## **Grandma Goes To Law School:**

*Grandma Goes to Law School* Jeremy Goldstein, Jeanette L. Goldstein, 2004 *Grandma goes to Law School* is a motivating and inspiring guide for those who want to take control of their lives and pursue their dreams. Here is a very readable charming guidebook that will show you how to live your dreams and enjoy every moment of life with a smile on your face. This book includes a dozen stories of ordinary people who achieved their lifelong goals later in life. For example, there is Jeanette Goldstein who at the young age of 83 graduated from Syracuse Law School and earned a spot in the Guinness Book of World Records. So what is your dream? To earn a degree? Come out of retirement? Change careers? Run a Marathon? Start your own company? Begin a career for the first time? Find the Fountain of Youth? Why Not? Whatever your dream is, this book will inspire you to put your dreams into action and achieve an abundance of anything you desire. It is never too late. **Grandma Ruth**

**Doesn't Go to Funerals** Sharon J. Mondragón, 2025-02-11 In a small town where gossip flows like sweet tea, bedridden Mary Ruth McCready reigns supreme, doling out wisdom and meddling in everyone's business with a fervor that would make a matchmaker blush. When her best friend Charlotte Harrington has her world rocked by a scandalous revelation from her dying husband, P. B. Mary Ruth kicks into high gear, commandeering the help of her favorite granddaughter, Sarah Elizabeth, in tracking down the truth. Finding clues in funeral condolence cards and decades-old gossip dredged up at the Blue Moon Beauty Emporium, the two stir up trouble faster than you can say pecan pie. And just when things are starting to look up in waltzes, Camilla Millie Holtgrew a blast from P. B.'s past with a grown son and an outrageous claim to Charlotte's inheritance. But as Grandma Ruth always says, when things get tough, God is too big. With him, nothing is impossible, even bringing long-held secrets to light. Grandma Ruth and Sarah just might have to ruffle a whole mess of feathers to do it. [Mi Esposa](#) Jessie Juan Glenn, 2014-05-22 *Mi Esposa* will take you on a heart-pounding journey through the life of Jamie Rico Emerson while taking you on an emotional tour of love in its truest and rawest form. You will see how true love can't be stopped or limited by any boundary, no matter what the price that one may have to pay to protect a loved one while displaying the deepest depths of betrayal and deception by the one you least expect. Jamie, a young American child who had never identified with his family, was stripped of a childhood by America's drug epidemic, leaving him angry and driven to prove himself. Jamie saw firsthand what people were capable of. After being compelled to become someone he wasn't, he learned who he was and lived the life he wanted. Jamie ran from what he became but was forced to return to the person he thought no longer existed to protect the wife who meant everything to him. However, Jamie didn't know if his wife truly needed him or was part of the deception that turned him back into the person he thought no longer existed. Jamie's lesson in life was he had to learn that no matter how hard he tried to protect his loved ones, the decisions he made to protect them are what pushed them away and forced him to make the ultimate decision to follow the Word of God or to follow his heart and protect those whom he loved the most.

**When Grandma Looked at the Moon** Mary Katherine Y. H. Hom-Smith, 2025-03-18 A personal and poignant account of

Mary Katherine Hom Smith's relationship with her grandmother during the end stages of life. When Grandma Looked at the Moon traces through its narrative the process of grief and healing for a close knit family of faith and the friends who came alongside them. Woven throughout this season are the travels and unusual circumstances of the author who found herself on her own internal journey of exploring aspects of Christian practice particularly in the area of healing and the crystallization of her own values through the challenges and opportunities of life. As the moon, sun and stars appear frequently inspiring their viewers and reminding the family of both their Creator and each other. Hom Smith's grasp of how God may surprise and grace even difficult times grows as well.

**Catywampus** Dan Ryan, 2010-10. Catywampus is a continuation of the story begun in Admiral's Son General's Daughter and is a parallel to Jigsaw. This book describes in vivid detail what may have occurred in the United States Military between 1896 and 1906 during the McKinley and Roosevelt Presidential administrations. The narration is by the grandson of a career naval officer born in Beaufort, South Carolina. He will serve as a cadet in Annapolis and as a member of the elite submarine commanders in the United States Navy. The historical events of 1896 through 1906 are carefully followed. The imagination of the author provides rich characters in powerful settings from the torpedo proving grounds in Newport, Rhode Island to the jungles of Central America when he joins his brother on a navy manhunt of killers. The love story between a man and a woman is woven throughout the book when the grandson graduates from the naval academy and marries his childhood sweetheart. He is unaware that his father and his Uncle Theodore Roosevelt have decided to tap his knowledge of modern submarines and his photographic memory to become one of this country's most successful counter intelligence officers. Scenes are set carefully with attention to accurate research of the low country of South Carolina as well as our Nation's Capital circa 1896-1906. The second edition of People's Standard History of the United States written by Edward S. Ellis and published in 1906 by Western Book Syndicate and copyrighted by the Woolfall Company have provided background materials, maps of the period and needed information on how the federal government was organized and functioned during this period of history.

