Conolly, 2009-02-28 George Bernard Shaw's frequently stormy but always creative relationship with the British Broadcasting Corporation was in large part responsible for making him a household name on both sides of the Atlantic From the founding of the BBC in 1922 to his death in 1950 Shaw supported the BBC by participating in debates giving talks permitting radio and television broadcasts of many of his plays even advising on pronunciation questions Here for the first time Leonard Conolly illuminates the often grudging though usually mutually beneficial relationship between two of the twentieth century's cultural giants Drawing on extensive archival materials held in England the United States and Canada Bernard Shaw and the BBC presents a vivid portrait of many contentious issues negotiated between Shaw and the public broadcaster This is a fascinating study of how controversial works were first performed in both radio and television's infancies It details debates about freedom of speech the editing of plays for broadcast and the protection of authors rights to control and profit from works performed for radio and television broadcasts Conolly also scrutinizes Second World War era censorship when the British government banned Shaw from making any broadcasts that questioned British policies or strategies Rich in detail and brimming with Shaw's irrepressible wit this book also provides links to online appendices of Shaw's broadcasts for the BBC texts of Shaw's major BBC talks

extracts from German wartime propaganda broadcasts about Shaw and the BBC's obituaries for Shaw     Shaw and the Actresses Franchise League Ellen Ecker Dolgin, 2015-03-16 Early 20th century non commercial theaters emerged as hubs of social transformation on both sides of the Atlantic The 1904 1907 seasons at London's Royal Court Theatre were a particularly galvanizing force with 11 plays by Bernard Shaw along with works by Granville Barker John Galsworthy and Elizabeth Robins that starred activist performers and challenged social conventions Many of these plays were seen on American stages Featuring more conversation than plot points the new drama collectively urged audiences to recognize themselves in the characters In 1908 four hundred actresses attended a London hotel luncheon determined to effect change for women The hot topics chillingly pertinent today mixed public and private controversies over sexuality income distribution and full citizenship across gender and class lines A resolution emerged to form the Actresses Franchise League which produced original suffrage plays participated in mass demonstrations and collaborated with ordinary women     *Bernard Shaw and Barry Jackson* Past President Barry Jackson, Bernard Shaw, Barry Jackson, 2002-01-01 This collection of 183 letters all but two of which are previously unpublished sheds new light on a partnership that for Shaw was the most important of his later playwriting career     *Unpublished Shaw* Bernard Shaw, Dan H. Laurence, 1996 SHAW 16 contains twenty nine unpublished pieces by Shaw written between 1877 and 1950 The most significant is a ten page draft synopsis of *Man and Superman* the original manuscript draft of the play has been lost in a contemplated five act version providing scholars with a hitherto unavailable text Equally important for the biographical and artistic insights they offer are the early literary efforts found in Shaw's first opus notebook including an extended narrative verse fragment of 1877 set in Dublin a polemic his first on oakum picking and prison conditions a criticism of organists and orchestral conductors and an attempted evaluation of contemporary arts and letters in 1878 We find Shaw through the persona of a female narrator creating in his own image a fictional memoir of the young Hector Berlioz offering an ironic vindication of housebreakers in anticipation of *Heartbreak House* exploring the seamy side of the prizefight ring examining exhausted genres of Victorian art in 1880 defining the true signification of the term Gentleman lecturing on Socialism and the family and on realism as the goal of fiction and penetratingly considering the future of marriage in a rejected book review one of four included in the volume The dimensions of Shaw's political views may be examined through nearly a dozen commentaries on politics and on war and peace ranging from the Boer War an 1899 draft letter to the press *Why Not Abolish the Soldier* and 1903 municipal elections to U S Liberty Loans the Italo Abyssinian War how to talk intelligently about the Second World War and the implications of the hydrogen bomb in the nuclear age For good measure the volume concludes with two brief playlets previously unrecorded The editors have arranged these pieces individually or grouped by theme and genre as near to chronological order as possible and the reader is brought closer to the original manuscripts by the retention of Shaw's stylistic and spelling inconsistencies and by transliteration of the shorthand notations he frequently inserted between lines or in the margins Each text is supplemented

