Diary of a Dying Girl Mallory Smith,2024-05-07 This collection of one girl s real unflinching diary entries about slowly dying of a terminal illness is an unparalleled exploration of the human spirit and what it means to truly live Many of the feelings I write about are too difficult to share while I m alive so I m keeping everything in my journal password protected until the end Mallory Smith was no ordinary girl and this is no ordinary story At age three Mallory was diagnosed with cystic fibrosis a disease that attacks the internal organs and would eventually kill her Despite living on borrowed time Mallory pursued her passions volleyball writing the environment her boyfriend family and friends Most importantly every day she chose to embody the mantra live happy Mallory also had her struggles everything from love and sex to living with illness and just being a human on this planet And she chronicled every bit of it writing thousands of diary entries before her death in her twenties This is the poignant true story of a young woman who refused to be defined by chronic illness Her light and her life are shared here in her own words to encourage everyone to live life to the fullest as she did even as she was dying

We Are Our Brains D. F. Swaab,2014-01-07 A vivid account of what makes us human Based groundbreaking new research We Are Our Brains is a sweeping biography of the human brain from infancy to adulthood to old age Renowned neuroscientist D F Swaab takes us on a guided tour of the intricate inner workings that determine our potential our limitations and our desires with each chapter serving as an eye opening window on a different stage of brain development the gender differences that develop in the embryonic brain what goes on in the heads of adolescents how parenthood permanently changes the brain Moving beyond pure biological understanding Swaab presents a controversial and multilayered ethical argument

surrounding the brain Far from possessing true free will Swaab argues we have very little control over our everyday decisions or who we will become because our brains predetermine everything about us long before we are born from our moral character to our religious leanings to whom we fall in love with And he challenges many of our prevailing assumptions about what makes us human decoding the intricate moral networks that allow us to experience emotion revealing maternal instinct to be the result of hormonal changes in the pregnant brain and exploring the way that religious imprinting shapes the brain during childhood Rife with memorable case studies *We Are Our Brains* is already a bestselling international phenomenon It aims to demystify the chemical and genetic workings of our most mysterious organ in the process helping us to see who we are through an entirely new lens Did you know The father s brain is affected in pregnancy as well as the mother s The withdrawal symptoms we experience at the end of a love affair mirror chemical addiction Growing up bilingual reduces the likelihood of Alzheimer s Parental religion is imprinted on our brains during early development much as our native language is Praise for *We Are Our Brains* Swaab s neurobiography is witty opinionated passionate and above all cerebral Booklist starred review A fascinating survey Swaab employs both personal and scientific observation in near equal measure Publishers Weekly starred review A cogent provocative account of how twenty first century neuroculture has the potential to effect profound medical and social change Kirkus Reviews

Chambers's Journal of Popular Literature, Science and Arts ,1847 For Pete's Sake Pamela Chappell,2011-02-23 There are books that help you laugh or cry and books that inspire or motivate you There are authors who share the challenges of their lives and those that share the triumphs *For Pete s Sake* does it all In this deeply moving memoir of trust and courage acclaimed singer songwriter Pamela Chappell poignantly writes of her newlywed husband Pete s heart transplant and its frightening aftermath *For Pete s Sake* dramatically depicts one caretaker s harrowing journey with all of its bumps and its beauty Chappell s dedication to both her husband and her faith will engage heal uplift and inspire *Journal of the American Statistical Association* ,2008

European Child Health Services And Systems: Lessons Without Borders Wolfe, Ingrid,McKee, Martin,2014-02-01 The book focuses on three key aspects of delivery of child health services service integration and coordination public health measures and enhancing the quality of care for children **The Canadian Journal of Cardiology** ,2005 *GraceQuest* Robert V. Rakestraw,2015-04-13 In this fascinating spiritual theological autobiography Robert Rakestraw tells of his lifelong unceasing search for God After a troubled and unconventional childhood he came to know the grace and freedom of God in a personal way during his college years He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life Without technical language Rakestraw highlights significant developments and revisions in his understanding of God and God s ways of interacting with the world In striking and sometimes intimate detail he relates compellingly his experiences as a student pastor professor sufferer heart transplant recipient and above all seeker of God Dr Rakestraw s gripping portrayal of his difficulties and sufferings especially with regard to health issues does not come across as depressing

Rather it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God extolled by the author
