Great Britain Japan 1911 15 A Study Of

JS Bruner

Great Britain Japan 1911 15 A Study Of:

Great Britain and Japan 1911-15 Peter Lowe, 2014 **The Anglo-Japanese Alliance, 1902-1922** Phillips O'Brien, 2003-12-25 This book brings together many leading experts who examine the different aspects of the Alliance in its different stages before during and after the First World War who explore the reasons for its success and for its end

Britain's Imperial Century, 1815-1914 R. Hyam, 2002-09-23 The undisputed best introduction to the history of the world wide pattern of British activity in the nineteenth century embracing its expansive spirit as well as its formal territorial empire The dynamics of this extraordinary enterprise are considered broadly the high political concerns of strategy and international geopolitics are analyzed as well as the economic dimension missionary activity and racial attitudes together with a wide range of cultural aspects including sport and the pursuit of sexual opportunity Nor is the personal contribution of some of the leading Victorian figures neglected

English Historical Documents, 1874-1914 David Charles Douglas, W. D. Hancock, 1996 English Historical Documents is the most ambitious impressive and comprehensive collection of documents on English history ever published An authoritative work of primary evidence each volume presents material with exemplary scholarly accuracy Editorial comment is directed towards making sources intelligible rather than drawing conclusions from them Full account has been taken of modern textual criticism A general introduction to each volume portrays the character of the period under review and critical bibliographies have been added to assist further investigation Documents collected include treaties personal letters statutes military dispatches diaries declarations newspaper articles government and cabinet proceedings orders acts sermons pamphlets agricultural instructions charters grants guild regulations and voting records Volumes are furnished with lavish extra apparatus including genealogical tables lists of officials chronologies diagrams graphs and maps

Great Britain and Japan, 1911-15 Peter Lowe, 1969 **World War I and the Triumph of a New Japan, 1919-1930** Frederick R. Dickinson, 2013-10-03 A new integrative history of interwar Japan highlighting the transformative effects of the Great War far from the Western Front

English Historical Documents W.D. Hancock, G.M. Young, 2024-11-01 English Historical Documents is the most ambitious impressive and comprehensive collection of documents on English history ever published An authoritative work of primary evidence each volume presents material with exemplary scholarly accuracy Editorial comment is directed towards making sources intelligible rather than drawing conclusions from them Full account has been taken of modern textual criticism A general introduction to each volume portrays the character of the period under review and critical bibliographies have been added to assist further investigation Documents collected include treaties personal letters statutes military dispatches diaries declarations newspaper articles government and cabinet proceedings orders acts sermons pamphlets agricultural instructions charters grants guild regulations and voting records Volumes are furnished with lavish extra apparatus including genealogical tables lists of officials chronologies diagrams graphs and maps

Imperial Britain Andrew S. Thompson, 2014-07-30 This new study

considers the impact of the empire upon modern British political culture The economic and cultural legacy of empire have received a great deal of attention but historians have neglected the effects of empire upon the domestic British political scene Dr Thompson explores economic demographic intellectual and military influences and he shows how parliamentary and party opinion interacted with imperial ideas and interests in the country at large This is a major new book which explores the ideology of key imperial campaigns and their popular support It makes a critical contribution to recent debates about the importance of empire to the nature and development of British national identities before and after the First World War

