**Imagining Iran** Majid Sharifi, 2013-08-22 Thematically this book problematizes Iranian official nationalism It reviews how every modern Iranian regime since the constitutional revolution of the 1905 06 has failed to legitimize its official identity resulting in the fall of five different regimes The book details how the collapse of each regime resulted in the interruption of the official meaning of being Iranian as well as the meanings of its enemies What remained the same was how every Iranian regime represented itself as the agent of a particular national desire defined in terms of making Iran to become sovereign developed democratic and constitutional Nonetheless no regime was able to convince a great majority of the people that it achieved what it represented This book makes three specific contributions The first contribution is pedagogical By focusing on the dynamics of regime changes it provides a heuristic model for identifying challenges that all Iranian regimes have faced Moreover the book is a comprehensive review of the disruptive oppressive and bloody nature of the rise and fall of different regimes The second contribution is theoretical Rather than examining the behavior of various Iranian regimes in isolation from their international context the book examines how each regime got to understand itself in relations to its imperial others By examining the governmental rationality of each regime the book offers a better theoretical framework for understanding political development not only in Iran but also in all other Middle Eastern and South Asian states Finally the third contribution of this book is its critical approach to the main body of the literature on Iran modernity development democracy and constitutionalism

*Iran's Political Economy since the Revolution* Suzanne Maloney, 2015-08-13 Over three decades after the Iranian Revolution reconfigured the strategic landscape in the Middle East scholars are still trying to decipher its aftereffects Suzanne Maloney provides the first comprehensive overview of Iran's political economy since the 1979 revolution and offers detailed examinations of two aspects of the Iranian economy of direct interest to scholars and non specialist readers of Iran the energy sector and the role of sanctions Based on the author's research as both a scholar and government advisor the book also features interviews with American and Iranian government officials Moving chronologically from the early years under Khomeini through the economic deprivations of the 1980s during the Iran Iraq war through liberalization under Khatami to the present Maloney offers fascinating insights into Iran's domestic politics and how economic policies have affected ideology leadership priorities and foreign relations

The New Great Power Coalition Richard N. Rosecrance, 2001 The Great Power coalition of the early 19th century succeeded in keeping the

peace among the major states of England France Prussia Russia and Austria For the last century and a half however no truly encompassing coalition has emerged and in its absence the 20th century was plagued by world wars and peripheral conflicts Only now at the outset of the 21st century is a new Great Power coalition possible This book examines the prospect of a Great Power coalition that would be sustained by the development of overlapping international clubs The new set of Great Powers the United States Japan the European Union China and Russia can be increasingly bound together through a combination of status and economic incentives international norms and regimes and the emulation of national and regional best practices The construction of such a coalition presents special problems and opportunities for the United States In the years ahead America will need to adjust its policies to bring China and Russia into membership of such a group or see them progressively adopt recalcitrant and antagonistic attitudes toward world affairs *Understanding Revolution* Kavous Ardalan,2020-06-15 This book applies a multiparadigmatic philosophical frame of analysis to the topic of social revolution Crossing two disciplines and lines of literature social philosophy and social revolution this book considers different aspects of social revolution and discusses each aspect from four diverse paradigmatic viewpoints functionalist interpretive radical humanist and radical structuralist The four paradigms are founded upon different assumptions about the nature of social science and the nature of society Each paradigm generates theories concepts and analytical tools that are different from those of other paradigms An understanding of different paradigms leads to a more balanced understanding of the multifaceted nature of the subject matter In this book the first chapter reviews the four paradigms Using the Iranian Revolution as exemplar the next few chapters provide paradigmatic explanations for a particular aspect of revolution culture religion ideology With this background the book introduces a comprehensive approach to the understanding of revolution The final chapter concludes by recommending further paradigmatic diversity This book will be of particular interest to students and researchers interested in social revolution political sociology and political theory **The Political Environment Of Economic Planning In Iran, 1971-1983** Hossein Razavi,Firouz Vakil,2019-07-09 The Political Environment of Economic Planning in Iran 1971 1983 From Monarchy to Islamic Republic Hossein Razavi and Firouz Vakil Based on both research and first hand experience this book provides a politico economic analysis of the operation of Iran s economy before and after the revolution of February 1979 The authors discuss the function and effectiveness of economic planning during the shah s tenure and relate the shortcomings of plan preparation and implementation to the explosive psycho economic instability of the regime They then discuss the institutional problems that the revolutionary regime has been facing in operating the economy and foresee the possible consequences of its failure to appropriately deal with these problems Finally analyzing the economic postures of important opposition groups the authors outline future prospects for economic planning in Iran A Multi-Paradigmatic Approach to Understanding History Kavous Ardalan,2022-12-08 This book explores the field of history through a multi paradigmatic approach For this purpose it begins with a discussion of four most diverse worldviews or

paradigms namely functionalist interpretive radical humanist and radical structuralist before moving on to consider four aspects of the field of history historiography grand narrative progress and time from the viewpoints of the four most diverse worldviews or paradigms Next the book looks at three historical events the French Revolution the American Civil War and the Iranian Revolution from the viewpoints of the four most diverse worldviews or paradigms It concludes by recommending paradigm diversity as an understanding of different paradigms leads to a more comprehensive and a more balanced understanding of the multi faceted nature of the subject matter

*The Balance of Payments Adjustment Process in Developing Countries* Sidney Dell,Roger Lawrence,2013-09-11 The Balance of Payments Adjustment Process in Developing Countries deals with the manner in which the burden of adjustment to balance of payments disequilibrium in the 1970s was distributed between developed and developing countries The book discusses the evidence on changes in the volume of trade the evidence on price changes and their effects on the accounts of various groups of countries and the general considerations regarding the character of the deficits of developing countries The text also describes the mechanisms through which external disturbances are transmitted to the domestic economy as well as certain questions relating to the financing of the deficits of developing countries The changes in the world economy the ways in which changes in the world economy affected the external accounts of the countries and the effects of changes in the external accounts on developments in the domestic economy are also considered The book further tackles the policy measures adopted to counter the deterioration in external balance and in growth performance and prospects as well as the main issues that arise in the course of the adjustment process at both national and international levels
