The Graveyard Gambit Ann Babiarz, Michael A. Babiarz, 2005-09 A year ago it all seemed so unreal Hatched in her mind Culled from knowledge learned as a paralegal in a well respected law firm Was it legal Not quite Did it hurt anyone No But more importantly Alexis believed it would work If not she would be dead What a comforting thought Alexis Grant has grown to despise her life Using her experience as a paralegal Alexis devises a plan to divorce and permanently escape from John Grant a mid level operative in organized crime hopefully without forfeiting her own life Alexis knows John s business associates are watching her every move especially after she files for divorce but she can t bear to exist in their world any longer She takes all the necessary steps to assume the identity of Crystal Zion who supposedly died years ago As she makes her escape Alexis encounters many surprises including coming face to face with another woman using the same name To complicate matters further as she tries to navigate her way around an obscure island in the Bahamas she finds herself falling in love with George Vandenberg a man investigating her for a crime she didn t commit Will Alexis be able to erase her identity from the prying eyes of the Company **Silent in the Grave** Deanna Raybourn, 2019-07-15 Go back to where it all began with the original Lady Julia Grey historical mystery series from New York Times bestselling author of Killers of a Certain Age Deanna Raybourn Let the wicked be ashamed and let them be silent in the grave These ominous words are the last threat that Sir Edward Grey receives from his killer Before he can show them to Nicholas Brisbane the private inquiry agent he has retained for his protection he collapses and dies at his London home in the presence of his wife Julia and a roomful of dinner guests Prepared to accept that Edward's death was due to a long standing physical infirmity Julia is outraged when Brisbane visits and suggests that her husband was murdered It is a reaction she comes to regret when she discovers damning evidence for herself and realizes the truth Determined to bring the murderer to justice Julia engages the enigmatic Brisbane to help her investigate Edward s demise Dismissing his warnings that the investigation will be difficult if not impossible Julia presses forward following a trail of clues that lead her to even more unpleasant truths and ever closer to a killer who waits expectantly for her arrival Previously published Don t miss the complete Lady Julia Grey mystery series by Deanna Raybourn Book 1 Silent in the Grave Book 2 Silent in the Sanctuary Book 3 Silent on the Moor Book 3 5 Midsummer Night novella Book 4 Dark Road to Darjeeling Book 5 The Dark Enquiry Book 5 5 Silent Night novella Book 5 6 Twelfth Night The Graveyard in Literature Aoileann Ní Éigeartaigh, 2021-11-12 This volume novella Book 5 7 Bonfire Night novella focuses on literary and other cultural texts that use the graveyard as a liminal space within which received narratives and social values can be challenged and new and empowering perspectives on the present articulated It argues that such texts do so primarily by immersing the reader in a liminal space between life and death where traditional certainties such as time and space are suspended and new models of human interaction can thus be formulated Essays in this volume examine the use of liminality as a vehicle for social critique paying particular attention to the ways in which liminal spaces facilitate the

construction of alternative perspectives International Responsibility and Grave Humanitarian Crises Hannes Peltonen, 2013-05-02 This book examines responsibility in grave humanitarian crises focusing on the international community s collective responsibility to take action in such cases as genocide or ethnic cleansing. The idea of collective responsibility highlights how we would like to see the global level primarily as something more akin to a community of peoples rather than as a society of states in which other international and transnational actors operate Since the acceptance of human rights and in view of the atrocities of the Holocaust and other genocides we have realized that some things concern us all a realization that has led to the development of the responsibility to protect R2P framework This book focuses on understanding the international community and its collective responsibility Unlike the research frameworks put forward in other publications on this topic the research model developed here does not distribute the collective responsibility to particular actors instead it sets out how the burden should be divided among those actors responsible in order to protect human security on a global scale This book will be of interest to students of humanitarian intervention the responsibility to protect international law peace and conflict studies and international relations in general Leave the Grave Green Deborah Crombie, 2010-08-24 When Connor Swann the dissolute son in law of renowned and influential Sir Gerald and Dame Caroline Asherton is found floating in a Thames River lock the circumstances eerily recall a strangely similar tragedy Twenty years ago the Ashertons young son Matthew a musical prodigy drowned in a swollen stream while in the company of his sister Julia Connor Swann s wife Police Superintendant Duncan Kincaid and Sergeant Gemma James quickly discover that Connor's death was no accident and that nothing in the Asherton family is as it seems Connor though estranged from Julia for more than a year still lives in her London apartment where his exploits with women and gambling suggest plenty of motives The Ashertons are far more attached to Connor than to their own daughter and these are only the first of the secrets that haunt the suspects New lies cover older lies as Kincaid finds himself dangerously drawn to Julia Swann and Gemma must confront her own troubling **Spam Kings** Brian S McWilliams, 2014-09-09 People are stupid Davis Wolfgang Hawke thought as he feelings for Kincaid stared at the nearly empty box of Swastika pendants on his desk So begins Spam Kings an investigative look into the shady world of email spammers and the people trying to stop them This compelling expos explores the shadowy world of the people responsible for today s junk email epidemic Investigative journalist Brian McWilliams delivers a fascinating account of the cat and mouse game played by spam entrepreneurs in search of easy fortunes and anti spam activists McWilliams chronicles the activities of several spam kings including Hawke a notorious Jewish born neo Nazi leader You ll follow this 20 year old s rise in the trade where he became a major player in the lucrative penis pill market a business that would make him a millionaire and the target of lawsuits You ll also meet cyber vigilantes such as Susan Gunn who have taken up the fight against spammers like Hawke Explore the sleazy spammer business practices the surprising new partnership between spammers and computer hackers and the rise of a new breed of computer viruses designed to turn the PCs of innocent bystanders into
