

# Crime, Refugees and Politics In Sweden

*An Econometric Analysis* \*

Yousef Kaddoura <sup>†</sup>

July 14, 2019

## Abstract

The aftermath of the recent refugee crisis in Europe has been debated to a great extent across the globe. Yet, little statistical analysis has been done to uncover the impacts of refugee inflows on crime and voting behavior. In this paper, two topics on the effects of the refugee crisis are investigated. We ask: How did the recent increase of refugee inflows affect crime rates and voting behavior in Sweden? The results suggest that the sudden surge of refugees in Sweden caused an increase in crime rates and swayed the voting behavior in favor of Sweden Democrats.

*keywords:* Swedish politics, immigration, crime, panel data

---

\*This paper is meant as a thesis in fulfillment of the requirements for the degree of Master of Science in Economics at Lund University. Big thanks go to my supervisor and co-supervisor, *Adrian Mchic* and *Joskim Westerlund* Respectively.

**OECD**

## **Econometric Analysis Of Crime In Sweden:**

**Econometric Analysis of Crime in Sweden** Perry Shapiro, 1986      **World Criminal Justice Systems** Richard J. Terrill, 2010-04-07 This comparative text provides an understanding of major foreign criminal justice systems by discussing and comparing the systems of six of the world's more industrialized countries: England, France, Sweden, Russia, China, and Japan, each representative of a different type of legal system, as well as a chapter on Islamic law that uses Saudi Arabia, Iran, and Turkey as main examples. Political, historical, organizational, procedural, and critical issues confronting the justice systems are explained and analyzed. Each chapter contains material on government, police, judiciary, law, corrections, juvenile justice, and other critical issues. Each chapter introduces a country and then covers concepts to know: government, police, judiciary, law, corrections, and juvenile justice.

**Thugs and Thieves** Joanne Savage, Kevin H. Wozniak, 2016 Thugs and Thieves argues that understanding the differential etiology of violence constitutes a fundamental chasm in the empirical literature. The authors address the important unanswered question of why some individuals commit violent offenses while others restrict themselves to nonviolent ones.

*The International Crime Drop* A. Tseloni, G. Farrell, 2012-11-14 Drawing on new studies from major European countries and Australia, this exciting collection extends the ongoing debate on falling crime rates from the perspective of criminal opportunity or routine activity theory. It analyses the effect of post WW2 crime booms which triggered a universal improvement in security across the Western world.

**Handbook on Crime and Inequality** Stephen Farrall, Susan McVie, 2025-01-09 In this Handbook, Stephen Farrall and Susan McVie bring together a diverse array of leading experts to examine the relationship between different aspects of crime and inequality. They employ a variety of geographical and individual lenses and use case studies from the Global North and South.

**Social Control of the Drinking Driver** Michael D. Laurence, John R. Snortum, Franklin E. Zimring, 1988-02-29 Social Control of the Drinking Driver lays the groundwork for a much needed integration of methods, principles, and priorities. Law, criminology, biology, psychology, sociology, economics, public policy, the disciplines concerned with the problem of drinking and driving are many and varied, and research crosses national boundaries as well. Drawing on fourteen specialists and surveying the situations in nine countries, this book presents a comprehensive statement of current knowledge about drunken driving and its control.

**Economic studies (Göteborg, Sweden)**, 2001      *Combating Organised Crime* Council of Europe. Octopus Programme, 2004-01-01 This publication contains a number of best practice studies on effective measures to combat organised crime, corruption, and money laundering which have been prepared by the Council of Europe between 1998 and 2003. Topics covered include witness protection, reversing the burden of proof in confiscating the proceeds of crime, interception of communication, and intrusive surveillance, crime analysis, cross border co-operation, provisions on membership in criminal organisations, co-operation against trafficking in human beings, and preventive legal measures against organised crime. The term Octopus is the name of a technical co-operation programme against corruption and organised crime initiated

by the Council of Europe in 1996      *Sweden Country Study Guide Volume 1 Strategic Information and Developments* IBP, Inc., 2013-08 *Sweden Country Study Guide Strategic Information and Developments*      *The Routledge Handbook on Crime and International Migration* Sharon Pickering, Julie Ham, 2017-07-14

