## Great Canoes Reviving A Northwest Coast:

**The Great Canoes** David Neel, 1995 The cedar canoe was central to the lives of the Northwest Coast's First Peoples. With the increased use of gas boats in the late 19th century the tradition of canoe building almost disappeared. But in the mid 1980s the great canoes began to be built again. They returned transformed sacred vessels bearing ancient knowledge to the people. This book by Kwagiutl photographer David Neel explores the rebirth of the Northwest Coast canoe. Neel combines 70 of his most spectacular photographs with words from elders, builders, paddlers, chiefs, and young people. The photos and text document the impressive canoe gatherings of the last few years, including the landmark Qatuwas Festival hosted by the Heiltsuk Nation of Bella Bella in 1993, which brought together more than 3000 people from thirty nations, and the 1994 Tribal Journeys paddle to Victoria for the opening of the Commonwealth Games. *The Canoe in Canadian Cultures* Bruce W. Hodgins, John Jennings, Doreen Small, 2001-05-15 The canoe is a symbol unique to Canada. One of the greatest gifts of First Peoples to all those who came after, the canoe is Canada's most powerful icon. Within this Canexus II publication are a collection of essays by paddling enthusiasts and experts. Contributing authors include Eugene Arima, Shanna Balazs, David Finch, Ralph Frese, Toni Harting, Bob Henderson, Bruce W. Hodgins, Bert Horwood, Gwyneth Hoyle, John Jennings, Timothy Kent, Peter Labor, Adrian Lee, Kenneth R. Lister, Becky Mason, James Raffan, Alister Thomas, and Kirk Wipper. Understanding Northwest Coast Art Cheryl Shearar, 2008-09-01 Easy to use and easy to read. Understanding Northwest Coast Art is an essential source for understanding and visually identifying the underlying themes and subjects of Northwest Coast Native art. The first section of this book features an alphabetical list of words relating to Northwest Coast art with definitions, descriptions, and explanations, and synopses of the major myths associated with them. As an aid to identification and understanding, many of the crests, beings, and symbols are illustrated in the 60 black and white reproductions of contemporary works of art. The second section offers descriptions of the art styles and types of decorated objects created by the various Northwest Coast cultural groups. *Chinook Resilience* Jon D. Daehnke, 2017-11-01 The Chinook Indian Nation, whose ancestors lived along both shores of the lower Columbia River as well as north and south along the Pacific coast at the river's mouth, continue to reside near traditional lands. Because of its nonrecognized status, the Chinook Indian Nation often faces challenges in its efforts to claim and control cultural heritage and its own history and to assert a right to place on the Columbia River. *Chinook Resilience* is a collaborative ethnography of how the Chinook Indian Nation, whose land and heritage are under assault, continues to move forward and remain culturally strong and resilient. Jon Daehnke focuses on Chinook participation in archaeological projects and sites of public history, as well as the tribe's role in the revitalization of canoe culture in the Pacific Northwest. This lived and embodied enactment of heritage, one steeped in reciprocity and protocol rather than documentation and preservation of material objects, offers a tribally relevant, forward-looking, and decolonized approach for the cultural resilience and survival of the Chinook Indian Nation, even in the face of federal nonrecognition. **Honoring the Medicine** Kenneth S. Cohen, 2018-12-04 For thousands of years Native medicine was the only medicine on the North American continent. It is America's original holistic medicine, a powerful means of healing the body, balancing the emotions, and renewing the spirit. Medicine men and women prescribe prayers, dances, songs, herbal mixtures, counseling, and many other remedies that help not only the individual but the family and the community as well. The goal of healing is both wellness and wisdom. Written by a master of alternative healing practices, *Honoring the Medicine* gathers together an unparalleled abundance of information about every aspect of Native American medicine and a healing philosophy that connects each of us with the whole web of life: people, plants, animals, the earth. Inside you will discover: The power of the Four Winds; the psychological and spiritual qualities that contribute to harmony and health; Native American Values including wisdom from the Wolf and the importance of commitment and cooperation; The Vision Quest searching for the Great Spirit's guidance and life's true purpose; Moontime rituals, traditional practices that may be observed by women during menstruation; Massage techniques, energy therapies, and the need for touch; The benefits of ancient purification ceremonies such as the Sweat Lodge; Tips on finding and gathering healing plants; the wonders of herbs; The purpose of smudging, fasting, and chanting; and how science confirms their effectiveness. Complete with true stories of miraculous healing, this unique book will benefit everyone who is committed to improving his or her quality of life. If you have the courage to look within and without, Kenneth Cohen tells us, you may find that you also have an indigenous soul. *Around the World in a Dugout Canoe* John M. MacFarlane, Lynn J. Salmon, 2019-09-28 Anticipating fame and wealth, Captain John Voss set out from Victoria, BC, in 1901 seeking to claim the world record for the smallest vessel ever to circumnavigate the globe. For the journey, he procured an authentic dugout cedar canoe from an Indigenous village on the east coast of Vancouver Island. For three years, Voss and the Tilikum, aided by a rotating cast of characters, visited Australia, New Zealand, South Africa, Brazil, and finally England, weathering heavy gales at sea and attracting large crowds of spectators on shore. The austere on-board conditions and simple navigational equipment Voss used throughout the voyage are a testimony to his skill and to the solid construction of the Nuuchah Nulth vessel. Both Voss and his original mate, newspaperman N. K. Luxton, later wrote about their journey in accounts compromised by poor memories, brazen egos, and outright lies. Stories of murder, cannibalism, and high seas terror have been repeated elsewhere without any regard to the truth. Now, over a century later, a full and fair account of the voyage and the magnitude of Voss's accomplishment is at last fully detailed. In this groundbreaking work, marine historians John MacFarlane and Lynn Salmon sift fact from fiction, critically examining the claims of Voss's and Luxton's manuscripts against research from libraries, archives, museums, and primary sources around the world. Including unpublished photographs, letters, and ephemera from the voyage, *Around the World in a Dugout Canoe* tells the real story of a little understood character and his cedar canoe. It is an enduring story of courage, adventure, sheer luck, and at times, tragedy. *A Broken Flute* Doris Seale, Beverly Slapin, 2006-12-21 The Winona dilemma: Lois Beardslee. No word for goodbye.