by an editorial note providing its provenance and a detailed physical description of the manuscript      **Mad about Theatre** Richard Hornby, 1996 Applause Books Mad About Theatre is a systematic analysis of the major issues confronting our theatre today The Decline of Broadway The Generally Poor Quality of American Stage Acting The Pretentiousness of our Avant Garde The Narrowness of our Playwriting Broadway In Search of a Musical Fix Subsidized British Theatre in the Age of Thatcher and Beyond The Inflated Directing of the Classics The Growing Vitality of our Regional Theatres in Playwriting as well as Acting and Directing The Innovative Use of the Theatre by Minority Groups Mad About Theatre is not only a major contribution to contemporary theatre criticism but a call to account for a culture in danger of losing its way Taken together these reviews from The Hudson Review weave a powerful indictment against the status quo while offering a constructive blueprint for the future      **Bernard Shaw and St. John Hankin** Christopher Wixson, 2025-06-06 This original study will no doubt draw attention to St John Hankin's work which may in turn receive further scrutiny from scholars students and theatre practitioners Michel Pharand Queen's University This book proposes a vibrant intertextual dialogue between St John Hankin's manners comedies and what are considered Bernard Shaw's minor Edwardian comedies and after the war some of his most experimental extravagant plays Engaging thematic topics ranging from philanthropy and parenting to marital alliances and comic endings their dramaturgy was truly in conversation over form and content as they re purposed one another in a vital wrangling to direct the creative evolution of modern British comedy      **Edwardian Shaw** Leon Hugo, 1999-01-28 Edwardian Shaw covers Shaw's campaigns and crusades in the crucial first ten years of the century when his career hung in the balance By going to contemporary documents and highlighting aspects of Shaw's career at this time particularly his emergence as a moral revolutionary and playwright of original and disquieting power Leon Hugo depicts a man who confronted a highly conservative world and managed by the force of his genius to stamp his personality on the age      Shaw and History Gale K. Larson, 1999 This special issue of Shaw offers ten articles that focus on the theme of Shaw and History That focus illuminates Shaw's concept of history as art and its uses for dramatic purposes It is a focus that is broadly applied to the historical perspective Views range from Shaw's uses of historical sources in the Shavianizing of history his uses of historical geographical and political places and events in his work to views that place selected Shavian works within a historical context Stanley Weintraub discusses Shaw's references to Cetewayo Zulu chieftain in Cashel Byron's Profession as the first incorporation of a contemporary historical figure into his work John Allett explores the liberal socialist and radical feminist views of prostitution in nineteenth century England and demonstrates how those political views are developed within the unfolding action of Mrs Warren's Profession Sidney P Albert studies the Utopian movement The Garden City to determine the extent to which that movement influenced Shaw's conception of Perivale St Andres in Major Barbara He also narrates his personal attempt to identify the Ballycorus smelting works and its surroundings as well as the campanile or Folly at Faringdon as sites that provided the scenic sources for Perivale St Andres in Major Barbara Gale K Larson has edited a

partially unpublished Shavian manuscript that addresses Shaw's relationship with Frank Harris and among other matters sets the historical record right as to who deserves the credit for attributing the identity of the Dark Lady of the Sonnets to Mary Fitton. He also examines the historical sources that influenced Shaw's views on Charles II the Merry Monarch in *In Good King Charles's Golden Days* and demonstrates Shaw's reclamation of yet another historical figure from the traditional historians. David Gunby examines the first night performance of *O'Flaherty V.C.* for purposes of setting the historical record straight as to the facts of that production. Wendi Chen presents the stage history of the production of *Mrs Warren's Profession* in China during the early 1920s and argues its central role in shaping modern Chinese drama. Rodelle Weintraub assesses *Too True to Be Good* as a dream play within the context of the nightmarish times of World War I. Michael M. O'Hara surveys the Federal Theatre's productions of *Androcles and the Lion* in the 1930s to reveal the political and religious repressions that those productions underscore. Shaw 19 also includes three reviews of recent additions to Shavian scholarship as well as John R. Pfeiffer's *Continuing Checklist of Shaviana*.

