**Seventies British Cinema** Robert Shail, 2019-07-25 Seventies British Cinema provides a comprehensive re evaluation of British film in the 1970s The decade has long been written off in critical discussions as a doldrums period in British cinema perhaps because the industry facing near economic collapse turned to unacceptable low culture genres such as sexploitation comedies or extreme horror The contributors to this new collection argue that 1970s cinema is ripe for reappraisal giving serious critical attention to populist genre films they also consider the development of a British art cinema in the work of Derek Jarman and Peter Greenaway and the beginnings of an independent sector fostered by the BFI Production Board and producers like Don Boyd A host of highly individual directors managed to produce interesting and cinematically innovative work against the odds from Nicolas Roeg to Ken Russell to Mike Hodges As well as providing a historical and cinematic context for understanding Seventies cinema the volume also features chapters addressing Hammer horror the Carry On films Bond films of the Roger Moore period Jubilee and other films that responded to Punk rock heritage cinema and case studies of key seventies films such as The Wicker Man and Straw Dogs In all the book provides the final missing piece in the rediscovery of British cinema s complex and protean history Contributors Ruth Barton James Chapman Ian Conrich Wheeler Winston Dixon Christophe Dupin Steve Gerrard Sheldon Hall I Q Hunter James Leggott Claire Monk Paul Newland Dan North Robert Shail Justin Smith and Sarah Street

**Quota Quickies** Steve Chibnall, 2019-07-25 This book the first of two volumes will provide a major new history of the British B film tracing the development of the low budget supporting feature from the 1927 Films Act which introduced a quota system for the distribution and exhibition of indigenous product to the age of television when B film producers channelled their energies into making TV programmes Along the way the authors will address leading producers and studios B film stars distributors the genres and themes that tended to dominate B film production comedy horror crime and fantasy Quota Quickies will include a case study of the B films of Michael Powell The authors argument is that the B film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers and that the films themselves provided an outlet for the exploration of peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re evaluation

**British Popular Films 1929-1939** Stephen Shafer, 2003-09-02 Shafer s study challenges the conventional historical assumption that British feature films during the Thirties were mostly oriented to the middle class Instead he makes the critical distinction between films intended for West End and international circulation and those intended primarily for domestic working class audiences Far from being alienated by a middle class institution working men and women flocked to see pictures featuring such music hall luminaries as Gracie Fields and George Formby

**David Lean** Stephen M. Silverman, 2019-01-15 Here is the story of Sir David Lean one of the greatest moviemakers of all time director of such epics as *Lawrence of Arabia* *Doctor Zhivago* *The Bridge on the River Kwai* and *A Passage to India* Stephen M Silverman spent the better part of a year meeting with Lean to secure firsthand information for this book An intensely private man Lean opened up to Silverman and shared with him the story of his life from his Quaker upbringing through his decade as Britain s star film editor to his work as a director earning him through his intelligent literate films a reputation for perfection Lean s movies which collected an unprecedented twenty seven Academy Awards are noted for their stunning pictorial content as well as their strong narrative flow and many of Lean s colleagues have shared their personal recollections with the author who has added a new afterword to the book The memories and anecdotes from such film notables as Alec Guinness Katharine Hepburn Julie Christie Maurice Jarre John Mills Omar Sharif Judy Davis and Sarah Miles serve to further enliven this already vivid biographical and critical study Katharine Hepburn starred in *Summertime* Lean s

first film to be shot entirely on location Her Introduction discusses Sir David as both an incomparable director and a great friend Rolling Stone Stephen M Silverman has guided the famously reclusive Lean into lively witty and informative recollections of his life and work on such hits as The Bridge on the River Kwai Doctor Zhivago Brief Encounter and A Passage to India as well as Lawrence of Arabia Here s that rare book on movies that can really be called indispensable Los Angeles Times Perhaps most surprising to his friends Lean allowed himself to be interviewed at length by critic Stephen Silverman David Lean is interesting not least for the candor with which Lean admitted that the reviews of Ryan s Daughter devastated him and almost paralyzed him creatively The Boston Globe Bright chatty cant free Without lapsing into critspeak Silverman adroitly lays out the evidence for what s shaping up as an emergent reassessment of Lean s output and provides flavorful eyewitness testimony pro and con Chicago Tribune It s fitting that the most exquisitely crafted book on film should deal with one of the motion pictures supreme craftsmen David Lean Lean himself contributes many insights and anecdotes and there are fascinating behind the camera tales of both his meticulous technique and his messy battles with producers and stars Financial Times This portrait of the film director as old lion is well researched and highly readable We goggle at the account of Lean s Quaker upbringing and his parents horror of the cinema They wanted him to become an accountant We follow Lean s early creative romances with No l Coward four films and Charles Dickens two And we listen to Lean and Katharine Hepburn quarreling via Silverman over who was responsible for her ill fated jump into the Venice canal in Summertime Variety As lavish as Lean s best films Stephen M Silverman s David Lean is an important addition to the collective library of film books
