Great American Conservative Women

Claire Greslé-Favier

Great American Conservative Women:

Great American Conservative Women, 2002 This book explodes the liberal arrogance that if you want to be a successful woman you can't be a conservative Great American Conservative Women bulges with the lives and views of outstanding women leaders They represent all walks of life from a star of Broadway to an ambassador More to the United Nations from an internationally syndicated radio show host to political leaders CEOs and mothers This collection of speeches provides conservative solutions to the challenges of our time refuting the liberal message Folks like Dr Laura Schlessinger Phyllis Schlafly Ann Coulter Star Parker Linda Chavez Letitia Baldrige Michelle Easton and Dr Jeane Kirkpatrick are a few of the notable contributors

The Oxford Handbook of U.S. Women's Social Movement Activism Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are radical liberal and conservative The chapters in the handbook consider women's activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women's Social Activism over time from the women's suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational institutions Finally part five looks at women's participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement

How to Raise a Conservative Daughter Michelle Easton, 2021-07-06 An essential resource for any parent educator or citizen looking for help in raising a child with conservative values MARK LEVIN Michelle's wisdom as a longtime activist mom and mentor to young women is needed now more than ever RACHEL CAMPOS DUFFY Fox News Contributor Raising a daughter is hard Raising her to be a conservative can seem impossible In a long career devoted to equipping the next generation of conservative women for leadership Michelle Easton has worked with thousands of students and young professionals Their backgrounds are as varied as America itself but in each girl's life something went right How to Raise a Conservative Daughter is an invaluable guide to what works It's foolish to pretend that the challenges aren't enormous Toxic social media radical indoctrination in schools an

entertainment industry that panders to our lowest cravings the cultural forces arrayed against your family are terrifying But you are not helpless Parents sometimes don't know what to do and often they simply don't do what they know It is possible Easton shows to nurture lasting values in your daughter Her tested and sometimes counter intuitive techniques will strengthen your daughter's heart and mind Ronald Reagan warned Freedom is never more than one generation away from extinction And today the tragically common lament of parents is We don't know what happened but one day we realized our daughter had rejected our most precious values There are no guarantees but savvy determined and loving parents have more than a fighting chance of raising the wives mothers and leaders our country so desperately needs

Debating the American Conservative Movement Donald T. Critchlow, Nancy MacLean, 2009 Debating the American Conservative Movement chronicles one of the most dramatic stories of modern American political history The authors describe how a small band of conservatives in the immediate aftermath of the Second World War launched a revolution that shifted American politics to the right challenged the New Deal order transformed the Republican party into a voice of conservatism and set the terms of debate in American politics as the country entered the new millennium Historians Donald T Critchlow and Nancy MacLean frame two opposing perspectives of how the history of conservatism in modern America can be understood but readers are encouraged to reach their own conclusions through reading engaging primary documents

"Raising Sexually Pure Kids" Claire Greslé-Favier, 2009 Raising Sexually Pure Kids Sexual Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency

Righting Feminism Ronnee Schreiber, 2012-04-19 When we think of women's activism in America liberal figures such as Gloria Steinem and Betty Friedan invariably come to mind But women's interests are not synonymous with organizations like NOW anymore As Ronnee Schreiber shows the conservative ascendancy that began in the Reagan era has been accompanied by the emergence of a broad based conservative women's movement Righting Feminism shows that one of the key albeit overlooked developments in political activism since the 1980s has been the emergence of conservative women's organizations It focuses on Concerned Women for America and the Independent Women's Forum to reveal how they are using feminist rhetoric for conservative ends outlawing abortion restricting pornography and bolstering the traditional family But ironically these organizations face a paradox to combat the legacy of feminism particularly its appeal to the majority of American women they must use the rhetoric of women's empowerment Indeed Schreiber amply illustrates how conservative

activists are often the beneficiaries of the very feminist politics they oppose Yet just as importantly she demolishes two widely believed truisms that conservatism holds no appeal to women and that modern conservatism is hostile to the very notion of women s activism And in this updated edition Schreiber takes the story forward with an epilogue that considers the ways in which the politics of representation have changed for both conservative women and feminist activists in the wake of the political ascendancy of figures including Sarah Palin and Michelle Bachmann Based on numerous interviews with colorful conservative activists and extensive analyses of organizational documents *Righting Feminism* offers a new way of understanding the unlikely intersection of women s activism and conservative politics in America today

