill Buckley Ann Coulter Sean Hannity G Gordon Liddy Russ Limbaugh Bill O Reilly and Pat Robertson do not I repeat do not buy this book It s sure to ruin your day

Unveiling the Magic of Words: A Overview of "**Grant His Generals**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Grant His Generals**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
