Great American Court Cases:

Great American Court Cases: Criminal justice ,1999 Nearly 800 cases mostly argued before the Supreme Court that have shaped American law

Great American Court Cases, Gale L. Mpho Mabunda, Mark F. Mikula, Allison McClintic Marion, 1999 Students in American government civics multicultural studies law U S history and journalism classes as well as general researchers seeking information on major U S court decisions that have had a significant impact on American society should consult Great American Court Cases This resource from Gale while focusing primarily on Supreme Court cases also includes major federal or state cases that set precedents The 4 volume set contains numerous cases organized by broad legal principles then arranged alphabetically under the more specific legal issue

Great American Lawyers John R. Vile, 2001-06-08 This two volume set offers unmatched insight into the lives and careers of 100 of America's most notable defense and prosecuting attorneys Trial lawyers noted one observer are the closest thing America has to the Knights of the Round Table In this new two volume encyclopedia which chronicles the lives and careers of America's 100 greatest trial lawyers readers can explore the historic legal careers of extraordinary barristers like Thomas Jefferson the young Virginia attorney who drafted the Declaration of Independence and Daniel Webster staunch defender of the union Readers will also meet contemporary litigators like Lawrence Tribe who led the fight against the tobacco industry Marian Wright Edelman a leading advocate for children's rights Alan Dershowitz renowned criminal appellate lawyer and public intellectual and Johnnie Cochran the defense attorney whose spectacular victory in the O J Simpson trial propelled him to superstardom In the stories of these preeminent litigators readers will discover not only what qualities make a great lawyer but also how much we owe to those who have served as our legal advocates

Trials of the Century Scott P. Johnson, 2010-10-06 This comprehensive set of essays documents the most important criminal civil and political trials in the United States from colonial times to the present examining their impact on both legal history and popular culture Crime and punishment are of perennial interest across the human species Trials of the Century An Encyclopedia of Popular Culture and the Law examines some of the most important and infamous cases in American history placing them in both historical and legal context Among the landmark cases considered in these two volumes are the 1692 Salem Witch Trials the Scopes Monkey Trial and the O J Simpson murder trial A number of civil lawsuits and political trials are also included such as the impeachment trials of Presidents Andrew Johnson and William Jefferson Clinton Entries in the encyclopedia detail the events leading to each trial and introduce the key players with a focus on judges lawyers witnesses defendants victims media and the public In addition the aftermath of the trial and its impact are analyzed from a scholarly yet straightforward perspective emphasizing how the trial affected the law and society at large

The Great American Documents: Volume 1 Ruth Ashby, 2014-05-13 A graphically illustrated history of America through its major speeches laws proclamations court decisions and essays introduces through the narrative character of Uncle Sam each document's origins creation and impact

The Great

American Mosaic Gary Y. Okihiro, Lionel C. Bascom, James E. Seelye Jr., Emily Moberg Robinson, Guadalupe Compeán, 2014-09-30 Firsthand sources are brought together to illuminate the diversity of American history in a unique way by sharing the perspectives of people of color who participated in landmark events This invaluable four volume compilation is a comprehensive source of documents that give voice to those who comprise the American mosaic illustrating the experiences of racial and ethnic minorities in the United States Each volume focuses on a major racial ethnic group African Americans American Indians Asian Americans and Pacific Islanders and Latinos Documents chosen by the editors for their utility and relevance to popular areas of study are organized into chronological periods from historical to contemporary The collection includes eyewitness accounts legislation speeches and interviews Together they tell the story of America's diverse population and enable readers to explore historical concepts and contexts from multiple viewpoints Introductions for each volume and primary document provide background and history that help students understand and critique the material The work also features a useful primary document guide bibliographies and indices to aid teachers librarians and students in class work and research

