Granville Barker Plays One:

Shaw and the Actresses Franchise League Ellen Ecker Dolgin, 2015-03-16 Early 20th century non commercial theaters emerged as hubs of social transformation on both sides of the Atlantic The 1904 1907 seasons at London s Royal Court Theatre were a particularly galvanizing force with 11 plays by Bernard Shaw along with works by Granville Barker John Galsworthy and Elizabeth Robins that starred activist performers and challenged social conventions Many of these plays were seen on American stages Featuring more conversation than plot points the new drama collectively urged audiences to recognize themselves in the characters In 1908 four hundred actresses attended a London hotel luncheon determined to effect change for women The hot topics chillingly pertinent today mixed public and private controversies over sexuality income distribution and full citizenship across gender and class lines A resolution emerged to form the Actresses Franchise League which produced original suffrage plays participated in mass demonstrations and collaborated with ordinary women

both book reviews and performance reviews of Conrad's three plays *The Secret Agent* *One Day More* and *Laughing Anne*. These reviews and observations show how Conrad's plays were received by his contemporaries. More than this, however, Conrad's Drama reveals the larger conversations surrounding his plays, the state of British drama in the early 20th century, the role the drama critic has in a play's reception, and the difficulty most fiction writers experience in trying to write for the stage. No other reference work exists for those studying Conrad's plays, and this volume should prove to be an indispensable reference work for those working on this topic. Conrad's Drama received an Honorable Mention in the Joseph Conrad Society of America's Adam Gillon Book Prize in Conrad Studies for books published 2018-2020. This wide-ranging Companion to Modern British and Irish Drama offers challenging analyses of a range of plays in their political contexts. It explores the cultural, social, economic, and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity. An authoritative guide to modern British and Irish drama. Engages with theoretical discourses challenging a canon that has privileged London as well as white English males and realism. Topics covered include national, regional, and fringe theatres; post-colonial stages and multiculturalism; feminist and queer theatres; sex and consumerism; technology and globalisation; representations of war, terrorism, and trauma. **The Encyclopædia Britannica** Hugh Chisholm, James Louis Garvin, 1926.

Over the span of forty years, Professor Raphael Dorman O'Leary labored tirelessly to make his students understand the importance of originality and of apt expression in English composition. He especially loved words well chosen and dared his students to put beauty and smoothness and sinew into their sentences. He tried passionately to make them feel the dignity and the majesty of the English language at its best. When he died after a short illness in 1936, his personal effects passed among descendants until finally coming to rest with Dennis O'Leary and his spouse Margaret, who discovered them in a poor condition while restoring a family house. Amid Professor O'Leary's papers was his handwritten journal from the year 1914 to 1915. The journal displays the full measure of R. D. O'Leary in his myriad academic, social, political, and religious experiences at the University of Kansas atop Mount Oread in the adjacent city of Lawrence, Kansas, and while traveling to rural Kansas during the summer months and to Minneapolis, Minnesota, in the dead of winter. Throughout his journal, Professor O'Leary portrays with humor and pathos his encounters with students, colleagues, his spouse, his three sons, his mother, shopkeepers, religious zealots, pro-German zealots, anti-German zealots, drayers, Pullman conductors, bankers, politicians, publishers, educated spinsters, and garden wasps, while vividly describing cold classrooms, interminable whist parties, trilling sopranos, Kansas football games, and Lawrence seed.