The History of Anglo-Japanese Relations, 1600-2000 I. Nish,Y. Kibata,2000-02-16 The Political Diplomatic Dimension 1600 1930 consists of parallel essays by Japanese and British academic specialists covering comprehensively the history of relations between Japan and Britain from the first contacts in the seventeenth century to the present This study and its companion Volume 2 demonstrates that in the political diplomatic sphere while there have been periods of serious disagreement there has been on the whole a relationship of harmony and mutual understanding Historical Dictionary of Japanese Foreign Policy Mayako Shimamoto,Koji Ito,Yoneyuki Sugita,2015-07-01 The Historical Dictionary of Japanese Foreign Policy includes a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japanese Foreign Policy The Decade of the Great War ,2014-05-15 Consisting of twenty three essays The Decade of the Great War examines the 1910s as a pivotal period with deep connections both to the imperialist heyday of the 1880s 1890s and to the vibrant global politics commercial expansion and social movements of the 1920s It critically reviews Japan s diplomatic and military relations offering both a reexamination of some of the issues addressed in the earlier scholarship on the war years and a needed sense of the breadth of Japan s new international relations It highlights the importance of transnational approaches to the study of Japan s domestic intra imperial and foreign affairs Together the essays in this volume provide a wide range of perspectives on relations within Asia and between Asian European and North American states Contributors are Isao Chiba Yuehtsen Juliette Chung Evan Dawley Martin Dusinberre Bert Edstr m Sel uk Esenbel Rustin B Gates Tze ki Hon Masato Kimura Chaisung Lim John D Meehan SJ Tosh Minohara Hiromi Mizuno Tadashi Nakatani Sochi Naraoka Yoshiko Okamoto Sumiko Otsubo Ewa Pa asz Rutkowska Caroline Rose J Charles Schencking Chika Shinohara Shusuke Takahara and Sue C Townsend The British Empire and Tibet 1900-1922 Wendy Palace,2004-08-02 In August 1904 Sir Francis Younghusband s invasion force reached the forbidden city of Lhasa The British invasion of Tibet in 1903 acted as a catalyst for change in a world transformed by revolution war and the rise of a new order Using unofficial government sources private papers and the diaries and memoirs of those involved this book examines the impact of Younghusband s invasion and its aftermath inside Tibet **The China Question** T. G. Otte,2007-04-05 Between 1894 and 1905 the question of the Chinese Empire s future

development its survival even was the most pressing overseas problem facing the Great Powers The frantic scramble for Africa and the often more intense drama of the Eastern Question notwithstanding it was the China Question that had the most profound implications for the Powers Since China's defeat in the 1894-5 war with Japan the country's final disintegration was widely anticipated and so was a wider Great Power conflict in the event of China's implosion At times that prospect seemed very real The prospect of China's break up and of large scale international conflict in its wake altered the configuration among the Great Powers Instability in the Far East had ramifications beyond the confines of the region and as this study shows the events of 1894-5 initiated a wider transformation of international politics No Power was more affected by these changes than Britain The China Question therefore provides an ideal prism through which to view the problems of late nineteenth century British world policy and the policy of isolationism in particular This study breaks new ground by adopting a deliberately global approach in looking at British policy emphasizing the connections between European and overseas developments and by encompassing diplomatic commercial financial and strategic factors as well as the politics of foreign policy

The Strategic Illusion Ian Hamill, 1981 **Japan and the Great War** Antony Best, Oliviero Frattolillo, 2015-10-05 In this book seven internationally renowned experts on Japanese and Asian history have come together to investigate with innovative methodological approaches various aspects of the Japanese experience during and after the First World War

The Origins of World War I Richard F. Hamilton, Holger H. Herwig, 2003-02-24 This work poses a straightforward yet at the same time perplexing question about World War I Why did it happen Several of the oft cited causes are reviewed and discussed The argument of the alliance systems is inadequate lacking relevance or compelling force The arguments of mass demands those focusing on nationalism militarism and social Darwinism it is argued are insufficient lacking indications of frequency intensity and process how they influenced the various decisions The work focuses on decision making on the choices made by small coteries in Austria Hungary Germany Russia France Britain and elsewhere The decisions made later by leaders in Japan the Ottoman Empire Italy the Balkans and the United States are also explored The final chapters review the basic causes once again An alternative position is advanced one focused on elites and coteries their backgrounds and training and on their unique agendas

Australia and World Crisis, 1914-1923 Neville Meaney, 2009-07-31 Australia and World Crisis 1914-1923 is the second volume in a pioneering two volume history of Australian defence and foreign policy It is based on wide ranging research in collections of personal and official papers in Australia Britain the United States and Canada Linking up with the first volume The Search for Security in the Pacific it offers a new and path breaking understanding of Australia's relations with the world from the outbreak of the First World War to the making of peace in Europe and the Pacific This study explores a number of fundamental issues that shaped Australia's response to the world in this era such as race and culture geopolitics and security domestic divisions and ideas of loyalty and the philosophies and personalities of the chief policy makers From the outset of this global conflict Australia was involved in a