The Routledge Handbook on Crime and International Migration is concerned with the various relationships between migration crime and victimization that have informed a wide criminological scholarship often driven by some of the original lines of inquiry of the Chicago School. Historically migration and crime came to be the device by which Criminology and cognate fields sought to tackle issues of race and ethnicity often in highly problematic ways. However in the contemporary period this body of scholarship is inspiring scholars to produce significant evidence that speaks to some of the biggest public policy questions and debunks many dominant mythologies around the criminality of migrants. The Routledge Handbook on Crime and International Migration is also concerned with the theoretical, empirical and policy knots found in the relationship between regular and irregular migration, offending and victimization, the processes and impact of criminalization and the changing role of criminal justice systems in the regulation and enforcement of international mobility and borders. The Handbook is focused on the migratory fault lines between the Global North and Global South which have produced new or accelerated sites of state control, constructed irregular migration as a crime and security problem and mobilized ideological and coercive powers usually reserved for criminal or military threats. Offering a strong international focus and comprehensive coverage of a wide range of border, criminal justice and migration related issues, this book is an important contribution to criminology and migration studies and will be essential reading for academics, students and practitioners interested in this field.

**The Routledge Handbook of White-Collar and Corporate Crime in Europe** Judith van Erp, Wim Huisman, Gudrun Vande Walle, 2015-04-10

The study of white collar crime remains a central concern for criminologists around the world and research concentrates on its nature, prevalence, causes and responses. However most books on white collar crime tend to focus on Anglo American examples which is surprising given the amount of rich data and research taking place in mainland Europe. This new handbook seeks to reset the balance and for the first time presents an overview of state of the art research on white collar crime in Europe. Adding to the existing Anglo American body of knowledge, the Handbook will discuss specific European topics and typical European features of white collar crime. The Routledge Handbook of White Collar and Corporate Crime in Europe consists of more than thirty chapters on topics ranging from the Icelandic Banking Crisis to the origins of the study of white collar crime to contemporary topics such as white collar crime in countries post transition from communist regimes, the illegal e waste trade and white collar crime in professional football. Furthermore the book contains extensive case study analyses of landmark European cases of white collar crime. The editors have gathered together the leading voices in the field and a final section offers commentaries on white collar crime in Europe from eminent criminologists David Friedrichs and Hazel Croall. This Handbook will thus serve as a work of reference for all scholars and students engaged in the study of corporate and white

collar crime and will also set out directions for new research in the future

**The Routledge Handbook of European Criminology** Sophie Body-Gendrot, Mike Hough, Klara Kerezszi, René Lévy, Sonja Snacken, 2013-08-15 This new book brings together some of the leading criminologists across Europe to showcase the best of European criminology This Handbook aims to reflect the range and depth of current work in Europe and to counterbalance the impact of the sometimes insular and ethnocentric Anglo American criminological tradition The end product is a collection of twenty eight chapters illustrating a truly comparative and interdisciplinary European criminology The editors have assembled a cast of leading voices to reflect on differences and commonalities elaborate on theoretically grounded comparisons and reflect on emerging themes in criminology in Europe After the editors introduction the book is organised in three parts five chapters offering historical theoretical and policy oriented overviews of European issues in crime and crime control seven chapters looking at different dimensions of crime in Europe including crime trends state crime gender and crime and urban safety fifteen chapters examining the variety of institutional responses exploring issues such as policing juvenile justice punishment green crime and the role of the victim This book gives some indication of the richness and scope of the emerging comparative European criminology and will be required reading for anyone who wants to understand trends in crime and its control across Europe It will also be a valuable teaching resource especially at postgraduate level as well as an important reference point for researchers and scholars of criminology across Europe

*OECD Economic Surveys: Sweden 2023* OECD, 2023-06-14 After a relatively strong performance during and after the pandemic Sweden s economy is contracting High inflation has eroded real wages and tighter monetary policy has increased borrowing costs and led to a housing price correction

**Handbook of Labor Economics**, 2024-12-05 Volumes 5 and 6 of the Handbook of Labor Economics will systematically review the research topics empirical findings and methods that constitute frontier research in the field The focus will be on the most important research advances that have taken place since the publication of the previous Handbook Volume 4 almost 15 years ago How do factors such as trade technology skills immigration crime unions race and gender affect wages and employment in modern labor markets What is the labor market impact of policy interventions such as minimum wages employment and training policies and family policies Recent methodological advances in empirical methods and models of the labor market in the presence of imperfect competition

**Economic Globalization and the Citizens' Welfare State** Hiroto Tsukada, 2017-10-05 This title was first published in 2001 Examining the future of the welfare state in four globalizing economies Sweden UK Japan and US this book presents a detailed analysis of the ways in which social and economic aspects of these welfare states have altered under growing market first ideology and economic globalization The book will be essential reading for all those interested in the present and future of the welfare state both through its theoretical perspectives and because of the thorough attention paid to the health of society today