**Robo Sapiens** Laura Lonshein Ludwig, 2001-08-10. Laura Ludwig's Robo Sapiens is a collection of her work in poetry, stage plays and screenplays. These works are insightful political, social and philosophical commentary ranging from satirical to straight but are always based on Ms. Ludwig's serious concern for all our futures. Some of these works have been performed on National Educational Radio, WBAI FM, Teachers and Writers Collaborative programming and numerous cable television channels. Robo Sapiens is not only entertaining and enlightening but a warning bell in the night and testimony of Ms. Ludwig's maturity as a striving driven middle-aged artist.

*Thou Shalt Forgive* Sianah Nalika DeShield, Among many things there are two things a Liberian woman can't be. She can't be a single woman at thirty and she definitely can't be a sex addict. Mildred, a successful lawyer and exceptional granddaughter and her sister Susan, a businesswoman and battered girlfriend, are united under the roof of their grandmother Louise where family and love always prosper. Yet in their personal lives Susan and Mildred find themselves

unlucky in love time and again Separately they discover that keeping secrets from one another is a lonely journey which ends in heartache Only when they realize that they must face life s challenges together do they see that they can survive them against the world Susan and Mildred Carter must navigate the struggles of the 21st Century woman in a male dominant society at all costs In a trilogy about growth and personal discovery Susan and Mildred will navigate the winding roads of life side by side contending with great change and learning that they must love trust and forgive no matter what comes their way

**Red Diapers** Judy Kaplan,Linn Shapiro,1998 Red Diapers is the first anthology of autobiographical writings by the children of American communists These memoirs short stories and poems reflect the joys and perils of growing up in a subculture defined by its opposition to some of society s most deeply held values How red diaper babies have come to terms with their political inheritance is the theme of this compelling anthology Some contributors have fond memories of family activism others recall the past with ambivalence or even pain The authors range in age from their twenties to their eighties Some such as Watergate reporter Carl Bernstein and sixties activist Bettina Aptheker are widely known themselves some are the children of well known American leftists including Jeff Lawson son of blacklisted screenwriter John Howard Lawson and Robert Meeropol son of Ethel and Julius Rosenberg In disparate voices the contributors elaborate on how their parents attempted to pass on to them the torch of radical politics

The Reverend Lee Barker went missing nineteen years ago. And the people of Stillwater, Mississippi, believe they know why. They're convinced he was murdered by his stepson, Clay Montgomery. But only Clay and his mother and sisters can say for sure. They were the only ones there that fateful night, the only ones who know what really happened. And they're not talking.

Allie McCormick is a cold case detective from Chicago. After a particularly difficult divorce, she's returned to Stillwater with her six-year-old daughter to find the peace she once knew in her hometown and to work for the local police force while she's starting over. But when Clay's powerful enemies join forces to put him behind bars, Allie feels duty-bound to uncover the truth. Her instincts tell her he didn't murder the Reverend Lee Barker. Maybe Clay's a dark and brooding man with more than his share of secrets, but he was just sixteen at the time. And he's not a cold-blooded killer. At least that's what Allie believes until she finds proof that behind the preacher's pious demeanor lurked the heart of a monster. Then she has to ask herself whether justice has already been done.

Simon vs. the Homo Sapiens Agenda meets *The Night Circus* in this standout debut YA novel about a boy who visits a magic-filled circus in his dreams in order to escape reality, where his trans identity remains a secret. An ideal next read for fans of *Cemetery Boys*. After an incident at his school leaves closeted trans teenager Asher Sullivan needing stitches, his mother betrays him in the worst possible way: she sends him to Catholic school for his senior year. Now he has to contend with hideous plaid skirts, cranky nuns, and bathroom Jesus. Nighttime brings an escape for Asher when he dreams of the Midnight Circus, the one place where he is seen for the boy he truly is. Too bad it exists only in his sleep. At least that's what he believes until the day his annoyingly attractive trapeze rival Apollo walks out of his dreams and into his classroom. On the heels of this realization that the magical circus might be real, Asher also learns that his time there is limited. In his desperation to hang on to the one place he feels at home, Asher sets both worlds on a collision course that could destroy all the relationships he cares about most. Now he must decide how far he'll go to preserve the magical circus, even if it means facing his biggest challenge yet: coming out.
