Victorian Year-book ,1984 **The Boys from St Francis** Ashley Mallett,2018-09-13 This remarkable true story pays tribute to a band of Aboriginal boys who grew up together in one group home many succeeding spectacularly in later life In 1945 Anglican priest Father Percy Smith brought six boys from their Northern Territory home to an Adelaide beach suburb There they became the first boys of St Francis a place that would house 50 such boys over 11 years Some were sent with the blessing of their mothers to gain an education Others were members of the Stolen Generations In their interviews with Ashley Mallett many of these men recall Father Smith s kindness and care His successors however were often brutal and the boys faced prejudice in a wider world largely built to exclude Indigenous Australians *The Boys from St Francis* is a multi layered tale of triumph against the odds using the early building blocks of education and sporting prowess Many of them went on to become fiercely effective advocates for Aboriginal causes achieving significant progress not just for themselves but for Aboriginal people changing their world for the better Activist Charles Perkins the first Indigenous man to receive a university degree commenced his status as a national icon with the 1965 Freedom Rides John Moriarty the first Indigenous man picked for the national soccer team designed the famous Dreaming images for five Qantas planes Harold Thomas

created the iconic Aboriginal flag Vince Copley played football for the Port Adelaide Magpies George Kruger worked with Fred Hollows in remote Indigenous communities for nearly 20 years The Boys from St Francis is a sometimes shocking but ultimately hopeful book about black and white Australia told through one constellation of lives sharing one seaside address

First Tests Steve Cannane, 2011-01-17 Some of Australia's best known cricketers relive their childhood summers of playing cricket in their backyards Australia has dominated test cricket over the last 130 years But it's not the formal cricket academies or high end coaching that are responsible for the Australian cricket team's winning ways the backyard has been the real academy of Australian cricket Don Bradman's unique grip stance and backlift all evolved in response to the pace at which the golf ball rebounded off the tank stand in his backyard games Greg Chappell's trademark flick off the hip shot was invented on his backyard wicket where the best scoring opportunities lay on the leg side Alan Davidson bowled accurately because he had to If he missed the stumps on his home made pitch he had to chase the ball down the hill into the scrub Doug Walters played spin with ease because his ant bed backyard pitch spun like a top Neil Harvey's immaculate footwork came from playing balls that darted viciously off the cobblestones in his back lane this collection of cricketers and the stories of the backyards that made them gets to the heart and soul of their game Facing up to hostile brothers on dodgy pitches created a love of competition and developed the skills and the toughness that took them to the top in test cricket **Australian**
