Coldhearted River Kim Trevathan, 2006 Coldhearted River explores the river's past invoking the ghosts of the Shawnee and Cherokee Daniel Boone and the French fur trappers who arrived before him early settlers of Kentucky and Tennessee such as James Robertson and John Donelson and a binge drinking ex farmer named Ulysses Grant who won his first significant battle at Fort Donelson early in the Civil War Jacket RURAL ODYSSEY V Mark J. Curran, 2023-11-08 RURAL ODYSSEY V TROUBLE IN A KANSAS RIVER TOWN is a return to fiction It tells the latest in Curran's stories of Abilene Kansas Trouble comes to Abilene in an unexpected armed attack on the town and its residents in 1971 by KKK and rugged individualists out for revenge for the conviction and imprisonment in Abilene of their relatives and cronies in past years Following the troubles the author writes of protagonists Mike and Mariah's teaching at the Dwight D Eisenhower College in Abilene the birth of their daughter Ariel Sarah O'Brien Palafox and the Palafox family's travel to Spain With the passage of time and events in Abilene Mike and Mariah make a life changing move back east and work and teaching at Harvard Book Two a Novella Ballad of the Smoky Hill River Rambler tells the story of Abilene's Mickey Clancy's dream of performing singing and playing guitar including classical guitar in the restaurants and bars in Durango and other towns of Southwest Colorado As his music evolves and the repertoire grows he encounters romance and surprises not always pleasant as an itinerant musician Snowy Egret , 1980 **Tears of an Innocent God** Elias Marechal, 2015 A book on contemplation Tears of an Innocent God invites the reader to explore the ways of the One who would have us perceive listen and love as Christ did and still does not by imitation but through a gradual inner transformation **Dog Walks Man** John Zeaman, 2011-10-04 A humorous thoughtful absorbing narrative about the metaphysical joys of a simple daily task Imagine if Annie Dillard had taken a dog along with her to Tinker Creek Now imagine Tinker Creek was a New Jersey suburb and you have an idea of the surprises that await in John Zeaman's book Humorous thought provoking and playful Dog Walks Man might also be called Zen and the Art of Dog Walking Zeaman takes us on a journey from a round the block fraternity of dog walking dupes suburban fathers who indulged their children's wish for a dog to a strange and forbidden wonderland at the edge of town the New Jersey Meadowlands Along the way he rediscovers childhood's forgotten fringe places investigates the

mysteries of the natural world and experiences moments of inexplicable joy Each chapter of Dog Walks Man is a bite size meditation on the wisdom derived from dogs and dog walking Woven into the narrative are musings on such familiar dog walking issues as the war of nerves that precedes each walk or w a l k if your dog is in earshot the problem of dog walking monotony and why dog walkers are always the ones to discover dead bodies This is also the story of Pete the prescient standard poodle who begins as the family glue and evolves into Zeaman s partner on a journey through an abandoned landscape as alive as any jungle Above all Dog Walks Man is about a search for wholeness in an increasingly artificial world It is about discovering what Thoreau meant when he wrote in his seminal essay Walking Life consists with wildness Because the truth is something as simple as walking the dog can open up unexpected worlds An excerpt In the beginning I walked around the block Or a couple of blocks It didn t seem to matter That it didn t matter was in itself novel It had been a long time since I had gone out without any particular destination or direction without knowing whether I was going to turn left or turn right at the end of the front walk The simple aimlessness of it made me feel like a kid again Pete with his boundless enthusiasm for the outside world was like the reincarnation of that juvenile self We d hit the sidewalk and like two kids with nothing special to do spend a half hour meandering about We were suburban vagabonds In the mornings with the whole world rushing to get somewhere there was something almost subversive about roaming around with a companion who had no responsibilities We walked the irregular streets of our hilly town We each had our compulsions I revived the childhood aversion to stepping on cracks Pete made sure that every tree was marked with his scent At night Pete and I would escape the sometimes suffocating sweetness of family life the pajamas and stories the smell of toothpaste and sheets the damp goodnight kisses and prolonged hugs We d slip out into the silky night like a pair of teenage boys with high hopes for a Saturday night We d walk beneath the streetlights from one pool of light to the next The people in the houses would drift past the windows like aquarium fish Pete with his black coat was practically invisible in the dark stretches and I would let him off the leash
