The 5 Biggest Civil War Battles Charles River Editors,2025-05-02 Of all the Civil War battles fought and of all the victories achieved by Robert E Lee at the command of the Confederate Army of Northern Virginia the Battle of Chancellorsville is considered the most tactically complex and ultimately the most brilliant Confederate victory of the war In early May 1863 the Army of the Potomac was at the height of its power as it bore down on Robert E Lee s Army of Northern Virginia near Fredericksburg where the Confederates had defeated them the previous December The Union behemoth had spent most of the winter season being reorganized and drilled by Fighting Joe Hooker an aggressive commander who had fought hard at places like Antietam With an army nearing 130 000 men Hooker s Army of the Potomac was twice the size of the Army of Northern Virginia With that advantage Hooker proposed a daring and aggressive two pronged attack that aimed to keep Lee s army occupied in front of Fredericksburg while marching around its left Meanwhile a cavalry raid well in the rear was intended to cut Lee s lines of supplies and possibly retreat Hooker s plan initially worked perfectly with the division of his army surprising Lee At the end of May 1 Lee was outnumbered 2 1 and now had to worry about threats on two fronts Incredibly Lee once again decided to divide his forces in the face of the enemy sending Stonewall Jackson to turn the Union army s right flank while the rest of the army maintained positions near Fredericksburg The Battle of Chancellorsville is one of the most famous of the Civil War and the most famous part of the battle was Stonewall Jackson s daring march across the Army of the Potomac s flank surprising the XI Corps with an attack on May 2 1863 Having ignored warnings of Jackson s march the XI Corps was quickly routed The surprise was a costly success however as Jackson was mortally wounded after being mistakenly fired upon by his own men The names of history s most famous battles still ring in our ears today their influence immediately understood by all Marathon lent its name to the world s most famous race but it also preserved Western civilization during the First Persian War Saratoga won by one of the colonists most renowned war heroes before he became his nation s most vile traitor Hastings ensured the Normans success in England and changed the course of British history Waterloo which marked the reshaping of the European continent and Napoleon s doom has now become part of the English lexicon In Charles River Editors Greatest Battles in History series readers can get caught up to speed on history s greatest battles in the time it takes to finish a commute while learning interesting facts long forgotten or never known Without question the most famous battle of the American Civil War took place outside of the small town of Gettysburg Pennsylvania which happened to be a transportation hub serving as the center of a wheel with several roads leading out to other Pennsylvanian towns From July 1 3 Robert E Lee s Confederate Army of Northern Virginia tried everything in its power to decisively defeat George Meade s Union Army of the Potomac unleashing ferocious assaults that inflicted nearly 50 000 casualties in all Day 1 of the battle would have been one of the 25 biggest battles of the Civil War itself and it ended with a

tactical Confederate victory But over the next two days Lee would try and fail to dislodge the Union army with attacks on both of its flanks during the second day and Pickett's Charge on the third and final day Meade's stout defense held barely repulsing each attempted assault handing the Union a desperately needed victory that ended up being one of the Civil War's turning points Civil War - Part 2 (ENHANCED eBook) E. A. Moehle, 1973-09-01 Civil War Part II contains 12 full color PowerPoint slides 28 reproducible pages including five pages of test material and a richly detailed teacher's guide Among the topics covered in this volume are Union strategy the battle of Gettysburg Chickamauga Chattanooga General Grant Sherman's march to the sea Lincoln's reelection and Appomattox **The Greatest Civil War Battles** Charles River Editors, 2025-05-02 After successfully breaking the Confederate siege at Chattanooga near the end of 1863 William Tecumseh Sherman united several Union armies in the Western theater for the Atlanta Campaign forming one of the biggest armies in American history After detaching troops for essential garrisons and minor operations Sherman assembled his nearly 100 000 men and in May 1864 began his invasion of Georgia from Chattanooga Tennessee where his forces spanned a line roughly 500 miles wide Sherman set his sights on the Confederacy's last major industrial city in the West and General Joseph E Johnston's Army of Tennessee which aimed to protect its Atlanta's use to the Confederacy lay in its terminus for three major railroad lines that traveled across the South the Georgia Railroad Macon and Western and the Western Lincoln's Administration is a failure and peace and Southern independence are the immediate results 3 It would fall upon Sherman's forces in the West to deliver the necessary victory Johnston's army of 50 000 found itself confronted by almost double its numbers and General Johnston began gradually retreating in the face of Sherman's forces despite repulsing them in initial skirmishes at Resaca and Dalton The cautious Johnston was eventually sacked and replaced by the more aggressive John Bell Hood once the Confederate army was back in Atlanta Taking command in early July 1864 Hood lashed out at Sherman's armies with several frontal assaults on various portions of Sherman's line but the assaults were repulsed particularly at Peachtree Creek on July 20 where Thomas's defenses hammered Hood's attack In August Sherman moved his forces west across Atlanta and then south of it positioning his men to cut off Atlanta's supply lines and railroads When the Confederate attempts to stop the maneuvering failed the writing was on the wall On September 1 1864 Hood and the Army of Tennessee evacuated Atlanta and torched everything of military value On September 3 1864 Sherman famously telegraphed Lincoln Atlanta is ours and fairly won Two months later so was Lincoln's reelection **Battles of the Civil War** Curt Johnson, Mark G. Kly,2020-10-15 his book challenges contemporary scholars to free the history of African Americans from the lexicon of enslavement and to set the record of their struggle straight It attempts to redress fundamental misconceptions lodged in the heart of American historiography That there was no significant collective resistance to or struggle against slavery by captured Africans who had been forcibly immigrated to the United States from the mother continent That the Seminole Wars were simply another set of Indian wars rather than wars which marked the collective African resistance to the enslavement system That the records of the period official documents newspaper records etc were accurate descriptions of fact rather than censored materials produced in wartime with a view to enhancing public support and calming public fears That self liberated Africans mostly fled northward to freedom rather than southward to the free territories of Georgia and Florida *A More Perfect Union* Jesse L. Jackson Jr.,2021-11-12 Race from the beginning and more than any other element has shaped America s institutions its economics politics laws social structures and political attitudes Congressman Jackson considers race to be the focal point of America through the language of the economy because the economy is the hearing aid through which Americans hear all political dialogue In this thought provoking work Jackson provides ample documentation and insightful analysis of the inextricable link between race and economics More important Jackson proposes a radical economic strategy and program of new human rights that would build A More Perfect Union for all Americans and put them in a better position to come to grips with this enduring American legacy
