

A Study in Personality and Generalship

GRANT & LEE

MAJOR GENERAL J.F.C. FULLER

Grant Lee A Study In Personality And Generalship

John Frederick Charles Fuller

Grant Lee A Study In Personality And Generalship:

Grant & Lee John Frederick Charles Fuller,1933 Bogen fokuserer p de 2 generaler Lee og Grant og deres personlige betydning for taktikken og strategien under den amerikanske borgerkrig

Grant & Lee, a Study in Personality and Generalship John Frederick Charles Fuller,1933

Grant & Lee John Frederick Charles Fuller,1982 cuts squarely across the accepted tradition Fuller examines these two great soldiers from a fresh viewpoint and refuses to let himself be bound by tradition New York Times Book Review readable instructive stimulating and controversial as when first published Military Review First published fifty years ago Fuller s study of Ulysses S Grant and Robert E Lee remains one of his most brilliant and durable works Grant and Lee is a compelling study not only of the two men but also of the nature of leadership and command in wartime

Grant and Lee John Frederick Charles Fuller,1959

Grant & Lee John Frederick Charles Fuller,1957

Grant & Lee ,1933

Grant and Lee Edward H. Bonekemper, III,2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee s excessive casualties in Virginia the consequent drain of Confederate resources from Grant s battlefronts and Lee s refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with acheiving Union victory whereas Lee s own priorities constantly undermined the Confederacy s chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle

America's Civil War Brian Holden Reid,2009-12-02 Civil War historian Reid examines in depth the operational military history during the first three years of America s Civil War In particular he focuses on generalship command decisions strategy and tactics as well as the experiences of ordinary soldiers

Grant and Sherman Charles Bracelen Flood,2005-10-01 This dual Civil War biography presents a powerful and illuminating study of a military collaboration that won the war for the Union Josiah Bunting III Washington Post We were as brothers William Tecumseh Sherman said describing his relationship to Ulysses S Grant They were incontestably two of the most important figures in the Civil War but until now there has been no book about

their victorious partnership and the deep friendship that made it possible They were prewar failures Grant was forced to resign from the Regular Army because of his drinking and Sherman had moved from one job to the next in the years before the conflict But heeding the call to save the Union each struggled past political hurdles to join the war effort And after taking each other's measure at the Battle of Shiloh they began their unique collaboration Often together under fire on the war's great battlefields they also supported each other in the face of mudslinging criticism by the press and politicians Sharing the demands of family life and the heartache of loss they built a mutual admiration and trust which President Lincoln increasingly relied upon Though their headquarters were hundreds of miles apart they communicated almost daily strategizing the final moves of the war and planning how to win the peace that would follow

Leaders of the American Civil War Charles F. Ritter, Jon L. Wakelyn, 2014-01-27 Provides an overview of the careers of the great military leaders and the critical political leaders of the American Civil War Entries consider the leader's character and pre war experience their contributions to the war effort and the war's impact on the rest of their lives An assessment of their historical treatment puts their long term reputations on the line and results in a thorough revision of some leaders a call for further study of others and a reaffirmation of the accomplishments of the greatest leaders

Bloody Spring Joseph Wheelan, 2014-04-29 For forty crucial days they fought a bloody struggle When it was over the Civil War's tide had turned In the spring of 1864 Virginia remained unbroken its armies having repelled Northern armies for more than two years Robert E Lee's Army of Northern Virginia had defeated the campaigns of four Union generals and Lee's veterans were confident they could crush the Union offensive this spring too But their adversary in 1864 was a different kind of Union commander Ulysses S Grant The new Union general in chief had never lost a major battle while leading armies in the West A quiet rumpled man of simple tastes and a bulldog's determination Grant would lead the Army of the Potomac in its quest to destroy Lee's army During six weeks in May and June 1864 Grant's army campaigned as no Union army ever had During nearly continual combat operations the Army of the Potomac battered its way through Virginia skirting Richmond and crossing the James River on one of the longest pontoon bridges ever built No campaign in North American history was as bloody as the Overland Campaign When it ended outside Petersburg more than 100 000 men had been killed wounded or captured on battlefields in the Wilderness near Spotsylvania Court House and at Cold Harbor Although Grant's casualties were nearly twice Lee's the Union could replace its losses The Confederacy could not Lee's army continued to fight brilliant defensive battles but it never mounted another major offensive Grant's spring 1864 campaign had tipped the scales permanently in the Union's favor The war's denouement came less than a year later with Lee's surrender at Appomattox Court House

