**Living God's Word, Second Edition** J. Scott Duvall, J. Daniel Hays, 2021-06-01 Living God's Word is your pathway to read the Bible as it was meant to be read as God's Great Story Many Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole They encounter various passages each week through unrelated readings studies and sermons and it all feels disconnected But once they see the Bible as God's Great Story they begin to understand how it all fits together and they start see how their own lives fit into what God has done and is doing in the world In Living God's Word Second Edition New Testament scholar J Scott Duvall and Old Testament expert J Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible thus enabling them to live faithfully in deep and important ways Living God's Word explores the entire Bible through broad themes that trace the progression of God's redemptive plan Each section deals with a certain portion of Scripture's story and includes Reading listening preparation Explanation Summary Observations about theological significance Connections to the Great Story Written assignments for further study These features combined with

the authors engaging style make Living God's Word an ideal book for those who want to understand the Bible better for introductory college courses Sunday school electives or small group study Readers can further enhance their learning experience with the Living God's Word WORKBOOK sold separately which contains additional questions and exercises to help them reflect on what they are reading in Living God's Word      Living God's Word J. Scott Duvall, J. Daniel Hays, 2012-06-19 How does your personal faith journey relate to the big picture of the Bible Christians often encounter various Bible passages through unrelated readings studies and sermons making it difficult to grasp the progression of Scripture as a whole Living God's Word surveys the entire Bible through broad themes that trace the progression of God's redemptive plan focusing on how each portion of Scripture fits into the overarching narrative Once you see the Bible as a Great Story you'll begin to see how your own life fits into what God has done and is doing in the world Each section of Living God's Word deals with a section of Scripture and includes Reading and listening preparation An explanation A summary Observations about theological significance Connections to the Great Story Written assignments for further study Living God's Word is ideal for introductory college courses adult Sunday school classes small groups or anyone who wants to understand how their life fits into the story of the Bible enabling them to live faithfully in deep and important ways      **Preaching God's Word** Terry G. Carter, 2009-08-30 Learn to develop and deliver a biblical sermon that connects with today's audiences Preaching God's Word is a user friendly and practical homiletics textbook that integrates hermeneutical principles and stresses the importance of a strong exegetical foundation It teaches you how to understand your audience develop powerful applications use illustrations well and communicate effectively Preaching God's Word addresses How to develop and preach a biblical sermon Common issues with biblical preaching and how to avoid them Unique challenges and opportunities of preaching from specific biblical genres New Testament preaching Old Testament preaching Whether you are a student who is new to preaching or a veteran looking to brush up on your skills you will benefit from this hands on approach to preparing developing and delivering the sermon      Right from Wrong Mark Alan Smith, 2022-11-15 Where does morality come from Apologists people who offer a formal defense of their religion point to God as the answer By inspiring scriptures that people can read study and teach God supposedly gave humanity a guidebook for how to live Award winning scholar of religion and politics Mark Alan Smith shows the errors in this chain of assumptions Apologists find themselves forced to accept a book that condemns same sex love and authorizes slavery genocide capital punishment for minor offenses and many other practices widely recognized today as immoral Apologists try to protect their worldview by ignoring the offending passages constructing strained reinterpretations rationalizing the indefensible or appealing to God's mysterious ways Is there a non religious method for discovering the elements of an objective morality Yes Smith argues the worldview of humanism Humanists apply reason logic and evidence to all subjects Smith's humanist approach to morality relies on discussion and debate among diverse participants as the best means to attain a moral code stripped of the biases of each individual group

and society The result is a hopeful portrait of how to build on the moral progress humans have achieved since the writing of religious scriptures

*Your Identity in the Trinity* Sean Cole, 2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God's glory declare God's gospel and disciple for God's Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ

*The Manifold Beauty of Genesis One* Gregg Davidson, Kenneth J. Turner, 2021-11-16 See and celebrate the multilayered grandeur conveyed by the first chapter of Genesis The first chapter of the Bible's first book lays the foundation for all that follows about who God is and what God is like Our technology age fascination with the science of origins however can blind us to issues of great importance that don't address our culturally conditioned questions Instead Genesis One itself suggests the questions and answers that are most significant to human faith and flourishing Geologist Gregg Davidson and theologian Ken Turner shine a spotlight on Genesis One as theologically rich literature first and foremost exploring the layers of meaning that showcase various aspects of God's character Song Analogy Polemic Covenant Temple Calendar Land Our very knowledge of God suffers when we fail to appreciate the Bible's ability to convey multilayered truth simultaneously The Manifold Beauty of Genesis One offers readers the chance to cultivate an openness to Scripture's richness and a deeper faith in the Creator

**Securing Life** Robert P. Vande Kappelle, 2016-06-02 Securing Life represents a novel yet timely approach to reading and understanding the Bible While reverence for the Bible and respect for its authority remain high in our society biblical illiteracy misinterpretation and selective reading place us at risk The Bible seems to have a conserving effect on conservative readers a moderating effect on moderate readers and a liberating effect on liberal readers Do biblical texts contain conserving and liberating messages simultaneously Should biblical texts be limited to specific meaning and perspective acceptable by all or do they contain multiple levels of meaning While this book addresses these questions it does not approach the Bible as an answer book but rather as a collection of books multifaceted in nature its enduring purpose being to provide us with perspective for living faithfully and fully through the stages and seasons of our lives in harmony with God nature others and self Rather than starting chronologically with creation followed by accounts of the patriarchs the exodus the conquest and the monarchy this book follows a compositional approach used by the Yahwist an unknown author in Judea who composed Israel's first religious epic Like the Yahwist this book moves backward from Covenant through Community to

Creation but because it includes the New Testament it moves forward to New Covenant through New Community to New Creation. A chapter is devoted to each topic. These motifs are preceded by five preparatory chapters: three dealing with introductory matters, one with biblical theology, the doctrine of God, and one with biblical anthropology, the doctrines of sin and salvation. Utilizing the contributions of three disciplines: biblical introduction, biblical theology, and biblical interpretation, Dr. Vande Kappelle demonstrates that the Bible-like religion in general has both a conserving and liberating effect, providing perspective for formation and for transformation.
