## Great Adventure Series:

The Greatest Adventure #4 Bill Willingham, 2017-08-02 The Venture nears their destination but the villainous Resolve is hot on their tail and a heart pounding aerial skirmish will leave a crewmember of the brave Venture lost in the Antarctic and travel into the Earth's core to the land of Pellucidar *The Great Adventure Series*, 19?? The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc., as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

**The 100 Greatest Christmas Movies** Scott Speed, 2022-12-04 The book that follows contains one hundred Christmas themed movies and television specials that you should certainly consider watching during the festive season. The qualification for entry here is that each film should at least contain a Christmas scene or be set at Christmas. There are many perennial Christmas viewing staples like *The Wizard of Oz* and *Willy Wonka & the Chocolate Factory*, but films like this don't qualify for our book because they aren't set at Christmas. Films like *On Her Majesty's Secret Service* and *Night of the Hunter* DO qualify though because they have references to Christmas. That's how our list works. You'll find a very eclectic mix in the book that follows: Beloved television cartoons, comedy specials, obscure horror films, art house movies, action classics, stop motion animation, anthology segments, and even a few bizarre or cheesy guilty pleasures. The list that follows is truly a case of the sublime and the ridiculous at times. The connective tissue though is always Christmas. So put another log on the fire, get yourself a mince pie, and prepare to dive into the 100 Greatest Christmas Movies.

**Starfist: Hangfire** David Sherman, Dan Cragg, 2010-01-20 Six agents have died hideously trying to penetrate the crime families behind a vast empire of pleasure and debauchery Now it's up to the Marines to break the circle Most people will visit Havanagas only in their dreams for few can afford the exclusive resort planet that recreates ancient worlds and caters to every taste Witches are burned at the stake in medieval towns while riotous hordes fill Rome's Coliseum to watch gladiators battle Even the basest of human lusts are satiated by deadly sex acts and a thriving slave trade The crime bosses control of Havanagas and its people is brutally effective Now three Marines from Co L's 3rd Platoon masquerading as discharged military buddies on holiday are going in to break the kingpins bloody stranglehold From bordellos and rebellious enclaves to the very pit of the Coliseum filled with deadly beasts Corporal Pasquin and Lance Corporals Claypoole and Dean face certain death with only their wits and skills as weapons But they're Marines built to survive

**Starfist: Kingdom's Fury** David Sherman, Dan Cragg, 2003-01-01 A few good Marines beat the fierce fanatical aliens once before But that was a skirmish not a full scale invasion The truth is out No longer are the Skinks just a horrible secret haunting the Marines of Company L Now the aliens are all too real invaders whose savage attacks have devastated planet Kingdom a world of squabbling religions where the men of the 34th FIST confront a desperate situation Cities that haven't already been reduced to rubble are under siege while starving refugees roam the land And still the Skinks come rising from stinking primordial swamps to slake their thirst for slaughter armed with an uncanny ability to locate the enemy and with weapons so deadly that a single blast can drop a warplane or decimate a squad It's painfully evident that 34th FIST is no match for these near invincible killers which is why third platoon's been ordered to whip the citizens of Kingdom into fighting shape With their backs to the wall and time running out there's only one way the Marines can turn these timid quarrelsome men into warriors Take the battle to the enemy It's a brilliant strategy sure to succeed if it doesn't get them killed first

**Starfist: School of Fire** David Sherman, Dan Cragg, 1999-02-11 Combat betrayal and murder at the

edge of human space Deployed to assist the oligarchs of Wanderjahr in putting down a rebellion that threatens the planet's political and economic stability the Marines must fight two wars at the same time one against the resourceful well led guerrillas and another with the entrenched police bureaucracy But who is the real enemy and who can be trusted On Wanderjahr nothing is as it seems not even the animal life and everyone has his own agenda Inexorably the Marines of the 34th FIST are drawn deeper and deeper into the politics of a world where murder terror and betrayal are the accepted methods of government and everyone is ripe for an old fashioned butt kickin
