Granta 25 The Soviet Union

Ofer Fridman, Vera Michlin-Shapir

Granta 25 The Soviet Union:

Granta 25 Bill Buford, 1988 As the policy of glasnost inspires new interest in and curiosity about the Soviet Union Granta is once again at the forefront of discovery insight and reportage *From Ruins to Reconstruction* Karl D. Qualls, 2018-07-05 Sevastopol located in present day Ukraine but still home to the Russian Black Sea Fleet and revered by Russians for its role in the Crimean War was utterly destroyed by German forces during World War II In *From Ruins to Reconstruction* Karl D Qualls tells the complex story of the city's rebuilding Based on extensive research in archives in both Moscow and Sevastopol architectural plans and drawings interviews and his own extensive experience in Sevastopol Qualls tells a unique story in which the periphery bests the Stalinist center the city's experience shows that local officials had considerable room to maneuver even during the peak years of Stalinist control Qualls first paints a vivid portrait of the ruined city and the sufferings of its surviving inhabitants He then turns to Moscow's plans to remake the ancient city on the heroic socialist model prized by Stalin and visited upon most other postwar Soviet cities and towns In Sevastopol however the architects and city planners sent out from the center went native deviating from Moscow's blueprints to collaborate with local officials and residents who seized control of the planning process and rebuilt the city in a manner that celebrated its distinctive historical identity When completed postwar Sevastopol resembled a nineteenth century Russian city with tree lined boulevards wide walkways and buildings street names and memorials to its heroism in wars both long past and recent Though visually Russian and still containing a majority Russian speaking population Sevastopol was in 1954 joined to Ukraine which in 1991 became an independent state In his concluding chapter Qualls explores how the Russianness of the city and the presence of the Russian fleet affect relations between Ukraine Russia and the West **Myth Making in the Soviet Union and**

Modern Russia Vicky Davis, 2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state's appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today **Demobilized Veterans in Late Stalinist Leningrad** Robert

Dale,2015-10-29 This book investigates the demobilization and post war readjustment of Red Army veterans in Leningrad and its environs after the Great Patriotic War Over 300 000 soldiers were stood down in this war ravaged region between July 1945 and 1948 They found the transition to civilian life more challenging than many could ever have imagined For civilian Leningraders reintegrating the rapid influx of former soldiers represented an enormous political economic social and cultural challenge In this book Robert Dale reveals how these former soldiers became civilians in a society devastated and traumatized by total warfare Dale discusses how and how successfully veterans became ordinary citizens Based on extensive original research in local and national archives oral history interviews and the examination of various newspaper collections *Demobilized Veterans in Late Stalinist Leningrad* peels back the myths woven around demobilization to reveal a darker history repressed by society and concealed from historiography While propaganda celebrated this disarmament as a smooth process which reunited veterans with their families reintegrated them into the workforce and facilitated upward social mobility the reality was rarely straightforward Many veterans were caught up in the scramble for work housing healthcare and state hand outs Others drifted to the social margins criminality or became the victims of post war political repression *Demobilized Veterans in Late Stalinist Leningrad* tells the story of both the failure of local representatives to support returning Soviet soldiers and the remarkable resilience and creativity of veterans in solving the problems created by their return to society It is a vital study for all scholars and students of post war Soviet history and the impact of war in the modern era

The Communist Youth League and the Transformation of the Soviet Union, 1917-1932 Matthias Neumann,2012-05-23 The study of Soviet youth has long lagged behind the comprehensive research conducted on Western European youth culture In an era that saw the emergence of youth movements of all sorts across Europe the Soviet Komsomol was the first state sponsored youth organization in the first communist country Born out of an autonomous youth movement that emerged in 1917 the Komsomol eventually became the last link in a chain of Soviet socializing agencies which organized the young Based on extensive archival research and building upon recent research on Soviet youth this book broadens our understanding of the social and political dimension of Komsomol membership during the momentous period 1917 1932 It sheds light on the complicated interchange between ideology policy and reality in the league s evolution highlighting the important role ordinary members played The transformation of the country shaped Komsomol members and their league s social identity institutional structure and social psychology and vice versa the organization itself became a crucial force in the dramatic changes of that time The book investigates the complex dialogue between the Communist Youth League and the regime unravelling the intricate process that transformed the Komsomol into a mere institution for political socialization serving the regime s quest for social engineering and control

