Grandpa Days:

What Grandpa Did Back in the Day Michael J Beard Sr.,2020-04-22 I will always remember when the internet stopped working at our house and the sad I can't believe this look on my grandchildren's faces One of them just leaned over and asked me Grandpa what did you do back in the day This book simply speaks about children entertaining themselves and using their imagination and creative wit to have a lot of fun with themselves and their parents *All the Days of My Life* Samuel D. Faircloth,2018-07-31 All the Days of My Life is a detailed autobiographical account of the life of evangelical pioneer missionary Sam Faircloth Sam records how he arrived in Portugal as a young man of 28 with his wife Arlie and little daughter Becky to learn a new language and found a new seminary in Leiria north of Lisbon where some students lacked even the basic necessities of life His chronological account narrates both the joys and struggles of further work later in evangelism and church planting in the Lisbon area Sam's family of eventually seven daughters were all actively involved at some point in the Faircloths ministry They felt blessed to witness God's clear hand at work in the birth and growth of the Parede Baptist Church which then went on to plant other churches in the Lisbon area Another great privilege was co-founding the Portuguese Bible Institute and watching again as graduates from the Bible institute took greatly needed leadership of churches around Portugal as they had from the Baptist Theological Seminary of Leiria years before Spending his last six years of overseas ministry in the Netherlands Sam was again thrilled to be involved with the founding of a seminary Tyndale Theological Seminary Sam writes candidly of the heartbreak of losing both Arlie and his second wife Ruth but rejoices in God's goodness and mercy as he continues to serve the Lord with his wife Betty in retirement *Four Days and Five Nights* Kay Bronson,2015-08-20 This is a day by day account of life through the eyes of a missionary kid MK with cerebral palsy her challenges and experiences *Memoirs of Grandpa* Orealia Kelly,2015-10-15 Memoirs of Grandpa depicts and captures the life and lifestyle of a man and a people on an island in the 1870s up to the early twentieth century The names of characters in the book are fictitious Grandpa takes great pride in his family and his people He is portrayed as a figure of authority taking control of his family and the natives on the island Throughout the book he is seen as the man with the solution He polices the island to capture perpetrators who indulge in illegal trafficking and piracy When the notorious smuggler known as Ram cat becomes a serious threat Grandpa became the hero for his success and determination in bringing Ram cat to justice His work in maintaining the Valley Water Pumping Station the first of its kind is revolutionary He dedicated his later years to church ministry prayer services and made believers out of others In addition the book highlights various events and customs including preparations for Christmas weddings and funerals information on the salt industry the cotton industry fishing food preparation local medicine and dentistry methodology and herbs and their usage by the islanders in Grandpa's time Nancy Willard,2000-11-01 In a small Michigan town on the eve of World War II a young man and woman share a love that is shadowed by tragedy yet lighted by powers beyond the real **Toe Jam Days** M. David

Persimmon Days Betty Jean Mock,2008-04 Presenting the true story of an orphan Dolly renamed Maureen adopted by a childless couple Maureen experienced unexpected transition Grandpa wise elderly Czechoslovakian became her solace Adult Maureen became wife mother and herself a social worker in adoptions Woven into the fabric of this book like the colored strands in a tartan are other threads than adoption Varying styles of parenting Maureen s religious journey including Methodist Sunday School from the foster home Christian Science thought from the adoptive home and as a young adult true Christian conversion at a Billy Graham Crusade Exciting research produced a reunion with Maureen s limited birth mother whose life had disappointed her original family Yet this reunion became of inestimable value to Maureen and those who loved her They found that within the circle of family love there is always room to love just one more even a child that never grew up BJ first knew life as an orphan in a foster home then adopted by a childless couple Without preparation BJ was taken to their new home where she received loving nurture elocution lessons which led to roles in radio and Pasadena Playhouse Her University training was in radio writing and production She married her WWII Sweetheart a born again Christian with a career in radio TV Studying the Gospel led BJ to salvation at a Billy Graham Crusade After serious Bible study BJ qualified as a licensed minister in her holiness denomination A Sabbatical year in Ecuador found BJ writing and producing Christian International radio programs for HCJB Touched by human need she found BJ returned to the University to become a social worker serving until retired in inter country adoptions An unexpected release of non identifying information resulted in a bittersweet reunion with her birthmother just in time The Four Days Big Adam,2006-11 Tater I have something to tell you Thus begins The Four Days the sequel to Big Adam s previous novel My Friend Tater and chronicles the personal holocaustic suffering he endured in the days following the death of the man he called Dad his grandfather Adam has just returned to Faulkner University in Alabama following the funeral for his grandfather back home in North Carolina Soon after his family drops him off Adam descends into a perilous nightmare filled with pain grief and torture His vivid and heartfelt memories of Grandpa clash with the misery of waking up each day for the rest of his life knowing Grandpa is gone His friend Tater comes to his side and through Adam s tears of loss and grief he sees that something else happened to Adam while he was at home something so cruel and vicious it drives Adam near the point of madness **Grandpa's Newsletter** Popa (Dr. Alfred Persson MD),2020-04-16 Grandpa s Newsletter By Popa Twenty five years ago when Popa was blessed with two grandchildren within a month he started writing Grandpa Newsletter as a way to communicate information to the family concerning the activities of the grandchildren Over time it morphed into a letter that is sent via email once a month The

