Great American Waistline:

The Great American Cheese Sandwich Burton Cohen, 1983 *Ray & Joan* Lisa Napoli, 2016-11-15 The movie *The Founder* starring Michael Keaton focused the spotlight on Ray Kroc the man who amassed a fortune as the chairman of McDonald's. But what about his wife Joan the woman who became famous for giving away his fortune? Lisa Napoli tells the fascinating story behind the historic couple. Ray is a quintessentially American tale of corporate intrigue and private passion: a struggling Mad Men era salesman with a vision for a fast food franchise that would become one of the world's most enduring brands and a beautiful woman willing to risk her marriage and her reputation to promote controversial causes that touched her deeply. Ray Kroc was peddling franchises around the country for a fledgling hamburger stand in the 1950s. McDonald's it was called when he entered a St Paul supper club and encountered a beautiful young piano player who would change his life forever. The attraction between Ray and Joan was instantaneous and instantly problematic. Yet even the fact that both were married to other people couldn't derail their roller coaster of a romance. To the outside world Ray and Joan were happy, enormously rich and giving. But privately Joan was growing troubled over Ray's temper and dark secret something she was reluctant to publicly reveal. Those close to them compared their relationship to that of Elizabeth Taylor and Richard Burton. And yet this volatility paved the way for Joan's transformation into one of the greatest philanthropists of our time. A force in the peace movement she produced activist films, books and music and ultimately gave away billions of dollars including landmark gifts to the Salvation Army and NPR. Together the two stories form a compelling portrait of the twentieth century: a story of big business, big love and big giving. [The Great American Attraction](#) Rich Smith, 2008-08-26 After recovering in his native England from a frivolous crime spree through the United States in *You Can Get Arrested for That*, Rich Smith is back again to take another look at this great nation and its extraordinary inhabitants. In *The Great American Attraction* our young Briton along with his new sidekick Antony crashes the weirdest parties, participates in the quirkiest competitions and attends the wackiest events to find the true heart of eccentric, wonderful America. Rich is fascinated by America and America it seems is fascinated with festivals, parades and parties. Follow Rich and Antony on their rollicking tour of the most ridiculous, outlandish and irresistible American celebrations including The National Hobo Convention in Britt, Iowa; The World Cardboard Boat Regatta in Heber Springs, Arkansas; The Oklahoma State Penitentiary's Sixty-seventh Annual Rodeo in McAlester; The World's Longest Yard Sale stretching five hundred miles from Covington, Kentucky to Gadsden, Alabama; The World's Largest Machine Gun Shoot in Louisville, Kentucky. Along the way you'll find out what Rich and Antony really think about American coins, PT Cruisers baseball hats, dry counties, red plastic cups, God Bless America and our refusal to use adverbs. **Looking Good** Lynne Luciano, 2002-01-09 Men once dreaded being accused of vanity but now they are spending millions on fitness training, bodybuilding, hair replacement and cosmetic surgery in the relentless pursuit of physical perfection. In this lively examination Luciano explores what this new world reveals about