The Orwell Conundrum Erika Gottlieb,1992-09-15 An important contribution to the understanding of George Orwell s thought particularly to Nineteen Eighty Four The author challenges the view of the novel as a flawed work of crushing pessimism arguing convincingly that it

is a great humanist's mature vision of his deeply troubled times *Oppenheimer* Charles Thorpe, 2008-10-15 *Oppenheimer* reveals its subject as both an expert working on behalf of the state and an intellectual with broad cultural and moral authority Oppenheimer played a crucial role not only in defining the task of the physicist as nuclear weaponeer but also in expounding the wider cultural meanings and moral responsibilities associated with that task The controversy over the hydrogen bomb and Oppenheimer's public fall from grace in the 1954 loyalty security hearings Thorpe argues revealed fundamental tensions at the heart of the modern technoscientific state raising questions about the responsibility scientists should take for the technologies of death they produce Oppenheimer maps out changes in the roles of scientists and intellectuals in twentieth century America ultimately revealing transformations in Oppenheimer's persona that coincided with changing attitudes toward science in society **BOOK JACKET** **The Constitution of Social Democracy** Alan Bogg, Jacob Rowbottom, Alison L Young, 2020-07-09 This book is based upon the papers written by a group of leading international scholars on the constitution of social democracy delivered at a conference to celebrate Professor Keith Ewing's scholarly legacy in labour law constitutional law human rights and the law of democracy The chapters explore the development of social democracy and democratic socialism in theory and political practice from a variety of comparative legal and disciplinary perspectives These developments have occurred against a backdrop of fragmenting traditional political parties declining collective bargaining concerns about juristocracy and the displacement of popular sovereignty the emergence of populist political movements austerity and fundamental questions about the future of the European project With this context in mind this collection considers whether legal norms can and should contribute to the constitution of social democracy It could not be more timely in addressing these fundamental constitutional questions at the intersection of law democracy and political economy **Righting Wrongs in Eastern Europe** Istvan S. Pogany, 1997 One of the most painful aspects of the transition process in East Central Europe is the attempt to address some of the serious human rights abuses that occurred in the name of communism as well as during the post communist era **Deciphering Russian Enigma** Ofer Fridman, Vera Michlin-Shapir, 2024-06-11 This book is about Russia Yet this book is not about Russia per se To those whose sole interest is a better understanding of the Kremlin's decision making and how it shapes Russia's present and future we would refer to a rather long list of sources that we dutifully noted throughout the book Instead based on our expertise in Russian studies and the challenges that we experienced in the past 2 years this book aims to offer a methodology to address questions when there is no right or wrong answer due to lacking reliable information Any attempt to answer this sort of questions using the commonly accepted deductive approach based on scientific methods is bound to fail because of the very nature of these questions Therefore using Russia as a case study this book aims to advance a way of analysing however limited biased and uncertain available information to advance a more critical understanding of the subject in question by using the methodology of dialectic inquiry **East Central Europe and the former Soviet Union** Michael Bradshaw, Alison Stenning, 2016-04-15

A comprehensive introduction to the important economic social and political processes and development issues in this increasingly popular area of study Employing a groundbreaking thematic approach the book centres its discussion on the interrelation between contemporary development theories and continuing transition issues in this huge and complex region

Katyn and the Soviet Massacre of 1940 George Sanford,2007-05-07 Examining the Soviet massacre of Polish prisoners of war at Katyn and other camps in 1940 one of the most notorious incidents of the Second World War this book sheds new light on what took place and how the memory of the massacres long affected and continues to affect Polish Russian relations Understanding Post-Communist Transformation Richard Rose,2009-01-21 The fall of the Berlin Wall launched the transformation of government economy and society across half of Europe and the former Soviet Union The text compares how ordinary people have coped with the stresses and opportunities of transforming into post Communist societies