topics vary from those that will educate to those that will stimulate a discussion The Grandpa's Manual David Sutton, D-Min,I. Blake McKinley, DDS,2022-01-31 Being a Grandpa does not come with a book of instructions Every Grandpa is as unique as a fingerprint and each relationship with his grandkids usually molds itself into a customized experience of mutual advice wisdom and suggestions Sometimes you just get crazy with each other The Grandpa s Manual is not a how to book It is a collection of stories encouraging men to become whatever kind of Grandpa they desire to be It is written so the reader can pause put it down and say Hmm I never thought of that Building a relationship with your grandkids is important business So when grandkids look to Grandpa for advice and wisdom they can see that Grandpas have grandkid challenges in the relationship too Take for instance when your grandkid suffers a breakup with his first true love and concludes he cannot share his broken heart with Mom Dad or his little sister Mom is a girl Dad sometimes does not take it really seriously And little sister may know his true love and nothing will ever be sacred again Who may be the one who will listen not judge and help soothe that broken spirit It may be Grandpa Grandpa has probably been in the same situation and knows how to stitch up the wound Grandpa have you ever raced your grandkid in a go kart Or have you run a zip line lately What would you say if your grandkid asked you what it would be like to die Do dogs go to heaven What is prayer and who is God Have you ever tried to bake bread with your grandkid when neither one of you knows how to bake bread How do you handle life when Grandma dies Where is the boundary line with Mom and Dad when it comes to giving opinions and advice The Grandpa s Manual walks with you as you seek answers to these and many other questions It is an exciting book that will move you in the direction of establishing the greatest role on earth being a Grandpa **Practical Farmer** ,1913 **The Diary of Frances Bowar - Early Days in South Dakota** Scott Pelton,Frances Bowar,2018-04-05 Frances Bowar lived in Ethan South Dakota a small farming community She kept a diary from 1938 to 1970 recording the activities of her family her own thoughts feelings and judgments and the birth dates milestones illnesses and death dates of those people she knew and loved *Grandpa's War* J.M. Miller,2022-11-03 Wars are remembered as dramas either of stirring victory or shameful defeat The Forgotten War in Korea depending on who is remembering has been branded as both Win or lose Korea sometimes vanishes within the larger narrative of the Cold War a memo somewhere near the front of the tale It also hides behind larger personalities such as General MacArthur President Truman or Television That moment in Korea was the first occasion when Americans were too busy for world events Grandpa s War offers a nuanced perspective of the Korean War The author is a student of war diaries from the First Cavalry and a friend and relative to their combat engineers This telling of Korea is not another by product of great colliding superpowers but rather the familiarity of farm kids and city boys who were translating strange orders into gutsy actions Their instructions communists the third world were as foreign to them as the people These boys are aging now and some of them are already gone On June 25 2020 the Forgotten War will be seventy years old The peninsula today would seem greatly different to these boys South Korea with its burgeoning economy world class health care

prestigious education and Olympics has escaped its past as a third world nation The North on the other hand has never flourished These boys may not have known too much about what they were doing at the time but for the last seventy years they ve had so many confirmations of stirring victory This novel chooses to never forget these farm kids and city boys even after their war becomes a footnote of history *Golden Days for Boys and Girls* ,1898 More Stories from Grandpa's Rocking Chair ,1991 Dem Days Was Hell - Recorded Testimonies of Former Slaves from 17 U.S. States Work Projects Administration,2024-01-15 In *Dem Days Was Hell Recorded Testimonies of Former Slaves from 17 U S States the Work Projects Administration* presents a poignant anthology of firsthand accounts that illuminate the harrowing realities faced by former slaves in the United States This seminal work is characterized by its raw authenticity and compelling narrative style blending oral histories with social commentary The testimonies collected during the tumultuous era of the Great Depression offer insights into the lived experiences of African Americans and serve not only as a historical documentation but also as a platform for the voices that have long been silenced The WPA s efforts reflect a broader literary trend toward the preservation of folk narratives allowing readers to engage with a past that deeply informs the present sociopolitical landscape The Work Projects Administration a New Deal agency established to alleviate unemployment during the 1930s embarked on ambitious projects capturing the oral histories of marginalized communities By assembling these narratives the WPA aimed to document the harsh realities of American life while employing those in the arts and humanities The initiative reflects the organization s commitment to social justice and the preservation of cultural heritage which undoubtedly influenced the curation of this impactful compilation *Dem Days Was Hell* is highly recommended for scholars students and general readers eager to explore the intricate tapestry of American history through the eyes of its most affected individuals This book not only serves as an indispensable historical record but also as a reminder of the resilience of the human spirit in the face of systemic oppression Engaging with these narratives will enrich one s understanding of the complexities of race identity and memory in America Small Wonders Joan Lovett,1999 Eye movement desensitization and reprocessing EMDR is a comprehensive therapeutic approach that helps patients release disturbing thoughts and emotions that originate in traumatic experiences In *Small Wonders Healing Childhood Trauma with EMDR* Joan Lovett M D shares engaging clinical stories mysteries involving children who present her with puzzling and disturbing behaviors She imaginatively focuses her knowledge of pediatrics play therapy and EMDR to alleviate the real life ordeals of real life children This book is intended for parents who are concerned with having their children feel confident for adults who want insights into the way the events of their childhood shaped their self image and for professionals who want to know more about EMDR and how it can be adapted to meet the special needs of traumatized children BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Adventures of Columbus Daniel** Columbus Daniel,2020-03-08 After almost drowning in the community well Columbus Daniel is brought back to life He gains a sixth sense that provides him a closeness to nature