hot war in Europe against Germany and its allies and in a cold war in the Pacific against Japan The British Australians for reasons of sentiment and interest supported the Mother Country but even as they did so they were deeply concerned about Japan s ambitions As a result Japan figured prominently in Australia s approach to the war and the peace Indeed for the Australians the cold war did not come to an end until the Washington Conference of 1921 2 when Japan with the other Pacific powers agreed to limit naval building and to respect existing territories in China and the Pacific In tracing out this story the book throws light on many particular aspects of the hot and cold wars They include the origins of Asian studies in Australia intelligence gathering the secret service and loyalty leagues the fear of Japan in the conscription controversy Irish Catholics and the Anglo Irish War The labour movement and the Bolshevik revolution the ideological clash of the American President and the Australian Prime Minister over peacemaking the visit of the Prince of Wales Britishness and the failure of the idea of Greater Britain all influenced the development of Australia s defence and foreign policy At the end of the book there is an attempt to provide an assessment of Australia s leadership through these testing times and to point out the significance of this experience for a later generation of Australia policy makers

Australia and World Crisis, 1914-1923 Neville Kingsley Meaney, 2009 Australia and World Crisis 1914 1923 is the second volume in a pioneering two volume history of Australian defence and foreign policy It is based on wide ranging research in collections of personal and official papers in Australia Britain the United States and Canada Linking up with the first volume The Search for Security in the Pacific it offers a new and path breaking understanding of Australia s relations with the world from the outbreak of the First World War to the making of peace in Europe and the Pacific This study explores a number of fundamental issues that shaped Australia s response to the world in this era such as race and culture geopolitics and security domestic divisions and ideas of loyalty and the philosophies and personalities of the chief policy makers From the outset of this global conflict Australia was involved in a hot war in Europe against Germany and its allies and in a cold war in the Pacific against Japan The British Australians for reasons of sentiment and interest supported the Mother Country but even as they did so they were deeply concerned about Japan s ambitions As a result Japan figured prominently in Australia s approach to the war and the peace Indeed for the Australians the cold war did not come to an end until the Washington Conference of 1921 2 when Japan with the other Pacific powers agreed to limit naval building and to respect existing territories in China and the Pacific In tracing out this story the book throws light on many particular aspects of the hot and cold wars They include the origins of Asian studies in Australia intelligence gathering the secret service and loyalty leagues the fear of Japan in the conscription controversy Irish Catholics and the Anglo Irish War The labour movement and the Bolshevik revolution the ideological clash of the American President and the Australian Prime Minister over peacemaking the visit of the Prince of Wales Britishness and the failure of the idea of Greater Britain all influenced the development of Australia s defence and foreign policy At the end of the book there is an attempt to provide an assessment of Australia s leadership through these testing times and to point out the significance of

this experience for a later generation of Australia policy makers **Britain's Retreat from Empire in East Asia, 1905-1980** Antony Best, 2016-09-13 The decline of British power in Asia from a high point in 1905 when Britain's ally Japan vanquished the Russian Empire apparently reducing the perceived threat that Russia posed to its influence in India and China to the end of the twentieth century when British power had dwindled to virtually nothing is one of the most important themes in understanding the modern history of East and Southeast Asia This book considers a range of issues that illustrate the significance and influence of the British Empire in Asia and the nature of Britain's imperial decline Subjects covered include the challenges posed by Germany and Japan during the First World War British efforts at international co operation in the interwar period the British relationship with Korea and Japan in the wake of the Second World War and the complicated path of decolonisation in Southeast Asia and Hong Kong Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **British Envoys in Japan, 1859-1972** , 2021-10-01 Comprehensive coverage of the diplomatic history in Japan of H M Representatives and the events that marked their period of office

As recognized, adventure as skillfully as experience more or less lesson, amusement, as well as covenant can be gotten by just checking out a ebook **Great Britain Japan 1911 15 A Study Of** then it is not directly done, you could acknowledge even more approaching this life, regarding the world.

We have enough money you this proper as capably as easy mannerism to acquire those all. We have enough money Great Britain Japan 1911 15 A Study Of and numerous book collections from fictions to scientific research in any way. in the midst of them is this Great Britain Japan 1911 15 A Study Of that can be your partner.
