Into the Twilight, Endlessly Grousing Patrick F. McManus,2010-05-11 Like Twain or more contemporary humorists Dave Barry and Garrison Keillor Patrick McManus shares the belief that life s eternal verities exist primarily to be overturned In McManus s world all steaks should be chicken fried strong coffee is drunk by the light of a campfire and fishing trips consist of men acting like boys and boys behaving like the small animals we ve always assumed they were In this the tenth hilarious collection of his adventures wry observations and curmudgeonly calls for bigger and bigger fish stories McManus takes on everything from an Idaho crime wave to his friend Dolph s atomic powered huckleberry picker to the uncertain joys of standing waist deep in icy water watching the fish go by      *Great Grandma's Shawl* Diana Levine,2007-10-23 In a brilliant juxtaposition of prose GREAT GRANDMAS SHAWL tells of the many experiences the author has had over the years from the time she was a young teacher until she became a grandmother While all the stories are based on true experiences and real people the stories themselves are fiction No real names have been used Love friendship family and youth are the subjects covered in GREAT GRANDMAS SHAWL Although the stories are about children adults will enjoy them as well      Grandma's Snowy Mountain Adventures Veda Taylor Strong,2007-03-27 A panic had taken over the country and left everyone in a national financial depression Money was very short and people were not spending as they had been The opportunists had packed up and left the Tacoma area and the population fell as thousands of people left to find work elsewhere John was very sick and worried about what would happen to Jane and the kids After much thinking and worrying he contacted his brother in Montana a wealthy sheep rancher and his mother and sister He had many acres for the kids to grow and roam on After the exchange of letters Ed was happy to take Jane and the family under his wing and help her out as much as he could With this done John made all necessary plans      *Lake Letters* ,      **Cherished Family Stories for Our Cherished Children** Mary Jane Bolin,2022-08-10 Inspired by her mother s numerous tales of growing up in Nebraska during the Depression and as her life as a young bride and as a nurse Mary Jane began compiling these anecdotes years ago when she began to realize their significance to her family s history With the birth of nieces and nephews and the death of her beloved mother came the realization that life does not last forever and the imperative to preserve these family treasures became even greater With generous and enthusiastic contributions of photos facts details and insights family members enhanced these stories and

provided depth and luster to this glimpse into an American family descended from immigrants Although it is typical in many ways this family is unique as perhaps all families are unique and the author s gratitude to her parents her sister and each of her relatives is boundless      **Field & Stream** ,1969-06 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations      The Pennsylvania Sportsman ,1989
