World Religions and Multiculturalism ,2010-10-05 This book is about new forms of religiosity and religious activity emerging in the context of their dialectic relations with contemporary multicultural realities World religions are effectively a major agent of the multiculturalization of contemporary societies However multiculturalism pushes them not only toward change and reforms but also toward new conflicts between and within them This process should remind us of the Jewish legend of the Golem an animated being created by man which finally challenges the latter s control over it a dialectic relation indeed World religions today greatly contribute to a world dis order that is multicultural both when viewed as a whole and from within most societies that compose it It is a development that contrasts both with the assumption that globalization implies one way homogenization and convergence to Western modernity and the expectation that globalization would be bound to polarize homogeneous civilizations

**Gladiators Arising: Blood-Bought vs. Blood Sport** Trent Herbert, 2022-03-08 History repeats Gladiators Arising Blood Bought vs Blood Sport examines the resurgence of blood sports

in the world today and its infiltration into the church Historians are calling on people not to be comforted in the false assumption that gladiatorial fights could never happen again Yet it is realized that the neo gladiators of Mixed Martial Arts have already arisen This book walks through the corridors of time and takes a panoramic historical view of the early church's collision with gladiators and its ultimate victory The exploding concussion crisis makes this a timely book and the uncomfortable realities need a biblical response Gladiators Arising demonstrates the early church's success in piercing the darkness with the Light of Christ It was through loving those created in His image and sharing the Gospel no matter the cost that changed the course of history The cross today standing within the weathered Roman Colosseum beckons us to remember the past understand the present and prepare for the future
