Their stories reflect the changing role of women in Australia from early settlement days to the present. These deceased women came from all walks of life to make a mark on Mackay and surrounding districts. Some women were less fortunate than others in their life experiences when either health issues, misfortune or even violence ended their lives. **The Best Australian Stories 2012** Sonya Hartnett, 2012 The Best Australian Stories 2012 is the country's premier annual collection of short fiction. This year sees Sonya Hartnett select thirty two remarkable stories that roam widely in subject and style but share a delicate complexity and a vibrant cleverness. A travelling scout for a modern day freak show meets a girl with a strange and wonderful gift. A winning lottery ticket tests the bonds of three mismatched siblings. A beast of burden offers an alternative account of Australian settlement. There is dark humor, stealthy and unsettling, and moments of terror, whimsy, romance and surprise. What unites them is a steadfast commitment to the storyteller's art, the art of making the reader want to turn the page. *Australian Women's Justice* Deborah Jordan, 2023-12-18 This book explores how women spearheaded the democratic suffrage campaign in colonial Queensland, engaging with international debates on women's activism, leadership, advocacy, print culture and social movements. *Australian Women's Justice* provides a nuanced reading of the diversity and differences of the women's movement in Queensland from the time of first white colonisation, federation to World War 1, by new research on key women's organisations, notably the Women's Equal Franchise Association and the Women's Peace Army. Framed through the lives of women suffrage participants, including their encounters with First Nations women, it also looks beyond microhistory to explore broader themes of the intersection of race, gender, property, war and empire in the colonial context. Campaigns for enfranchisement and property rights and against conscription connect this story with larger international movements for women and labour and organisations such as the League of Nations. This book will be of interest to students and researchers of Australian feminism and suffragism as well as historians of feminist labour and peace movements both in Australia and internationally. *Great Australian Women in Music* Nicolas Brasch, 1997 **The Best Australian Essays 2009** Robyn Davidson, 2009-11-06 This year's Best Australian Essays ranges far and wide. There are portraits of Michael Jackson, Samuel Beckett, the kookaburra, Julia Gillard and Charles Darwin. There are dazzling pieces on commerce and cricket, extinction and translation, perfume and politics. There are journeys through landscapes scorched and

recovering and reflections on turning points both public and deeply personal For Robyn Davidson the best essays put oneself and the world to the test Here is a collection of pieces that do just that and also entertain inspire and provoke **The Official Index to The Times** ,1915 **Guide to Reference in Genealogy and Biography** Mary K. Mannix,Fred Burchsted,2015-01-14 Profiling more than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography **Pozieres** Christopher Wray,2015-01-15 Christopher Wray explores the impact the battle of Pozieres has had on Australia and how it is remembered today **Australian National Bibliography: 1992** National Library of Australia,1988 *Great Australian Scandals and Dust-ups* Eamon Evans,2016-11-01 CANNIBALS COKEHEADS CROSS DRESSERS CHEATS Anyone who says there s no such thing as bad publicity has clearly never been an NRL player caught drinking his own urine They ve never been a politician found in bed with a prostitute or a media mogul caught up in a street fight From turkey slaps and Twitter wars to less than subtle toilet trysts Australia has given us some great scandals over the years and a few good dust ups as well Great Australian Scandals Dust Ups Brings together the best boldest and bawdiest stories to ever hit the headlines You ll never look at fame the same way again
