Ewing Ritchie, 2022-09-16

In *Pictures of Canadian Life: A Record of Actual Experiences* J. Ewing Ritchie masterfully captures the essence of 19th century Canadian society through vivid descriptions and engaging narratives. This work is steeped in realism, exploring the everyday experiences of a diverse cast of characters from settlers and Indigenous populations to merchants and laborers. Ritchie employs a documentary style that merges personal anecdotes with broader social commentary, reflecting the complexities and challenges of life in Canada during this transformative period. His observations not only highlight the geographical and cultural richness of the region but also serve as a historical snapshot, revealing the intricacies of human experience against a backdrop of evolving national identity.

J. Ewing Ritchie was a keen observer of society, and his extensive travels across Canada profoundly influenced his writing. With a background in journalism and a keen interest in the lives of ordinary people, Ritchie's dedication to presenting an authentic portrayal of Canadian life is evident in this book. His ability to weave personal insights with social critique underscores his innovative approach to literature and his commitment to showcasing the voices often marginalized in historical narratives.

For readers interested in a nuanced understanding of Canadian history and culture, Ritchie's *Pictures of Canadian Life* offers a compelling and immersive experience. This book is not only a treasure trove of rich imagery and narrative depth but also an important historical document that emphasizes the significance of shared human experiences. A must-read for anyone seeking to grasp the diverse tapestry of Canadian life.

Lunching one day in Toronto with one of the aldermen of that thriving city I may as well frankly state that we had turtle soup on the occasion he remarked that he had been in London the previous summer and that he was perfectly astonished at the idea Englishmen seemed to have about Canada. He was particularly indignant at the way in which it was coolly assumed that the Canadians were a barbarous people planted in a wilderness ignorant of civilization deficient in manners and customs a well meaning people of whom in the course of ages something might be made but at present in a very nebulous and unsatisfactory state. It seems my worthy friend had gone to hear a popular Q. C. a gentleman of Liberal proclivities very anxious to write M. after his name deliver a lecture to the young men of the Christian Association in Exeter Hall on Canada. Never was a man more mortified in all his life than was the alderman in question. All the time the lecture was being delivered he said he held down his head in shame. I felt said he rising to a climax as if I must squirm. What squirming implies the writer candidly admits that he has no idea. Of course it means something very bad. All he can say is that it is his hope and prayer that in the following pages he may set no Canadian squirming. He went out to see the nakedness or the reverse of the land to ask the emigrants how they were getting on to judge for himself whether it was worth any

Englishman s while to leave home and friends to cross the Atlantic and plant himself on the vast extent of prairie stretching between Winnipeg and the Rocky Mountains What he heard and saw is contained in the following pages originally published in the Christian World and now reproduced as a small contribution to a question which rises in importance with the increase of population and the growing difficulty of getting a living at home *Canadian Railway and Marine World* ,1915 *The Railway Age and Northwestern Railroader* ,1897 *Pictorial Review* ,1918 Includes music *Railfan & Railroad* ,2006
