attempted to erase Indigenous peoples. Featuring many figures pulled from history as well as new individuals created for this story, Volume Two explores the legacy of colonial violence in the children's work camps called residential schools by some of the Sixties Scoop and the urban disconnection of contemporary life. Ultimately, it is a story of resilience and reconnection and charts the beginnings of an Indigenous future that is deeply rooted in an experience of Indigenous history, a perspective Miss Chief, a millennia-old legendary being, can offer like no other. Blending history, fiction, and memoir in bold new ways, *The Memoirs of Miss Chief Eagle Testickle* are unlike anything published before. And in their power to reshape our shared understanding, they promise to change the way we see everything that lies ahead.

My Grandfather's Altar Richard Moves Camp, 2024. Richard Moves Camp's *My Grandfather's Altar* is an oral literary narrative account of five generations of Lakota religious tradition. Moves Camp is the great-great-grandson of Wapitu, a *Chips* the holy man remembered for providing Crazy Horse with war medicines of power and protection. The Lakota remember the descendants of Wapitu for their roles in preserving Lakota ceremonial traditions during the official prohibition period 1883-1934, when the U.S. Indian Religious Crimes Code outlawed Indian religious ceremonies with the threat of imprisonment. Wapitu and his two sons, James Moves Camp and Charles Horn Chips, his grandson Sam Moves Camp, and his great-great-grandson Richard Moves Camp, all became well-respected Lakota spiritual leaders. *My Grandfather's Altar* offers the rare opportunity to learn firsthand how one family's descendants played a pivotal role in revitalizing Lakota religion in the twentieth century.

A Woman Soldier's Own Story Bingying Xie, 2001-09-18. For the first time, a complete version of the autobiography of Xie Bingying, 1906-2000, provides a fascinating portrayal of a woman fighting to free herself from the constraints of ancient Chinese tradition amid the dramatic changes that shook China during the 1920s, 30s, and 40s. Xie's attempts to become educated, her struggles to escape from an arranged marriage, and her success in tricking her way into military school reveal her persevering and unconventional character and hint at the prominence she was later to attain as an important figure in China's political culture. Though she was tortured and imprisoned, she remained committed to her convictions. Her personal struggle to define herself within the larger context of political change in China early in the last century is a poignant testament of determination and a striking story of one woman's journey from Old China into the new world.