Conservative Jim DeMint, Rachel Bovard, 2019-09-24 Americans hunger for something real to believe in leaders and ideas that actually work to make their lives better The current political system is not satisfying this hunger and people are rebelling Polished experienced candidates in both the Democrat and Republican parties are facing stiff competition from radical but more authentic candidates Jim DeMint and Rachel Bovard make a rock solid case for why the principles that made America the freest most prosperous nation in world history must be reclaimed to prevent our demise Conservative is the simple truth on which this book is built we all tend to keep what works This exploration delivers the goods on what has and will work for America

American Rabbis, Second Edition David J. Zucker, 2019-06-21 This book is a broad brush approach describing the realities of life in the American rabbinate Factual portrayals are supplemented by examples drawn from fiction primarily novels and short stories Chapters include Rabbinic Training Congregational Rabbis and Their Communities Congregants Views of Their Rabbis Women Rabbis also including examples from TV and Cinema Assimilation Intermarriage Patrilineality and Human Sexuality God Israel and Tradition This book draws upon sociological data including the recent Pew Research Center survey on Jewish life in America and presents a contemporary view of rabbis and their communities The realities of the American rabbinate are then compared contrasted with the ways fiction writers present their understanding of rabbinic life The book explores illustrations from two hundred novels short stories and TV cinema representing well over 135 authors From the first real life women rabbis in the early 1970s to today s statistics of close to 1 600 women rabbis worldwide major changes have taken place Women rabbis are transforming the face of Judaism For example this newly revised second edition of *American Rabbis Facts and Fiction* reflects a fivefold increase in terms of examples of fictional women rabbis from when the book was first published in 1998 There is new and expanded material on some of the challenges in the twenty first century women rabbis human sexuality LGBTQ matters trans post non denominational seminaries and community based rabbis

The Great Gap Merike Blofield, 2015-08-21 The relationship between socioeconomic inequality and democratic politics has been one of the central questions in the social sciences from Aristotle on Recent waves of democratization combined with deepened global inequalities have made understanding this relationship ever more crucial In *The Great Gap* Merike Blofield seeks to contribute to this understanding by analyzing inequality and politics in the region with the highest

socioeconomic inequalities in the world Latin America The chapters written by prominent scholars in their fields address the socioeconomic context and inequality of opportunities elite culture public opinion and media framing capital mobility campaign financing representation and gender equality policies and taxation and social policies Aside from the editor the contributors are Pablo Alegre Mauricio Bugarin Daniela Campello Anna Crespo Francisco H G Ferreira Fernando Filgueira Liesl Haas Sallie Hughes Juan Pablo Luna James E Mahon Jr Juliana Mart nez Franzoni Adriana Cuoco Portugal Paola Prado Elisa P Reis Luis Reygadas Sergio Naruhiko Sakurai and Koen Voorend

Maternalism Reconsidered Marian van der Klein, 2012 Beginning in the late 19th century competing ideas about motherhood had a profound impact on the development and implementation of social welfare policies Calls for programmes aimed at assisting and directing mothers emanated from all quarters of the globe advanced by states and voluntary organizations liberals and conservatives feminists and anti feminists a phenomenon that scholars have since termed maternalism This volume reassesses maternalism by providing critical reflections on prior usages of the concept and by expanding its meaning to encompass geographical areas political regimes and cultural concerns that scholars have rarely addressed From Argentina Brazil and Mexico City to France Italy the Netherlands the Soviet Ukraine the United States and Canada these case studies offer fresh theoretical and historical perspectives within a transnational and comparative framework As a whole the volume demonstrates how maternalist ideologies have been employed by state actors reformers and poor clients with myriad political and social ramifications

A Breath of Life Sylvia Barack Fishman, 1995 A vigorous portrayal of the effects of a distinct form of feminism on the spiritual and secular lives of Jewish women

