Grandpas Of Rules:

Grandpa Rules Michael Milligan, 2008-04-23 Fourteen years ago Mike Milligan learned he would become a grandfather for the first time He was surprised to find that there was little or no information available on what it means to be a grandfather how to make the most of the experience and how to be the best grandfather possible Sure there were shelves of books dedicated to grandmothers all with cuddly covers depicting spring bouquets or gentle little lambs But there was not a single book that spoke to him a sixty four year old grandfather to be It struck him that there were countless other grandfathers out there experiencing this same feeling of neglect With over a decade of grandparenting under his belt Milligan is thrilled to offer his Grandpa Rules Over the years Milligan has discovered some universal rules that apply to grandfathers everywhere For example the let it slide rule has taught him to take it in stride when he hears one of his grandchildren say Grandpa sure dresses funny Imbued with Milligan s humor honed during his career in comedy writing for television The Jeffersons All in the Family etc Grandpa Rules will entertain and delight millions of grandfathers as well as those who will soon earn the exalted title of Grandpa It s the perfect gift for a special grandfather for Father s Day a birthday the birth of a grandchild or just for a grandpa to read and enjoy during one of his many bathroom visits **The Grandpa's**

Manual David Sutton, D-Min, I. Blake McKinley, DDS, 2022-01-31 Being a Grandpa does not come with a book of instructions Every Grandpa is as unique as a fingerprint and each relationship with his grandkids usually molds itself into a customized experience of mutual advice wisdom and suggestions Sometimes you just get crazy with each other The Grandpa s Manual is not a how to book It is a collection of stories encouraging men to become whatever kind of Grandpa they desire to be It is written so the reader can pause put it down and say Hmm I never thought of that Building a relationship with your grandkids is important business So when grandkids look to Grandpa for advice and wisdom they can see that Grandpas have grandkid challenges in the relationship too Take for instance when your grandkid suffers a breakup with his first true love and concludes he cannot share his broken heart with Mom Dad or his little sister Mom is a girl Dad sometimes does not take it really seriously And little sister may know his true love and nothing will ever be sacred again Who may be the one who will listen not judge and help soothe that broken spirit It may be Grandpa Grandpa has probably been in the same situation and knows how to stitch up the wound Grandpa have you ever raced your grandkid in a go kart Or have you run a zip line lately What would you say if your grandkid asked you what it would be like to die Do dogs go to heaven What is prayer and who is God Have you ever tried to bake bread with your grandkid when neither one of you knows how to bake bread How do you handle life when Grandma dies Where is the boundary line with Mom and Dad when it comes to giving opinions and advice The Grandpa s Manual walks with you as you seek answers to these and many other questions It is an exciting book that will move you in the direction of establishing the greatest role on earth being a Grandpa **The Middle School Rules of**