The Great American Jobs Scam Greg LeRoy, 2005-07-21 What do Wal Mart Dell Fidelity Investments Boeing and Cabela's have in common They're all part of a 50 billion a year scam in which in the name of job creation corporations play states and cities against each other to win hefty taxpayer subsidies that routinely exceed 100 000 per job But do they provide more jobs higher wages or improved living standards in exchange Greg LeRoy exposes these deals for what they are no strings attached free rides for corporations that rarely create any new jobs In fact after securing these packages many companies lay people off pay poverty wages or even relocate to other states This is the Great American Jobs Scam a costly bait and switch that swindles communities in more ways than one They lose jobs or gain jobs so low paying they do nothing to help the community and they lose revenue through massive corporate tax breaks That means fewer resources for maintaining schools public services and infrastructure LeRoy exposes corporations' careful orchestration of this scam dissects government and corporate mumbo jumbo with plain talk and offers commonsense reforms that will give taxpayers powerful new tools to protect our communities

Great American Judges John R. Vile, 2003-06-23 Inspiring and instructive biographies of the 100 most influential judges from state and federal courts in one easy to access volume Great American Judges profiles 100 outstanding judges and justices in a full sweep of U S history Chosen by lawyers historians and political scientists these men and women laid the foundation of U S law A complement to Great American Lawyers together these two volumes create a complete picture of our nation's top legal minds from colonial times to today Following an introduction on the role of judges in American history are A Z biographical entries portraying this diverse group from extraordinarily different backgrounds Students and history enthusiasts will appreciate the accomplishments of these role models and the connections between their inspiring lives and their far reaching legal decisions William Rehnquist Oliver Wendell Holmes Jr and 12 other Supreme Court justices are found alongside federal judges like Skelly Wright who ordered school desegregation in 1960 Influential state judges such as Rose Elizabeth Bird California's first woman Supreme Court Chief Justice are also featured

The Great American History Fact-finder Pam Cornelison, Ted Yanak, 2004 Over 2 000 entries covering the who what where when and why of U S history Thumbnail

The Great American Attraction Rich Smith, 2008 The author of You Can Get Arrested for That takes another look at America and its amazing inhabitants by crashing the weirdest parties in the U S 20 b w photos throughout

Student Guide to Research in the Digital Age Leslie Stebbins, 2005-12-30 One of the most perplexing aspects of research today is what to do when there's too much information on a topic What then of the librarian charged with teaching new generations to appreciate the search for intellectual wheat especially when the chaff has greater appeal The key suggests Leslie Stebbins is to impress upon students the importance of good filtering instincts and careful management of search results At the same time it is equally essential to impress upon them the particular challenges and controversies that accompany research in a digital environment Chapter

one provides a step by step introduction to both research and critical evaluation that can be followed for any assignment Chapters two through seven focus on specific types of information resources when to use them where to find them and how to evaluate them Chapter eight offers guidance on how to develop a note taking system cite sources avoid plagiarism and organize references Students and librarians alike will benefit from Stebbin s suggestions strategies and straightforward examples

The Great American Disruption Scott Aiken Mason, 2025-01-07 Unless we pause to consider the implications we risk being swept away by the current of popular culture where conformity is the coin of the realm and free speech is controlled by the media We can do better than this America is in trouble Bad decisions have brought us here It s tempting to pass off our discontent as merely two disturbing presidential election cycles But the truth runs much deeper than that Progressive overreach now permeates virtually every aspect of American culture Everything is political The divide is no longer as simple as Coke vs Pepsi it extends to all manner of things even where we live If the current mass exodus continues and we continue to retire to our respective corners the democratic experiment that is America could well be over Few people have captured the Nation s pulse so accurately Some examples To say the current situation is complicated is an understatement Most illnesses are It has taken years to gain some clarity in understanding the general chaos that is now being experienced in American Society what we call The Great American Disruption The litany of misguided views in America today has reached a dangerous threshold Life is about choices this fundamental element of life called choices is something that is often overlooked by many many people especially at critical times in our life journey Balancing the emotional brain with the rational brain is a lifetime pursuit for humans Failure to address this issue border security in a more controlled vision of the future role of immigration not only diminishes what it means to be an American it also represents the greatest security threat this country has ever experienced Challenging The Great American Disruption requires a greater disruption based on critical thinking and strategy Reasoned discourse becomes a fundamental requirement for the survival of our democracy We must fight The Great American Disruption by finding ways to develop tools of critical thinking that allow us to become more strategic in our thoughts and deeds if we are to lift ourselves out of the chaos that is bringing America down and brainwashing our kids For the first time in America s history six generations of citizens will occupy this earth simultaneously We d best figure out how to get along