Late Stalinist Russia Juliane Fürst,2006-09-27 With cutting edge research and contributions from top scholars the late Stalinist period is thoroughly explored in this impressive work It explores a wide range of aspects of late Stalinist society focusing on the experience of the Soviet people and their interaction with ideology state policy and national and international politics *Stalinist Society* Mark Edele,2011-02-17 Stalinist Society offers a fresh analytical overview of the complex social formation ruled over by Stalin and his henchmen from the late 1920s to the early 1950s Drawing on declassified archival materials interviews with former Soviet citizens old and new memoirs and personal diaries as well as the best of sixty years of scholarship this book offers a non reductionist account of social upheaval and social cohesion in a society marred by violence Combining the perspectives from above and from below the book integrates recent writing on everyday life culture and entertainment ideology and politics terror and welfare consumption and economics Utilizing the latest archival research on the evolution of Soviet society during and after World War II this study also integrates the entire history of Stalinism from the late 1920s to the dictator s death in 1953 Breaking radically with current scholarly consensus Mark Edele shows that it was not ideology terror or state control which held this society together but the harsh realities of making a living in a chaotic economy which the rulers claimed to plan and control but which in fact they could only manage haphazardly ,

History, Memory, and Identity in Post-Soviet Estonia Sigrid Rausing,2004 Sigrid Rausing describes the changing world of the Estonian Swedes and the way in which this minority identity was constructed in the various ideologies that have dominated the region since the early twentieth century In particular she is concerned with the latest of these changes the post Soviet attempt to restore Swedish cultural identity Rausing touches on a wide range of issues debates and insights the relationship between ideology and form nationalist and Soviet notions of ethnicity and traditional culture and historically framed notions of an imagined normality The ethnographic location for these discussions is a particular former collective farm now subject to economic decline the Estonian nation building ideological project and new relationships of dependency with Sweden One of the author s central arguments is that these changes reflect a conscious attempt to reform habitus so as

to match that of the local image of the West but that the location of ethnic culture and many of the operative concepts still reflect the tropes of the Soviet era *Remembering the Road to World War Two* Patrick Finney, 2010-09-13 Remembering the Road to World War Two is a broad and comparative international survey of the historiography of the origins of the Second World War It explores how in the case of each of the major combatant countries historical writing on the origins of the Second World War has been inextricably linked with conceptions of national identity and collective memory *Building Democracy* Geoffrey Pridham, Eric Herring, George Sanford, University of Bristol. Dept. of Politics, 1997-01-01 International factors have had a great effect upon the process of democratisation in Eastern Europe according to the contributors to this book Furthermore they maintain that the international dimension has not always been a favourable one *Modern European Borders in Fiction* Andrew Hammond, 2025-09-18 There are few features of the contemporary world more significant than national and regional borders In modern Europe the practices of human division have defined the continent from the early years of the Cold War to the present barriers of Fortress Europe whose exposure of irregular migrants to trafficking discrimination and deportation is rarely absent from the daily news Modern European Borders in Fiction offers a comprehensive study of literary responses to the topic Through reference to over 600 novels and short stories Andrew Hammond analyses the wide ranging engagement of post 1945 novelists with the ideologies processes and effects of territorialisation as well as the related issues of military conflict migration populism nationalism and regionalism Among the topics under study are the ideological divisions of the Cold War the closed societies of totalitarian communism the labour migrations of the 1950s and 1960s the tightening of border controls from the 1970s the twenty first century war on migration the official restrictions on borderland communities the conflicts in Bosnia Georgia and Ukraine and the patterns of social segregation that have marked the continent from the Second World War to the present Drawing on theoretical work in the social sciences and the humanities this is a ground breaking contribution to European literary studies establishing the importance of continental border writing and opening up fresh avenues for decolonised teaching and research

Reviewing **Granta 25 The Soviet Union**: Unlocking the Spellbinding Force of Linguistics

Granta 25 The Soviet Union Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Granta 25 The Soviet Union PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Granta 25 The Soviet Union PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Granta 25 The Soviet Union free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Granta 25 The Soviet Union Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Granta 25 The Soviet Union is one of the best book in our library for free trial. We provide copy of Granta 25 The Soviet Union in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Granta 25 The Soviet Union. Where to download Granta 25 The Soviet Union online for free? Are you looking for Granta 25 The Soviet Union PDF? This is definitely going to save you time and cash in something you should think about.
