grandchildren It was easy to slip into the mind set of creativity because of regular meditation I donat mind telling you it was a great place to escape to when the harsh realities of life pressed in around me My husband has since passed on but I have continued writing stories for other family members and friends Maybe this book can be an inspiration to others on what can be achieved when we are at our lowest and most desperate To know we are able to take our positive creative energy and put it in the form of most any artistic endeavor thus bringing out some of our hidden talent Iam hoping this book will be of great encouragement to other people in similar circumstances *Grandma's Fairy Tale Museum* Arlene Avery Burke,Phyllis McAllister Hamilton,2009-07 *\*Grandmother's Fairy Tales\* from Europe*. frequently pausing to wipe her calloused hands on her freshly ironed white apron she talked telling stories of pioneering days tales handed down from the Indians and interesting things that had happened to family members friends and neighbors Every once in awhile she lowered her voice and shared some small secret My children will know their great grandmother because of the stories I will share with them and from the words Grandma carefully wrote in her journal Every evening no matter how trying her day had been she would take a few moments to reflect and describe things from the day that were important to her a laughing child chasing a butterfly across the pasture the lovely fragrance of wildflowers in bloom a field of wheat dancing in an afternoon breeze When Grandma finished the entries she would lay down her pen close her journal blow out the candle flame and say to herself And so ends another glorious day
