Mason,2009-10-01 This is a non fiction true story that I tell about some good and some bad parts of my lifetime experiences You should find the good things to be enjoyable reading and become intrigued by the documented lengthy bad encounter with the court system after I retired What was happening was unbelievable It's about my four year encounter with the California Judicial System over a minor traffic infraction without a lawyer You should be shocked to learn what can and does happen in court The courts applied a double standard that negated the rule of law for equal rights I spent hundreds of dollars fighting for equal justice and the price of the book is well worth it Now the same can happen to anyone at any time thus you can be on the alert by my true story encounters *Painted by Words* LaurieL,2014-03-24 Read a story about a small town girl growing up In the book are memories about her family her beginning how she grew up and met her life long partner Good times bad times happy moments sad moments trials and tribulations are all shared Walk through the journey of a life and share everything that is encountered won and lost This book touches the heart tickles the funny bone and takes you back to a time that should be remembered **The Rule of Law!** Robert L. Mason,2009-04-01 **A Story Within** Esther Grace,2015-04-27 It is in my heart where my truth lies It is in my spirit to change lives It is by the grace of God that I am here today to write this book and to know that even though the beginning has been rough the end will be wonderful It still amazes me how many things we go through in life and each time we hit an obstacle we believe at that moment it is the worst thing we have ever been through or at least it feels that way I don't know how many dramatic events have occurred that I just knew were going to be the end of me But deep within my crazy self was a gift God had given me that just wouldn't let me quit until He said it was over It is also in this journey called Life that I have discovered my trials and tribulations have been a walk in the park in comparison to the struggles many others have endured It is in that discovery that Mercy became a revelation It was through the confusion and pain that favor found its way into my heart It was there that I discovered God will always

Carley,2011-10-28 Richard Carleys earliest memories of Sharon Mountain were of Albert Metz whose philanthropic ideas gave many young people from all over the world their musical start The book describes the building of Fiddlestyx Mr Metzs summer music school complete with stage practice cabins and farm to provide the guests with food His next memories were of Bob Metz Mr Metzs nephew a role model for a young boy growing up on a farm who provided him with a positive attitude comfort care and devotion following a tragic accident Other powerful memories were of his father a former farmer on Sharon Mountain and a First Selectman of the Town of Sharon and of his grandfather a builder carpenter and cabinet maker in Sharon Throughout the book there are stories about things few people know about Who ever heard of a cowpound on Sharon Mountain or knew about the reason for the Town Poor Farm Who knew the town of Sharon had a 3rd District one room school house located on Sharon Mountain Who has ever heard of swimming pools for pigs The author writes about simple things of the time such as the three different types of haymaking that dont exist today about raising calves working with horses for plowing fields bringing milk to the milk stands feeding twenty two cats at once and about raising a bull calf for a short while before realizing it was a heifer calf who went on to become the best milker in the herd Funny things happened in those seventeen years such things as a black snake he wrapped in a typewriter and a dead woodchuck he hid under the front seat of a friends old pickup truck a full fledged manure fight he had with his brother and the throwing of the baby sitters shoes out in the snow The memories are fun joyful and historical This is an account of personal relationships and their effect on the history of the area **Dirty Glasses** Crystal Wallace,2025-03-12 This is a testament of the lengths and depths that Jesus has taken to grow me in faith I have believed in Jesus ability to save me from a very young age but I lived as a heathen I have been a hypocrite in my heart because I often judged others I was living just as badly Even worse Jesus held onto me even when I did not see it I can now I thought I was too damaged to be able to offer anything for His glory I was wrong I know I am not the only person who has seen traumatic events in life that stumble and stunt a person s healthy growth This is my story of how I have navigated my

experiences You may find my story a little too much to digest You may find that you don't like me once you know my story That's ok I have not liked my own behavior on many occasions I still mess up I'm working on me I hope to offer an insight for anyone else who has doubts about their own character Let God tell you who you are He knows you best His Spirit is still alive and working in sinners today just as He did in the people who wrote the Bible so long ago Listen because He does still speak to His people Wait for Him to guide you He will Accept His will for your life

Monsters in My Head Robin Lizbeth, 2008-08-08 All of the human beings in this story are real This is a story of the human condition in all its extremities Every one of them deserves to be remembered for better or worse I have learned to know what I've always believed that most people are good most of the time and those that are bad are not bad all of the time Acts of love are sometimes forgotten long before acts of violence so we should perform lots of the former to overcome the latter