Civil War High Commands John Eicher, David Eicher, 2002-06-01 Based on nearly five decades of research this magisterial work is a biographical register and analysis of the people who most directly influenced the course of the Civil War its high commanders Numbering 3 396 they include the presidents and their cabinet members state governors general officers of the Union and Confederate armies

regular provisional volunteers and militia and admirals and commodores of the two navies Civil War High Commands will become a cornerstone reference work on these personalities and the meaning of their commands and on the Civil War itself Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature in reference works as well as in narrative accounts The present work brings together for the first time in one volume the most reliable facts available drawn from more than 1 000 sources and including the most recent research The biographical entries include complete names birthplaces important relatives education vocations publications military grades wartime assignments wounds captures exchanges paroles honors and place of death and interment In addition to its main component the biographies the volume also includes a number of essays tables and synopses designed to clarify previously obscure matters such as the definition of grades and ranks the difference between commissions in regular provisional volunteer and militia services the chronology of military laws and executive decisions before during and after the war and the geographical breakdown of command structures The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders

Mavericks Robert Harvey, 2009-06-25 In an age of backroom generals who command from far behind troop lines it is often forgotten that wars have been won or lost by the personality and leadership of a maverick commander In twelve riveting portrait best selling historian Robert Harvey explores the mind and the action of such men From the the Mediterranean sea Harvey investigates what make a military commander different a charismatic leader of men rational under fire unafraid to improvise or lead his men into victory against the odds Packed with compelling and insightful analysis and story telling *Mavericks* is Robert Harvey s best book to date The *Mavericks* what made them great and their key battles include Clive of India a master of the decisive strike and going for the jugular Plassey James Wolfe renowned by his troops for being as demanding on himself as on them Quebec George Washington patience then boldness Yorktown Horatio Nelson flamboyance careful planning and improvisation Trafalgar Thomas Cochrane Fearless commando tactics and an eye for the unexpected strike Aix Roads The Duke of Wellington style and soundbites caution and planning Salamanca Guiseppe Garibaldi charismatic communicator bold in battle Messina Ulysses S Grant Cool and rational with determination to overcome all obstacles Vicksburg Erwin Rommel Careful calculation followed by bold strikes Desert Campaign George Patton Aggression coupled with skill in tanks and training The Battle of the Bulge Field Marshal Montgomery A natural rebel with a lightning mind El Alamein Douglas MacArthur brilliant communicator and bold cared for his men Inchon PRAISE FOR WAR OF WARS This is the definitive one volume account of a particularly rich slab of history Daily Express so well paced that reading it is a pleasure Bernard Cornwell I doubt a better account of the never ending war will be written in many a year Allan Mallinson an exhillirating sequence of dramatic set pieces in narrative history s best traditions Literary Review

The Myth of the Lost Cause Edward H. Bonekemper, 2015-10-05 History isn t always written by the winners Twenty first century controversies over Confederate

monuments attest to the enduring significance of our nineteenth century Civil War As Lincoln knew the meaning of America itself depends on how we understand that fratricidal struggle As soon as the Army of Northern Virginia laid down its arms at Appomattox a group of Confederate officers took up their pens to refight the war for the history books They composed a new narrative the Myth of the Lost Cause seeking to ennoble the sacrifice and defeat of the South which popular historians in the twentieth century would perpetuate Unfortunately that myth would distort the historical imagination of Americans north and south for 150 years In this balanced and compelling correction of the historical record Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans

Great Warrior Leaders/thinkers ,1989 **Department of the Army Pamphlet** ,1951 **Guide to the Writing of American Military History** United States. Department of the Army,1951 **War Comes Again** G. S. Boritt,1995 The Civil War and World War II stand as the two great cataclysms of American history In this insightful exploration of these epic events 11 eminent historians including three Pulitzer prize winners offer illuminating comparisons of the conflicts

Strategy & Intelligence Michael Dockrill,1996-07-01 This collection of essays discusses various aspects of the First World War and aims to summarize the latest literature on Britain s participation in that war and also to open up new lines of investigation These include the role of intelligence in land and air battles Anglo American financial relations Anglo Russian and Anglo Irish relations the British Labour movement in the war and the final campaigns of 1918 which led to the Allied victory These essays are written not only for the specialist but also to be accessible to students and to the general reader

Emancipating Slaves, Enslaving Free Men Jeffrey Hummel,2013-11-18 This book combines a sweeping narrative of the Civil War with a bold new look at the war s significance for American society Professor Hummel sees the Civil War as America s turning point simultaneously the culmination and repudiation of the American revolution While the chapters tell the story of the Civil War and discuss the issues raised in readable prose each chapter is followed by a detailed bibliographical essay looking at all the different major works on the subject with their varying ideological viewpoints and conclusions In his economic analysis of slavery Professor Hummel takes a different view than the two major poles which have determined past discussions of the topic While some writers claim that slavery was unprofitable and harmful to the Southern economy and others maintain it was profitable and efficient for the South Hummel uses the economic concept of Deadweight Loss to show that slavery was both highly profitable for slave owners and harmful to Southern economic development While highly critical of Confederate policy Hummel argues that the war was fought to prevent secession not to end slavery and that preservation of the Union was not necessary to end slavery the North could have let the South secede peacefully and slavery would still have been quickly terminated Part of Hummel s argument is that the South crucially relied on the Northern states to return runaway slaves to their owners This new edition has a substantial new introduction by the author correcting and supplementing the account given in the first edition the major revision is an increase in the estimate of total casualties and a
