,1868 *The Saint Pauls Magazine* ,1868 *Stories of Childhood* Dean W. Duncan,2015-11-03 This study questions the widely held perception that books as an artistic medium are superior to and more respectable than film or television sometimes considered frivolous and pernicious Criticism of both the big and small screens often obscures their signal accomplishments and the entertainment and insight they provide The author analyzes our distaste for these media and the romanticizing of the printed word that accompanies it and argues that books and films are in fact quite complementary A broad survey of film and TV offerings explores what enacted narratives have taught us about the nature of childhood

Dave McNeely,Jim Henderson,2012-09-21 Renowned for his fierce devotion to the people of Texas as well as his equally fierce rages and unpredictable temper Bob Bullock was the most powerful political figure in Texas at the end of the twentieth century First elected to the Texas House of Representatives in 1956 Bullock held several key statewide posts before capturing the lieutenant governor s office in 1990 Though nominally the state s number two official Bullock in fact became Texas s top power broker wielding tremendous influence over the legislative agenda and state budget through the 1990s while also mentoring and supporting a future president George W Bush In this lively yet thoroughly researched biography

award winning journalists Dave McNeely and Jim Henderson craft a well rounded portrait of Bob Bullock underscoring both his political adroitness and his personal demons They trace Bullock s rise through state government as Assistant Attorney General Secretary of State State Comptroller and Lieutenant Governor showing how he increased the power of every office he held The authors spotlight Bullock s substantial achievements which included hiring an unprecedented number of women and minorities instituting a performance review to increase the efficiency of state agencies restructuring the public school funding system and creating the state s first water conservation and management plan *The Day of days, conducted by C.
