Great American Rascal The Turbulent Life:

The Great American Rascal Philip Vail (pseud.),1973 **The Great American Rascal** Philip Vail,1973 Discusses Burr's ambitions and achievements as well as illuminating the misfortunes in his personal relationships and political career

Parallel Lives Karl Baughman,Brook Poston,2022-06-01 This book compares selected Romans of the late Republic with American Founders in the style of Plutarch encouraging readers to rethink how we view heroes and villains and their conceptions of republicanism Through entertaining yet informative short comparisons this volume demonstrates the humanity of heroes and villains from different times and places through their often idiosyncratic similarities and differences Readers gain not only a fuller understanding of the late Roman and early American Republics and their leaders but also an appreciation for comparative biography in its ability to make connections across the human experience The book provides a way to connect two different areas of study focusing on how republicanism shaped both Romans and American Founders and providing a previously unexplored contribution to a growing trend of broadening historical exposure In doing so Baughman and Poston demonstrate the continued need for connecting different fields of history while also helping students understand their connection to the ancient past This book is suitable for students and scholars interested in the late Roman and the early American Republics and also appeals to readers of varied interests across historical times and places particularly those studying the connections between the classical past and modern world *The Turbulent Life of Aaron Burr* Philip Vail,1973

Notorious New Jersey Jon Blackwell,2007-10-29 *Notorious New Jersey* is the definitive guide to murder mayhem the mob and corruption in the Garden State With tabloid punch Jon Blackwell tells riveting accounts of Alexander Hamilton falling mortally wounded on the dueling grounds of Weehawken Dutch Schultz getting pumped full of lead in the men's room of the Palace Chop House in Newark and a gang of Islamic terrorists in Jersey City mixing the witch's brew of explosives that became the first bomb to rock the World Trade Center Along with these dramatic stories are tales of lesser known oddities such as the nineteenth century murderer whose skin was turned into leather souvenirs and the state senator from Jersey City who faked his death in a scuba accident in the 1970s in an effort to avoid prison Blackwell also sheds light on some historical whodunits was Bruno Hauptmann really guilty of kidnapping the Lindbergh baby Who was behind the anthrax attacks of 2001 Not forgotten either are notorious characters who may actually be innocent including Rubin Hurricane Carter and those who have never been convicted of wrongdoing although they left office in scandal including Robert Torricelli and James McGreevey Through 100 historic true crime tales that span over 300 years of history Blackwell shows readers a side of New Jersey that would make even the Sopranos shudder **Cipher/Code of Dishonor; Aaron Burr, an American Enigma**

Alan J. Clark, M.D.,2005-06-30 *Trinity The Burrs versus Alexander Hamilton and the United States of America* will be the first book to draw on unreported documents and genealogical information to reveal an unprecedented look into the relationships of Aaron Burr Alexander Hamilton Trinity Church Corporation and the Loyalists of Manhattan Island Author Alan J Clark

shows in new perspective the battles and intrigues leading beyond the American Revolutionary War With the melding of genealogy and timeline analysis Clark examines some of the intriguing ciphered letters of Aaron Burr to his daughter Theodosia and looks again at Burr's curious and complex war time exploits to determine where his Loyalist tendencies actually began Clark further examines the land leases then traded prior during and after the war as speculation or possibly as rewards from the English Crown for services performed in its favor in the colonies primarily through the Corporation of Trinity Church The economics of early Manhattan and the Atlantic colonies were bolstered by the complex and secular behavior of the Corporation of Trinity Church acting as land bank for the Loyalists to the Throne of England Clark appears to fill in the gaps in many recently published tomes by delving deeper into the actions of Burr and Hamilton examining their extensive familial connections and behaviors to arrive at a complex web of intricacy bringing to life American History at its most personal level This book does not reiterate the well worn paths of American History Instead it brings a crisp new approach that makes sense of seemingly insignificant disjointed and inconsistent stories of the early history of our country
