

A digital illustration of a church with a prominent steeple. The church is constructed of dark red brick and features a white-painted porch with a railing. A large, jagged crack runs vertically down the right side of the church's exterior wall, revealing a lighter, textured interior. The church is set against a dramatic, cloudy sky in shades of brown, orange, and yellow, suggesting a sunset or sunrise. The overall mood is somber and contemplative.

*THE RISE OF CATHOLICISM* Edward D. Andrews,2022-11-09 The argument often given by those within Catholicism is that the Catholic Church goes clear back to the apostle Peter as the first pope Apostolic succession is the method whereby the ministry of the Christian Church is held to be derived from the apostles by a continuous succession which has usually been associated with a claim that the succession is through a series of bishops They would also say that many early Christian writers used Catholicism We will see that Catholicism goes back to Jesus Christ Peter and Paul in the first century However not in the way that the Catholic Churchmen might want to accept but it is nevertheless true And having an understanding of what the word Catholicism means will help us understand why early Christian writers used it and why many Protestant authors have used it
