compassion and courage love and devotion and can give encouragement sometimes when no one else can They love unconditionally and sometimes devote their lives to caring for their grandchildren I have had the privilege to be loved by remarkable grandmothers They have encouraged my life and shared their stories They remain part of me and I will never forget their love I wanted to write about what makes these women so special and give the opportunity for readers to enjoy the experiences of a few amazing grandmothers strong women who have influenced our lives I live in Chesapeake Virginia and have recently become a grandmother My husband Johnny and I have 2 grown children Scott our son and Rebecca our daughter have blessed our lives This past year Rebecca and her husband Derrell welcomed their first child a daughter named Vanessa There are no words that can express how my heart feels when she looks into my eyes *Field Organization News Letter*, 1943

Nothing Special Leia Hughey, 2019-04-04 You have to be the biggest and best to stand out At least that's what our culture seems to believe However as psychologist Dr Leia Hughey points out we are all special and deserving of love even if we are nothing special Through the nonverbal communication from an ordinary horse she and others were able to reveal unhealed psychic wounds and provide a context for change and transformation Just people and horses Nothing special really but what a difference it made A pristine beauty exists slightly beneath the surface of our perception and can be found when love is recognized in the ordinary enjoying one another for no particular reason In this book you will see how interpersonal interspecies interactions changed the world for a handful of people Expressing Poetry Through Life Experience Evang. Rachel Mouzon Oddman, 2017-06-07 Expressing Poetry Through Life Experience is truly amazing It is written to inspire all those who are facing the day to day life's difficulties My life experiences have many ups and downs heart aches and even pain Furthermore loss of love one's trials adversities and also tribulations are testing me too Please hold on to your goals and dreams It was God's grace and mercy that brought me through What is your role here on earth You might have asked that same question as I have while I'm here to hold you Did you know that there are many books inside of you Just start by writing about each experience you may have come across Write it down For starters put it on a paper That's how I began writing poetry through those obstacles that were in my way By expressing poetry through my life's experiences I've learned to love poetry Also it can soothe and calm us through our troubled times While tempers are raging through it all you can make it through This encouragement will carry on a sense of faith peace joy hope love and praises on high Powerful Understanding Adrienne
