Grandpas Fishin Friend:

My Best Friend, Maximum Eileen L. Lucas,2023-07-07 During the lockdown of 2020 when it was decided that children would be out of school for an extended period of time and would be engaged in technology for months or years I started wondering what contribution I could make to assist children to get a break from the computer When I was raising the children nieces nephews and my child we had a dog named Max He and the boys were inseparable He was a loving beautiful dog I therefore decided to write a story with Max as the main character In this story both Marcus and Max or Maximum need to belong They were fortunate enough to be adopted in the same loving family Marcus and Max were inseparable best friends Both of them brought joy to the home of Mr and Mrs Jackson who had no family members close by Marcus excelled in school and Maximum excelled as a brave and courageous dog Marcus and Maximum completed the Jackson s household Max became famous Grandpa Finds a Friend & Other Rags Stories Cheryl Rao,2022-09-10 Grandpa is always up to something whether he is indoors or outdoors and he makes life interesting and exciting for Diya and Manish Manu Then he starts behaving secretive about his new friend Mr Raghuram and when they question him he is evasive In this set of seven stories unravel the mystery of Mr Raghuram s identity and then join Diya and Manu as their life turns upside down when Mr Raghuram comes to stay Whether it is a visit to the doctor or a simple camping trip or a sojourn on a farm or attendance at a local dog fair Mr Raghuram knows how to steal the show **Granddad's Fishing Buddy** Mary Quigley,2007 Lyrical with touches of spot on humor this story captures the fun and loving relationship between a granddaughter and her grandfather and their interaction with the natural world Full color **Chicken Soup for the Fisherman's Soul** Jack Canfield,Mark Victor Hansen,2012-08-07 More than fish tales in this delightful book readers will discover stories about the special relationships that develop through fishing between parents and children between friends and lovers between fisherman nature and the elusive fish *HIS YOUNG FRIENDS #3* Dale Weatherford,2021-04-06 *HIS YOUNG FRIENDS 3* is the third in a series of seven chapter books for juvenile readers Each book tells stories of children who might have known Jesus while he lived on earth Together the 7 books give an overview of the life of Jesus found in the 4 manuscripts that were written in the 1st Century While the characters are fiction each chapter contains quotes from the Bible with references This book is fun to read with lots of colorful pictures to help children imagine what it might have been like to live in the first century *HIS YOUNG FRIENDS* teaches that Jesus came to show God s love to everyone First Do No Harm Joe Kenda,2024-09-10 Former homicide detective and star of Investigation Discovery Joe Kenda follows his authentic and fascinating debut novel with *First Do No Harm* another addictive tale of crime and punishment as only he can tell it A string of overdoses in Colorado Springs has Detectives Joe Kenda and Lee Wilson on the lookout for a bad batch of heroin that has been cut with a drug they ve never seen before Meanwhile at Springs General Hospital Dr Blair Moreland the notoriously unpleasant head anesthesiologist has found a way to feed his deepening addiction to the very same powerful new drug fentanyl But when Dr

Grandpa's Stories Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them

My Four Friends Joe McGraw, 2007-11 In a day when farm folks pitched in together to accomplish tasks too big for one person when strangers shared car rides and housewives lingered over cups of hot coffee a small boy named Joe discovered the richness of life on his grandfather s farm A gentle adventurous and proud boy enraptured by farm life Joe learned at a tender age that he had a way with animals both domestic and wild On Grandpa s farm he became fast friends with a dog a deer a rabbit and even a blue jay His feathered and furry companions seemed to understand him just as perfectly as he did them Their many carefree escapades included hunting woodchucks visiting the barbershop playing in the schoolyard riding in the rumble seat of Grandpa s coupe fishing in the creek eating spaghetti lunches at the county fair and much more A memoir from the heart this is the spirited tale of a young boy coming of age in a bygone era as he makes lasting memories and enduring friendships exploring field and forest with a bevy of animal buddies