Information Sources of Political Science Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed *Information Sources of Political Science* is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools

encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries The Facts on File Guide to Research Jeff Lenburg,2014-05-14 The Facts On File Guide to Research is a comprehensive guide to doing thorough and accurate research It includes a detailed listing of available resources and explains general research methods and proper citation of sources An invaluable reference this book helps researchers make use of the many new resources available today Divided into four sections this easy to use guide helps students and general readers prepare for research papers and class studies Step by step guides detailed explanations and valuable appendixes covering style guides such as APA MLA and The Chicago Manual of Style combine to create an incredibly authoritative accessible reference Supreme Court Decisions Jeffrey D. Stocks,2021-09-23 The rich history of the U S Supreme Court affects everyone so why just lecture about the landmark court decisions when you can engage students in the cases that changed the course of history In Supreme Court Decisions students will make predictions use their knowledge of the Constitution gain the perspective of people living during a historic period of time and judge a case for themselves The book takes students through 14 landmark cases including Dred Scott v Sanford Plessy v Ferguson Brown v Board of Education Mapp v Ohio Miranda v Arizona and more Students will find cases such as New Jersey v T L O particularly interesting because of their continuing effect on and relevance to students in school today Because these cases are sure to evoke different emotions and spark lively discussions among your students the book also includes activities that will help you direct this energy into meaningful learning experiences Your students will find the lessons in Supreme Court Decisions interesting enjoyable and engaging Grades 7 12 *Obscene in the Extreme* Rick Wartzman,2008 Describes how after its publication in 1939 and then becoming the nation s best selling book a great conflict arose in Kern County California as a giant cotton grower and a determined librarian went head to head over the issue of censorship with public burnings of this masterpiece at center stage Great American History Ron Thom,2018-05-15 A person could write a history story every day for the rest of his life and not come close to covering all the history of America The history of America in the last five hundred years reflect every human experience that man possesses The stories selected for this book depict men women and events of every possible description Most of these stories are not found in high school history books yet are influential in the development of America Kit Carson fought Indians but also guided Fremont through the West Elizabeth Blackwell became the first woman to receive a medical degree in America at a time when women were not even thought of as citizens Then there is the innovative genius of the Burma Shave signs that sold shaving cream all over the country History is a very delicate subject The reader is at the mercy of the eye witness account of a person s actions or an event taking place The eye witness from one side will see it one way while the person recording the event from the other side may see it differently It is then up

to the historian to decipher these varying accounts and determine what really happened It is possible that both sides were wrong Historians have the task of inspecting as many versions of the same story as possible to come to some reasonable expectation of what actually took place A case in point would be the story of the Alamo Texans tell the story as they wanted it while the Mexicans tell a story that is completely opposite See Dequello inside The stories in this book have been compared and researched as honestly as it is possible to do remembering that there are precious few eye witnesses left The U.S. Justice System Steven Harmon Wilson, 2011-12-06 A comprehensive three volume set that provides detailed background essays short topical entries and primary document excerpts to explain the organization history and functioning of the U S justice system The U S Justice System An Encyclopedia is a one stop resource uniquely structured to include both introductory information as well as more in depth and detailed resources It explains not only how the American civil and criminal justice system affects the parties to a particular case or other legal action but also how the rights benefits and legal protections of our country impact virtually all people in America The set comprises three volumes The first volume provides chapter length essays explaining the organization and functioning of federal state and local government as well as the working of federal and state judiciaries regulatory bodies and penal systems The second volume contains shorter alphabetically arranged entries on hundreds of law related topics including case descriptions and biographies of major figures federal and state court organizational charts legal statistics and other background information The third volume contains original documents statutes and texts of important cases relevant to the functioning of the American justice system Readers will understand the structures concepts and vocabulary of American law and legal institutions and grasp how the U S legal system has evolved to meet the complex changing needs of the nation
