Lousy Sex Gerald N. Callahan,2013-07-15 In *Lousy Sex* Gerald Callahan explores the science of self illustrating the immune system's role in forming individual identity Blending the scientific essay with deeply personal narratives these poignant and enlightening stories use microbiology and immunology to explore a new way to answer the question who am I Self has many definitions Science has demonstrated that

90 percent of the cells in our bodies are bacteria we are in many respects more non self than self In Lousy Sex Callahan considers this microbio neuro perspective on human identity together with the soulful social perception of self drawing on both art and science to fully illuminate this relationship In his stories about where we came from and who we are Callahan uses autobiographical episodes to illustrate his scientific points Through stories about the sex lives of wood lice the biological advantages of eating dirt the question of immortality the relationship between syphilis and the musical genius of Beethoven and more this book creates another way a chimeric way of seeing ourselves The general reader with an interest in science will find Lousy Sex fascinating *Death and its Benefits* Dane Wehr,2019-04-26

Death and Its Benefits is a unique presentation to bring one to the realization that the supernatural can be an everyday occurrence The greatest gifts come from above Heaven is the ultimate resting place the destination that we are promised and the access point to the unlimited possibilities that we as Christians deserve Christ not only made it possible but set in stone a failsafe system to assure our arrival there We cannot earn it or buy it It s a gift Discover this for yourself Embrace that we as believers have access to that divine power while still on Earth Let this be the day of enlightenment for you Make it personal At that day you shall know that I am and in my Father and ye in me and I in you John 14 20 **Centered** Anthony Ianni,Rob Keast,2021-09-07
