Grandpa Will You Play With Me:

Grandpa, Will You Play with Me? Harriet Ziefert, 2005 Little Hippo wants to play with his Grandpa but Grandpa is busy Lift the flaps to find out just when he ll be ready to play Grandpa's Stories Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them **Time After Time: A young adult 1980s time travel novel** Sara Crawford, 2023-10-27 Megan Gallagher has only ever seen her mother as neurotic and overworked When a Whitney Houston song at the 80s dance sends Megan back to 1987 she discovers her teenage mom dressed in all black and sneaking liquor in the bathroom After preventing her mom s drunk car accident Megan realizes she has one month to get her teenage parents to stop partying and learn enough about her family s secret to get back home Too bad the much cuter teenage version of her history teacher is such a distraction With time running out and her future at stake Megan must learn that when it comes to family you can t always get what you want but you might just get what you need A fast paced novel about love and family and the 1980s that manages to be both totally tubular and amazingly poignant Crawford is one to watch Carrie Jones NYT Bestselling Author of *Need* Grandpa's Top Threes Wendy Meddour, 2019-09-03 A young boy s original game coaxes a grieving grandpa to reconnect with the world in a touching intergenerational story of love and resilience Henry loves talking with Grandpa but Grandpa has stopped listening Mom says

Schultz,2018-03-17 The year 1929 was devastating for America It was the beginning of the Great Depression which led to our country s economic collapse The author also born in 1929 lived through those challenging Depression years experiencing firsthand the many adaptations and sacrifices needed to survive those trying times Now some eighty eight years later the author looks back to review those key principles that helped folks survive those challenging 1930s Although the times we are living in today are radically different than in those Depression years the author holds to the belief that if these same key

principles are followed by America's working class today they will be more successful in meeting the challenge of our ever changing complex society This book offers some suggested guides that should aid today's workers in achieving increased financial independence by following these same key principles with grandpa's retirement rocking chair as the goal

Memories of Yesteryears Carolyn Hambrick Hatcher, 2010-10-26 The early morning rain had stopped and a cool mist shrouded the lonesome mountainside The smell was fresh and invigorating to me as I stood beside the old hickory tree with its new leaves an iridescent bright green glowing against the dreary gray sky I stood quietly and watched a lone eagle soar above looking for an unsuspecting prey hidden in the overgrown weeds in the long neglected fields I had stayed away too long now I wanted to return to the source of my childhood
