## **Granville Island Cookbook:**

**The New Granville Island Market Cookbook** Carol Jensson, Judie Glick, 2012-06-05 Vancouver's Granville Island Public Market established in 1979 is one of Canada's largest and most popular public markets. Featuring over fifty food retailers, day vendors, and crafts, the Public Market is the main draw at Granville Island. Galleries, retail shops, a live theatre, and a hotel, an art school, as well as a functioning cement company, make Granville Island one of the biggest tourist attractions in a city that is regularly ranked as one of the world's top destinations by Condé Nast Traveler. The New Granville Island Market Cookbook features a bounty of recipes using fresh produce, gourmet meats, wild seafood, artisanal cheeses, and other goods found at this or any public market offering quality, healthful food products. Full color throughout, the book also includes lively food photos, market snapshots, and profiles of the market's dedicated vendors. Taking off from the original best-selling Granville Island Market Cookbook in 1985, this brand new book comments on changes to food culture since the first edition and features such market fresh recipes as barbecued leg of lamb, penne with spot prawns, Ni oise sandwich, orange and pomegranate salad, and roasted figs. This beautiful cookbook offers readers delectable, fresh, and healthy recipes for every month of the year while providing vibrant and engaging portraits of life at the market. Judie Glick and Carol Jensson were among Granville Island's first merchants: Judie as co-owner of the Fraser Valley Juice and Salad Bar, and Carol as owner of the Blue Parrot coffee bar. Carol is now a food stylist for Vancouver's film industry, while Judie is co-author of the original Granville Island Market Cookbook. She has been writing about food since 1968.

**The Granville Island Cookbook** Kasey Wilson, 1984      **The Granville Island Market Cookbook** Judie Glick, Fiona McLeod, 1985      **Picture Cookbook** Joyce Dassonville, Ehren McDow, 2008-06 There has never been a cookbook like this, nor has there been a book that could improve the lives of families with special needs members more than this book. It has the potential to do so. After a futile search to buy a book for teaching her daughter to cook, the author eventually wrote the book she had sought to buy. The first in a series of four cookbooks for budding chefs with special needs, including autism, attention deficit disorder, Down's Syndrome, Alzheimer's disease, illiteracy, advanced or young age. THE PICTURE COOKBOOK is the result of the author's four years of efforts teaching her own autistic daughter to cook and bake. The title says it all, but the book is more than a series of step-by-step pictures leading the chef to a proud completion. All aspects of avoiding injury and ensuring success have been cleverly thought through. Using modern kitchen tools, the authors have written recipes that are safe for anyone to use, be they young children, confused adults, or people with special needs. Furthermore, for the benefit of teachers and caregivers, instructions on the process of teaching someone to use the cookbook are detailed, as well as discussions of issues that can arise. The picture index allows cooks to easily spot their favourite recipes without the need to read or understand names. The book boasts lay-flat binding, extensive colour coding, and beautifully laid-out colour photography.
