John Hankins Wallace, 1924 **Two Countries, Two Families, One God** Sue Worthington Carter, 2013-07-31 This memoir tells the story of two families from two different countries who work together in the interior of Brazil doing God's work Threatening Property Elizabeth A. Herbin-Triant, 2019-05-28 White supremacists determined what African Americans could do and where they could go in the Jim Crow South but they were less successful in deciding where black people could live because different groups of white supremacists did not agree on the question of residential segregation In Threatening Property Elizabeth A. Herbin-Triant investigates early twentieth century campaigns for residential segregation laws in North Carolina to show how the version of white supremacy supported by middle class white

people differed from that supported by the elites Class divides prevented Jim Crow from expanding to the extent that it would require separate neighborhoods for black and white southerners as in apartheid South Africa Herbin Triant details the backlash against the economic successes of African Americans among middle class whites who claimed that they wished to protect property values and so campaigned for residential segregation laws both in the city and the countryside where their actions were modeled on South Africa s Natives Land Act White elites blocked these efforts primarily because it was against their financial interest to remove the black workers that they employed in their homes farms and factories Herbin Triant explores what the split over residential segregation laws reveals about competing versions of white supremacy and about the position of middling whites in a region dominated by elite planters and businessmen An illuminating work of social and political history Threatening Property puts class front and center in explaining conflict over the expansion of segregation laws into private property     **Manufacturers' Record** ,1909     Saturday Review of Literature ,1926     From Pain Ii Power Hemi,2022-05-25 THE Way You Overcome Adversity IS BY OVERCOMING YOURSELF Only The Strong Survive From Pain II Power takes the reader deep inside the life of a native Baltimorean who experienced the urban lifestyle from three 3 different perspectives He encountered the 1st from the Streets in which he gain Street Smarts the 2nd came from Corporate America that allowed him to develop a profound professional portfolio and last but not least the most important of the three 3 a Spiritual Foundation that completed the trilogy If you ever wanted to know the Life of a True Baltimorean inside out then you have chosen the right book enjoy the journey     White Teacher, Second Edition, With a New Preface Vivian Gussin PALEY,Vivian Gussin Paley,2009-06-30 Vivian Paley presents a moving personal account of her experiences teaching kindergarten in an integrated school within a predominantly white middle class neighborhood In a new preface she reflects on the way that even simple terminology can convey unintended meanings and show a speaker s blind spots She also vividly describes what her readers have taught her over the years about herself as a white teacher     *Boys' Life* ,1923-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting     *The Publishers Weekly* ,1923     **Federal Register** ,1979-04     **The 2nd North Carolina Cavalry** Roger H.