Battling Miss Bolshevik Kirsten Marie Delegard, 2012-05-28 Why did the political authority of well respected female reformers diminish after women won the vote In *Battling Miss Bolshevik* Kirsten Marie Delegard argues that they were undercut during the 1920s by women conservatives who spent the first decade of female suffrage linking these reformers to radical revolutions that were raging in other parts of the world In the decades leading up to the Nineteenth Amendment women activists had enjoyed great success as reformers creating a political subculture with settlement houses and women's clubs as its cornerstones Female volunteers piloted welfare programs as philanthropic ventures and used their organizations to pressure state local and national governments to assume responsibility for these programs These female activists perceived their efforts as selfless missions necessary for the protection of their homes families and children In seeking to fulfill their maternal responsibilities progressive women fundamentally altered the scope of the American state recasting the welfare of mothers and children as an issue for public policy At the same time they carved out a new niche for women in the public sphere allowing female activists to become respected authorities on questions of social welfare Yet in the aftermath of the suffrage amendment the influence of women reformers plummeted and the new social order once envisioned by progressives appeared only more remote *Battling Miss Bolshevik* chronicles the ways women conservatives laid siege to this world of female reform placing once respected reformers beyond the pale of

political respectability and forcing most women's clubs to jettison advocacy for social welfare measures Overlooked by historians these new activists turned the Daughters of the American Revolution and the American Legion Auxiliary into vehicles for conservative political activism Inspired by their twin desires to fulfill their new duties as voting citizens and prevent North American Bolsheviks from duplicating the success their comrades had enjoyed in Russia they created a new political subculture for women activists In a compelling narrative Delegard reveals how the antiradicalism movement reshaped the terrain of women's politics analyzing its enduring legacy for all female activists for the rest of the twentieth century and beyond The Spectator, 1920 *A Companion to Lyndon B. Johnson* Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson's life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President **Russell Kirk** Bradley J. Birzer, 2015-11-09 Emerging from two decades of the Great Depression and the New Deal and facing the rise of radical ideologies abroad the American Right seemed beaten broken and adrift in the early 1950s Although conservative luminaries such as T S Eliot William F Buckley Jr Leo Strauss and Eric Voegelin all published important works at this time none of their writings would match the influence of Russell Kirk's 1953 masterpiece *The Conservative Mind* This seminal book became the intellectual touchstone for a reinvigorated movement and began a sea change in Americans attitudes toward traditionalism In Russell Kirk Bradley J Birzer investigates the life and work of the man known as the founder of postwar conservatism in America Drawing on papers and diaries that have only recently become available to the public Birzer presents a thorough exploration of Kirk's intellectual roots and development The first to examine the theorist's prolific writings on literature and culture this magisterial study illuminates Kirk's lasting influence on figures such as T S Eliot William F Buckley Jr and Senator Barry Goldwater who persuaded a reluctant Kirk to participate in his campaign for the presidency in 1964 While several books examine the evolution of postwar conservatism and libertarianism surprisingly few works explore Kirk's life and thought in detail This engaging biography not only offers a fresh and thorough assessment of one of America's most influential thinkers but also reasserts his humane vision in an increasingly inhumane time **The Advocate**, 1996-09-03 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Full Employment Act of 1945, Hearings Before a Subcommittee of ..., 79-1 on S.380 ..., July 30 ... September 1, 1945 United States. Congress. Senate. Committee on Banking and Currency, 1945 Congressional Record United States. Congress, 2001 *Critical Perspectives on the 2023 FIFA Women's World Cup* Adam Beissel, Julie E. Brice, Verity Postlethwaite, Andrew Grainger, 2025-06-30 This book offers an in depth examination of the

2023 FIFA Women's World Cup 2023 FWWC hosted in Aotearoa New Zealand and Australia The 2023 FWWC was a landmark event in the history of women's sport in terms of audience revenue spectacle and global reach and has assumed wider significance beyond sport as a result of the controversial events immediately after the final game Featuring the work of leading researchers from around the world this book examines some of the key issues that arose during and after the 2023 FWWC It provides an international perspective on the politics of women's football and explores topics including media fandom Indigeneity legacy policies tourism and the organisational politics and strategies of international federations It also sheds light on the inherent sexism gender inequalities and biased media framings that remain pervasive in the women's game This is the second book on the 2023 FWWC from the editorial team of Adam Beissel Julie E Brice Verity Postlethwaite and Andy Grainger It is fascinating reading for anybody with an interest in sport studies event studies gender studies sociology or political science

Full Employment Act of 1945 United States. Congress. Senate. Committee on Banking and Currency, 1945 Considers legislation to establish a national policy and program for assuring continuing full employment in a free competitive economy through the concerted efforts of industry agriculture labor state and local governments and the Federal Government
