GRAPHIC MOTIFS OF THE JEWISH GRAVESTONE

Graven Images Graphic Symbols Of The Jewish Gravestone

Arnold Schwartzman

Graven Images Graphic Symbols Of The Jewish Gravestone:

Graven Images Arnold Schwartzman, 1993 Thou shalt not make unto thee any graven image or any likeness of any thing that is in heaven above or that is in the earth beneath or that is in the water under the earth So decrees the second commandment Could anything be clearer And yet through the centuries Jews have decorated their tombstones with graven images This rich tradition of liberally interpreting the biblical admonition has provided centuries worth of graphic symbols and motifs that illuminate Jewish history and lore In *Graven Images* a surprisingly spirited view of a usually somber subject author and photographer Arnold Schwartzman has assembled a lavish array of color photographs of Jewish tombstones Focusing on the treasures he has discovered in thirty eight European cemeteries this book reproduces more than two hundred graven images from Austria Czechoslovakia Denmark England Germany the Netherlands Hungary Italy Poland and Romania Schwartzman s beautiful close up photographs and fascinating captions reveal the significance of some of the most common images found on the gravestones Some reveal the occupation of the deceased an inkwell and quill for a scribe or something about character a candelabrum for a pious woman Others allude specifically to a person s name a fish for a member of the Fischel family or refer to biblical tradition Noah s ark Adam and Eve in the Garden The book begins with a riveting essay by Chaim Potok the renowned novelist and Jewish thinker who asks How in the light of all these images are we to understand the second commandment A unique assemblage of what Schwartzman has called hallowed milestones that plot the course of the Jewish diaspora *Graven Images* will appeal to everyone interested in Jewish history symbols and tradition

Gilded Lions and Jeweled Horses Murray Zimiles, Vivian B. Mann, American Folk Art Museum, Fenimore Art Museum (Cooperstown, N.Y.), Farmers' Museum (Cooperstown, N.Y.), 2007 A richly illustrated volume celebrating Jewish carving traditions from the Old World to the New **Gargoyles, Grotesques & Green Men** Gary R. Varner, 2007-04-10 The symbols and strange images that we find in our cemeteries religious structures banks and in our parks are the same symbols that have been part of the framework of the human psyche for thousands of years While contemporary man may think that they are simply decorative manifestations of a by gone era they represent the fears dreams ideas beliefs and struggles that humankind has endured since we began to walk upright This book surveys many of these icons and will give a meaning for them both in the context of ancient history and folklore as well as a meaning that is suitable for our contemporary times Illustrated with dozens of photographs this book will be of interest to anyone interested in historic preservation ancient symbolism the Green Man and the universal application of imagery Gary R Varner has written numerous books on ancient traditions folklore the environment and contemporary issues He is a member of the American Folklore Society and the Foundation for Mythological Studies **Holocaust Literature: Lerner to Zychlinsky, index** S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality

biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and
 spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre
 and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004