**The Oxford Handbook of Environmental Criminology** Gerben Bruinsma, Shane D. Johnson, 2018 The study of how the environment local geography

and physical locations influence crime has a long history that stretches across many research traditions These include the neighborhood effects approach developed in the 1920s the criminology of place and a newer approach that attends to the perception of crime in communities Aided by new technologies and improved data reporting in recent decades research in environmental criminology has developed rapidly within each of these approaches Yet research in the subfield remains fragmented and competing theories are rarely examined together The Oxford Handbook of Environmental Criminology takes a unique approach and synthesizes the contributions of existing methods to better integrate the subfield as a whole Gerben J N Bruinsma and Shane D Johnson have assembled a cast of top scholars to provide an in depth source for understanding how and why physical setting can influence the emergence of crime affect the environment and impact individual or group behavior The contributors address how changes in the environment global connectivity and technology provide more criminal opportunities and new ways of committing old crimes They also explore how crimes committed in countries with distinct cultural practices like China and West Africa might lead to different spatial patterns of crime This is a state of the art compendium on environmental criminology that reflects the diverse research and theory developed across the western world

**Challenging the Myth of Gender Equality in Sweden** Griffin, Gabriele, Martinsson, Lena, Katarina Giritli

Nygren, 2017-09 Sweden has the reputation of being one of the most gender equal countries in the world and it is often held up as a model for other societies but the reality is much more complicated as this volume shows The first book to provide a thorough analysis of the myth of Swedish gender equality it demonstrates how that dominant idea has become a form of heteronormative racially specific nationalism that ultimately excludes those who fall outside the social norm Economics in Sweden Lars Engwall, 2006-08-21 Economics in Sweden contains the results of one of the most comprehensive attempts to evaluate research in economics ever undertaken A team of Swedish and international researchers including Avinash K Dixit Seppo Honkapohja and Robert M Slow examined the structure of economics in Sweden and its results They identified postgraduate education as a key area and their findings will be of particular relevance at a time when many countries are restructuring their graduate education programme *OECD Economic Surveys: Sweden 2017* OECD, 2017-02-08 This 2017 OECD Economic Survey of Sweden examines recent economic developments policies and prospects The special chapters cover income inequality and gender inequality *Interagency Coordination in Economic Crime Investigations in Latvia* OECD, 2022-12-08 Economic and financial crimes are growing in numbers complexity and reach making them increasingly difficult to investigate and successfully prosecute This report details efforts in Latvia to strengthen its criminal justice system against financial and economic crimes

As recognized, adventure as with ease as experience more or less lesson, amusement, as skillfully as deal can be gotten by just checking out a book **Econometric Analysis Of Crime In Sweden** next it is not directly done, you could tolerate even more around this life, something like the world.

We present you this proper as skillfully as simple pretentiousness to get those all. We give Econometric Analysis Of Crime In Sweden and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this Econometric Analysis Of Crime In Sweden that can be your partner.

### **Econometric Analysis Of Crime In Sweden Introduction**

Econometric Analysis Of Crime In Sweden Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Econometric Analysis Of Crime In Sweden Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Econometric Analysis Of Crime In Sweden : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Econometric Analysis Of Crime In Sweden : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Econometric Analysis Of Crime In Sweden Offers a diverse range of free eBooks across various genres. Econometric Analysis Of Crime In Sweden Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Econometric Analysis Of Crime In Sweden Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Econometric Analysis Of Crime In Sweden, especially related to Econometric Analysis Of Crime In Sweden, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Econometric Analysis Of Crime In Sweden, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Econometric Analysis Of Crime In Sweden books or magazines might include. Look for these in online stores or libraries. Remember that while Econometric Analysis Of Crime In Sweden, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Econometric Analysis Of Crime In Sweden eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Econometric Analysis Of Crime In Sweden full book , it can give you a taste of the authors writing

style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Econometric Analysis Of Crime In Sweden eBooks, including some popular titles.

### **FAQs About Econometric Analysis Of Crime In Sweden Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Econometric Analysis Of Crime In Sweden is one of the best book in our library for free trial. We provide copy of Econometric Analysis Of Crime In Sweden in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Econometric Analysis Of Crime In Sweden. Where to download Econometric Analysis Of Crime In Sweden online for free? Are you looking for Econometric Analysis Of Crime In Sweden PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Econometric Analysis Of Crime In Sweden. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Econometric Analysis Of Crime In Sweden are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Econometric Analysis Of Crime In Sweden. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without

any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Econometric Analysis Of Crime In Sweden To get started finding Econometric Analysis Of Crime In Sweden, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Econometric Analysis Of Crime In Sweden So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Econometric Analysis Of Crime In Sweden. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Econometric Analysis Of Crime In Sweden, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Econometric Analysis Of Crime In Sweden is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Econometric Analysis Of Crime In Sweden is universally compatible with any devices to read.
