**Canadians** William Irish, 2014-11-25 A visual delight with stories about Canadians you've never heard before The Alaska Highway in World War II Kenneth S. Coates, William R Morrison, 2015-08-10 After the Japanese attack on Pearl Harbor a fear of invasion swept North America particularly the West Coast Immediate steps needed to be taken to defend the Far Northwest With Canada's approval Washington drew up plans for an Alaska Highway to connect Edmonton Alberta with Fairbanks Alaska and a pipeline to connect oil fields in the Northwest Territories with the Pacific Coast Between 1942 and 1946 about 40 000 American military and civilian personnel invaded the Canadian Northwest Where there had been few or no roads a highway more than 1 500 miles long was built in less than a year Navigation facilities were improved and pipelines were laid from Fairbanks to the Pacific Airfields were upgraded and new ones built and a telephone network was constructed The Northwest was totally unprepared for this friendly invasion The Alaska Highway ran through semi wilderness where many inhabitants pursued a nomadic lifestyle and towns and settlements were overwhelmed by the American army of occupation This lively history of an American civil and military engineering milestone draws on interviews with veterans and local residents and research in Canadian and U S archives The participants stories provide humor and insights on the building of this transformational highway *Air Canada* Peter Pigott, 2014-03-03 Begun as a social experiment in 1937 Air Canada has evolved into one of the world's greatest airlines Air Canada The History explores a modern miracle that has made commercial air travel in our country an everyday occurrence The airline was born in 1937 as Trans Canada Airlines a ward of the Canadian National Railway Renamed Air Canada in 1964 to reflect its status as a jet age airline it survived devastating air crashes financial deficits self serving politicians strikes privatization and the Airbus scandal It was reviled in the nineties by the likes of Peter Newman who joked If God had meant Man to fly he wouldn't have invented Air Canada Today it is a much loved national icon Fortunate at times to be run by great CEOs like Gordon McGregor and Claude Taylor Air Canada has fought off a hostile takeover merged with its arch rival Canadian Airlines and touched countless lives during its 75 year history This is its story Pilots of the Purple Twilight Philip Henry Godsell, 2022-08-01 In *Pilots of the Purple Twilight* Philip Henry Godsell captures the essence of a bygone era with an engaging narrative style that both reflects and transcends its time With DigiCat Publishing's meticulous attention to preserving the integrity of Godsell's original text this edition offers a seamless blend of historical authenticity and contemporary accessibility Set against the backdrop of early twentieth century northern landscapes the story unfolds with a cadence and richness that speaks to the literary tradition of its period embodying the adventurous spirit and the complexities of human experiences at the fringes of civilization As part of a legacy of humankind the book invites readers to delve into a world meticulously crafted with a realism that resonates with aficionados of historical literature Philip Henry Godsell's personal journey as an author is as fascinating as the tales he weaves His books often draw from his own experiences informed by his travels and insights into
