Grassroots Development in Latin American & the Caribbean Wasserstrom Robert, 1985 **Cultural Expression and Grassroots Development** Charles D. Kley Meyer, 1994 Argues that a people s own cultural heritage is the foundation on which equitable and sustainable development can best be built The authors provide illustrations from 215 cases in 30 countries ranging from adult literacy centres to reforestation and conservation efforts **Annual Report**

Inter-American Foundation, 1990 Report for 1979 also includes statistics for 1978 Women, Culture, and Politics in Latin America Emilie L. Bergmann, Seminar on Feminism and Culture in Latin America, 1990 This collection because of its exceptional theoretical coherence and sophistication is qualitatively superior to the most frequently consulted anthologies on Latin American women s history and literature and represents a new more theoretically rigorous stage in the feminist debate on Latin American women Elizabeth Garrels Massachusetts Institute of Technology Grassroots Development, 1999 In Review Inter-American Foundation, *Historical Dictionary of the Cooperative Movement* Jack Shaffer, 1999-08-31 Provides snapshot views of the cooperative movement in all its diversity The only single source one can consult to find so much information on the different kinds of cooperatives significant figures including philosophers pioneers officials and leaders and the situation in a large number of countries With a list of acronyms an extensive chronology appendixes and a comprehensive bibliography **Social Impact Analysis And Development Planning In The Third World** William Derman, Scott

Whiteford, 2019-06-26 Although national governments and international agencies have committed vast sums of money to development many projects have not only failed to improve the lives of the poor but in some cases have created additional social and economic problems Such failures can often be traced to an inadequate understanding of the socio cultural reality of the people most directly affected and to a lack of their participation in project planning implementation and evaluation In this collection of essays scholars and practitioners from diverse disciplines examine many of the perplexing social issues of development planning from the perspective of social impact analysis Drawing on national regional and local case studies the authors demonstrate why sociocultural factors are seldom adequately understood and discuss how they can be effectively incorporated into the planning process **Confronting Change, Challenging Tradition** Gertrude M. Yeager, 1997-08-01 Understanding the role of women in Latin American history demands a full examination of their activities in the region s political economic and domestic spheres Toward this end historian Gertrude M Yeager has assembled the multidisciplinary

collection *Confronting Change Challenging Tradition* The essays in this volume explore the ways in which Latin American women have shaped and have been shaped by the traditional practices and ideologies of their cultures The selections are arranged in two sections Culture and the Status of Women and Reconstructing the Past **Questioning Empowerment** Jo Rowlands,1997-01-01 Focusing on the term empowerment this book examines the various meanings given to the concept of empowerment and the many ways power can be expressed in personal relationships and in wider social interactions **New Books** National Defense University. Library, **Foreign assistance and related programs appropriations for 1987** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Programs,1986 **Experiential Social Learning and Management for Social Transformation** Jeffrey Alan Dickinson,1988 **The World Bank and Non-Governmental Organizations** P. Nelson,1995-10-27 This book assesses the World Bank s interaction with non governmental organizations NGOs in projects policy dialogue and elsewhere Based on extensive project documents public and private policy statements and interviews the author identifies central organizational barriers to greater collaboration and accountability and links these to the international political economy of the World Bank The author suggests guidelines for judging organizational change in the World Bank reviews opportunities and dangers for NGOs in relating with major aid donors and discusses agenda and strategy **Foreign Assistance and Related Agencies Appropriations** United States.
