## Grandpa Trout:

*Grandpa Trout* Harry Edward Jones, Mark Edward Jones, 1988-09      **Main Idea, Grade 2** Melissa Hart, 2004-05-24 Both teachers and parents appreciate how effectively this series helps students master skills in mathematics and language arts. Each book provides activities that are great for independent work in class, homework assignments, or extra practice to get ahead. Test practice pages are included in most titles.

*Our Grandpa Owns a Lake!* Jan Barrus, 2022-05-05 To Kate and Dan, Grandpa's pond looks big enough to be a lake, so the fun at the pond is also big and amazing. While following Grandpa's safety rules, Dan, Kate, and their cousins enjoy taking turns paddle boating and kayaking on the pond and riding four wheelers near the pond. They learn about fly fishing and homemade flies. They also engage in the wise conservation practice of catching and releasing the fish they are not going to eat. The picnic at the end of the day is full of delicious fish and tasty dishes prepared by their grandparents, parents, aunts, and uncles. With Grandma's help, the children even roast their own s'mores for dessert. Throughout the day, Kate and Dan are curious about the constantly changing outdoors. They ask their grandfather many questions, and his answers are thoughtful and informative, helping the children learn the value of being good stewards of our natural environment and respecting all life.

*Our Grandpa Owns a Lake* has educational value and helps readers discover the wonders and customs of various animals, birds, and fish. The book is also entertaining for children, parents, and grandparents, especially when they read it together. *Our Grandpa Owns a Lake* is loosely based on actual experiences that the author and her husband, the grandfather in the book, have had at their Idaho trout pond with their own grandchildren.

*Field and Stream*, 1912      **The Adventures with Grandpa Series** Sabrina Sanders, 2019-03-21 Grandpa takes his grandchildren on an adventure through the swamp and into a magical land called Rainbow Island. During their adventure, they learn of many more of these magical lands out there waiting to be explored and meet many new and exciting creatures like Zulo from New Eeland with the body of an eel and the legs of a crab, and the twins from Twinland who enjoy pulling a good prank. When the children go home, they can hardly contain their wild imaginations of all the new and exciting places they will go and creatures they will meet when they return.
