Index Bruce Pollock,2014-03-18 The Rock Song Index Second Edition is a new version of a well received index to the classic songs of the rock canon from the late 40s through the end of the 20th century The study of the history of rock music has exploded over the last decade all college music departments offer a basic rock history course covering the classic artists and their songs *Risky Business* William D. Romanowski,2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century Rock music and its interaction with film is the subject of this significant book that re examines and extends Serge Denisoff s pioneering observations of this relationship Prior to Saturday Night Fever rock music had a limited role in the motion picture business That movie s success and the success of its soundtrack began to change the silver screen In 1983 with Flashdance the situation drastically evolved and by 1984 ten soundtracks many in the pop rock genre were certified platinum Choosing which rock scores to discuss in this book was a challenging task The authors made selections from seminal films such as The Graduate Easy Rider American Grafitti Saturday Night Fever Help and Dirty Dancing However many productions of the period are significant not because of their success but because of their box office and record store failures Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century This book is essential for those interested in communications popular culture and social change Billboard ,1978-07-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

The American Blockbuster Benjamin Crace,2022-10-18 Providing an indispensable resource for students and general readers this book serves as an entry point for a conversation on America s favorite pastime focusing in on generational differences and the evolution of American identity In an age marked by tension and division Americans of all ages and backgrounds have turned to film to escape the pressures of everyday life Yet beyond escapism popular cinema is both a mirror and microscope for our collective psyche Examining the films that have made billions of dollars through a new lens reveals that popular culture is a vital source for understanding what it means to be an American This book is divided into four sections each associated with a different generation Featuring such era defining hits as Jaws Back to the Future Avatar and The Avengers each section presents detailed film analyses that showcase the consistency of certain American values throughout generations as well as the constant renegotiation of others Ideal for any cinephile The American Blockbuster demonstrates how complex and meaningful even the summer blockbuster can be **Billboard** ,1978-07-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **America's Songs III: Rock!** Bruce Pollock,2017-03-16

America's Songs III Rock picks up in 1953 where America's Songs II left off describing the artistic and cultural impact of the rock n roll era on America's songs and songwriters recording artists and bands music publishers and record labels and the all important consuming audience The Introduction presents the background story discussing the 1945 1952 period and focusing on the key songs from the genres of jump blues rhythm n blues country music bluegrass and folk that combined to form rock n roll From there the author selects a handful of songs from each subsequent year up through 2015 listed chronologically and organized by decade As with its two preceding companions America's Songs III highlights the most important songs of each year with separate entries More than 300 songs are analyzed in terms of importance both musically and historically and weighted by how they defined an era an artist a genre or an underground movement Written by known rock historian and former ASCAP award winner Bruce Pollock America's Songs III Rock relays the stories behind America's musical history
