"Grandma Said . . ." Belinda White Thomas, 2018-09-28 Have you ever been in the presence of older persons who were speaking on a subject but it sounded like they didn't know what they were talking about Well I have When you're young it's baffling As you grow older their conversation makes more sense Over the years I listened to my grandmothers and to other older persons and I picked up on the meaning of their conversations Gramma Said is a compilation of sayings mostly by my grandmother Mrs Marie Virl Page Blackwell McGill I started writing them down because my sister Deborah and I always quoted her in our conversations There are also some statements from my paternal grandmother Mrs Eleanor Minerva Moore White my dad Mr Thurman White Sr my mother Mrs Rosa Vermell Blackwell White my maternal great grandmother Mrs Laura Anna Willis Page and as well as other people in whose presence I have been from time to time This book will delight the readers and bring back precious memories of their elders

**The Russian Grandmother's Wonder Tales** Louise Seymour Houghton, 2020-09-28 The stories which the Russian grandmother told will be found with many others in a German collection of Tales and Legends of South Slavonia put forth in Vienna some twenty years ago by Dr Friedrich Kraus an ardent student of folk lore I have sketched in a slight background of peasant village life as it still exists in some parts of Southern Russia because this is the proper setting of these stories and I have been careful to clothe them as nearly as I might in the simple language in which they are told to day by

many a village fireside in South Slavonia I frankly confess to having received from Mr Joel Chandler Harris the suggestion which I have thus carried out It was an unerring literary instinct which impelled him to put upon the lips of Uncle Remus and in the environment of a Southern country home of half a century ago the stories which he had found among the colored people of the South Folk tales of whatever character speak the more directly home to the hearts of children whatever their own intellectual environment in proportion as their setting is most nearly that which naturally belongs to them Just as the highest value of the Homeric poems is their revelation of the heart of man showing that in all ages and under all conditions heart answers to heart as face answers to face in water so the folk tales of all peoples in their native form have a higher function than simply to amuse a higher than mere literary value they are the child s best introduction to the study of human nature The children will not be the less interested in the stories which the Russian grandmother told to the little peasant boy if they discover in her wonder tales some analogies with stories that they already know The adventures of Master Reinecke and Mrs Petz of Isegrim and Lampe will surely remind them of the Uncle Remus tales they will find some suggestion of Kamer es zaman and the Princess Budoor in the story of The Beg and the Fox a hint of the City of Brass in that of The Vila in Muhlenberg a faint reflection of the Arabian Nights story of the Fisherman in the tale of the Three Eels and they will be especially pleased to recognize their old friend and Sindbad the Sailor s the roc in the bird Kumrikusha The transformations which are so enchanting a feature of the Arabian Nights are here suggested in the story of Steelpacha while the dress of feathers most universal of folk fancies found among every people in the world and most perfectly developed in the Arabian Story of Hassan of Bassora here appears in the tale of The Golden Apple tree and the Nine Pea hens      *The Cegiha Language* James Owen Dorsey, 1890      [The Cegiha Language](#) James Owen Dorsey, 2025-07-30 Reprint of the original first published in 1890 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      [Upstart](#) Gale Ets Marie, 2012-02-23 Upstart one of many who do not know themselves      **Tewa Tales** Elsie Clews Parsons, 1994-03-01 The Tewa are a Pueblo Indian group from New Mexico some of whom migrated around 1700 in the aftermath of the second Pueblo Revolt to their present location on First Mesa of the Hopi Reservation in northern Arizona This collection of more than one hundred tales from both New Mexico and Arizona Tewa first published in 1926 bears witness to their rich cultural history In addition to emergence and animal stories these tales also provide an account of many social customs such as wedding ceremonials and relay racing that show marked differences between the two tribal groups A comparison of tales from the two divisions of the tribe reveals something of what has happened to both emigrant and home staying Tewa over two centuries of separation Yet while only half of the Arizona tales are distinctly parallel to the New Mexican additional similarities may be found in such narrative features as the helpfulness of Spider old woman and her possession of medicine creating life magically under a blanket or Coyote beguiling girls into marriage Elsie Clews Parsons

was a pioneering anthropologist in the Southwest whose works included the encyclopedic Pueblo Indian Religion The Tewa tales she gathered for this volume are thus notable not only as fascinating stories that will delight curious readers but also as authentic reflections of a people less known to scholars Moving Times trilogy: Grandmother's Footsteps Rachel Anderson,2011-06-02 Grandmother s Footsteps begins on the day the Second World War ends seen through the eyes of the bewildered young Ruth Mesmerised and terrified by the break up of the wartime world she is so used to scared by her mother s disappearance to London in search of their absent father she clings to the familiar world of her grandmother Stick by me Granny tells her and you ll be all right But already Ruth s exuberant mother has other plans for the family a move to London and a succession of wild schemes that bring constant change and upheaval opening and closing new horizons and leaving young Ruth feeling always as the years go by adrift Except that is in the safe sure haven of her grandmother s life

out about her father She decided to force her mother to show her father to her Otherwise she would have to take the responsibility of taking her to secondary school something that was impossible for her mother who had been married to another man at the same village at the moment Her mother never allowed her to ask those kinds of questions because it was a sort of shame in that village for girls who were brought up without knowing their fathers to demand to know them Her mother was harsh to her and her whole family was against her idea but that didn't stop her from asking and getting what she wanted Although she didn't have a clue about her father she went the extra mile when she decided to search for him She went through terrible moments that nearly took her life I gave the book *Whose Fault* this title because in the end Olive met her father One day she asked him why he never searched for her or even wanted to know whether she existed or not as he never saw Camilla again for fourteen years after she got pregnant Surprisingly his response was It was your mother's fault It was her responsibility to show your father to you She realised that if she had never searched for him he wouldn't have ever searched for her even though she didn't know whom to blame      *The Journey to the West, Revised Edition, Volume 1*