*Shaw* Gale K. Larson, 2001. SHAW 21 offers readers an eclectic perspective on Shaw, his works, and his contemporaries. Basil Langton, actor and director, reminisces about his early development as an actor, his meeting with Shaw, and his career as director of many of Shaw's plays. He focuses upon Shaw's stagecraft, augmenting his views with those of Sybil Thorndike and Sir Lewis Casson, whom he interviewed in 1960. Galen Goodwin Longstreth analyzes the correspondence between Shaw and Ellen Terry and argues that the exchange is itself a literary genre, a dramatic performance that reveals their personal identities. The next two contributors, Stanley Weintraub and Andrea Adolph, examine the Shaw-Virginia Woolf relationship. Weintraub focuses on those occasions when their respective lives touched each other, what their feelings for each other were, and how those occasions were obliquely woven into Shaw's plays, most notably *Heartbreak House*. Professor Adolph argues that in Woolf's only dramatic text, *Freshwater*, A Comedy, she was conforming to the traditional theatrical mode of the day, dominated of course by Shaw, but that she subverted his traditional literary depiction of paternity, as for example the paternity dramatized in *Major Barbara*. Sidney Albert and Bernard Dukore provide unique perspectives on reading *Major Barbara*. Albert shows how John Bunyan's *The Pilgrim's Progress* serves as Shaw's source for Barbara's progress toward enlightened understanding. Dukore, focusing on the perspective of the familial relationship within the play, concludes that Shaw's dialectic gives the kids the future and not the dad. It will be the next generation, not Father Undershaft, who will determine where society will go next. Julie Sparks and Martin Bucco approach Shaw from a comparative basis, juxtaposing him with two American writers contemporaries of Shaw, Mark Twain and Sinclair Lewis, respectively. Sparks explores the commonality that exists in Shaw's and Twain's thinking about evolution, namely their heretical visions of a post-Darwinian Eden. Both viewed conventional Christianity iconoclastically but both arrived at different conclusions about human origin and destiny, a view Sparks describes as emanating from the deist/pessimist/evolutionary/determinist perspective versus the mystic/optimistic/creative evolutionist.

perspective or the Personal Godhead versus the Impersonal Force Professor Bucco enumerates the many references Sinclair Lewis makes to Bernard Shaw throughout his writings both prose and fiction to underscore the American novelist's admiration for the Irish playwright both recipients of the Nobel Prize for Literature The final two contributors to SHAW 21 Rodelle Weintraub and William Doan provide the readers with distinctive perspectives on John Bull's Other Island and The Doctor's Dilemma respectively Weintraub recasts the play into a dream sequence whereby Doyle's dream becomes an artifice for problem solving Implied within Father Keegan's lines in the play Every dream is a prophecy every jest is an earnest in the womb of Time is the resolution of Doyle's problem with Nora the girl he had left behind and of the dream of modernizing Roscullen Doan suggests that in The Doctor's Dilemma Shaw uses the idea of unconsummated adultery to argue for the efficacy of art over science In the conflict between the artist and the scientist the latter plans to have the artist's muse In the end not only is he deprived of the wife but also of the works of art themselves and the spirit that animates them SHAW 21 also includes three reviews of recent additions to Shavian scholarship as well as John R Pfeiffer's Continuing Checklist of Shaviana *Mirrors of Our Playing* Thomas R. Whitaker, 1999 Examines the major paradigms that have influenced modern English speaking theater
