Postcard America Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard's subject describes aspects of its production and places it in social and

cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images **Simon Gray Unbound** Peter Wolfe,2014-01-10 The work of English playwright Simon Gray 1936 2008 has always resisted ideological and stylistic labels His artistic independence has also had an unwelcome side effect It cost him the critical attention garnered by his peers This book the first monograph on Gray examines his oeuvre from the early plays which hack away at the formalism and humanism of traditional English satire to the later ones in which he explores English professionals and their problems connecting with each other If Gray remains the least known major English dramatist of his day he is also one of the boldest and best *Henry Miller* Lawrence J. Shifreen,1993 *Meri's Turn in Time* Kathleen Ann Emmett,2023-01-24 Meri grew up under the wide Montana sky on a small farm near the Canadian border milking cows feeding chickens and listening to her brother's tales of the stars and starlore But as graduation loomed near she began to regard the figures on the celestial carousel with the sentimentality of a forgotten toy and became increasingly uneasy with her expected entry into a university She had too many questions questions that sitting in a classroom wouldn't answer She needed to find some solid truths truths she could pound against and they wouldn't crumble She was determined to seek them out Leaving for the west coast Meri and her best friend Christine end up moving in with Rex an old environmental warrior who takes them to an old growth forest shares the tools of activism and to Meri's surprise aspires to the same mindset of putting all on the line for a meaningful life Soon she finds work at a state agency starts taking classes and joins protests But she is still strangely comforted when glancing up she makes out familiar figures in that ancient ring of myths encircling the earth She imagines that as ancient sky watchers mapped the path of the sun in the night sky they wove tales of their movements and their own lore into the stars And as she begins to relate to the tales of guardianship and farming balance and wildlife and so many others she begins to find a true purpose and a path for this her turn in time *Important Artifacts and Personal Property from the Collection of Lenore Doolan and Harold Morris, Including Books, Street Fashion, and Jewelry* Leanne Shapton,2009-02-03 A love story told in the form of an auction catalog Auction catalogs can tell you a lot about a person their passions and vanities peccadilloes and aesthetics their flush years and lean Think of the collections of Jacqueline Kennedy Onassis Truman Capote the Duke and Duchess of Windsor In Leanne Shapton's marvelously inventive and invented auction catalog the 325 lots up for auction are what remain from the relationship between Lenore Doolan and Harold Morris who aren't real people but might as well be Through photographs of the couple's personal effects the usual auction items jewelry fine art and rare furniture and the seemingly worthless pajamas Post-it notes worn paperbacks the story of a failed love affair vividly and cleverly emerges From first meeting to final separation the progress and rituals of intimacy are revealed through the couple's accumulated relics and memorabilia And a love story in all its tenderness and struggle emerges from the evidence that has been left behind laid out for us to appraise and appreciate In an earlier work *Was She Pretty* Shapton a

talented artist and illustrator subtly explored the seemingly simple yet powerfully complicated nature of sexual jealousy In Important Artifacts and Personal Property from the Collection of Lenore Doolan and Harold Morris a very different yet equally original book she invites us to contemplate what is truly valuable and to consider the art we make of our private lives
