each other Miriam is devastated when her grandparents tell her that they can no longer survive as a family and that the only solution is for David to go to an orphanage Leaving her young brother behind with strangers breaks her heart and Miriam decides to rescue him When Miriam learns that David is being forced to work in a factory by the unscrupulous orphanage director she realizes that rescuing him may prove difficult The Orphan Rescue is a historical novel that resonates with the ongoing tragedy of child poverty and the exploitation of children around the world It also offers a window onto the history of Jews in Europe pre Holocaust All of this in an accessible entertaining story for young readers
