*Free As a Global Nomad* Santeri Kannisto, Paivi Kannisto, 2012-11-23

*Free as a Global Nomad: An Old Tradition with a Modern Twist*. How does it feel to be forever on the move? Who are global nomads? Why did they leave their former lives? How do they finance their travels? And ultimately what is the meaning of life for them? In this book our fellow global nomads, travelers who wander the world without a permanent job or home, answer these intriguing questions. They are modern day adventurers and vagrants, no one's property. Global nomads value freedom and mastery of their own lives. Their ideas draw from the everyday life and dreams of explorers, philosophers and vagrants, some notable pioneers including Alexander the Great, Jean Jacques Rousseau and George Orwell. This book shows how global nomads revive the ancient ideals of a simple and beautiful life. In the process, home, nationality, freedom and travel get a new meaning that will permanently change the way in which we perceive the world. When Paivi Santeri met they decided to quit their jobs and devote their time to each other and travelling. This was the beginning of a new life as global

nomads in 2004 They have only one plan no plans      *The Rise of the Global Nomad* Jim Matthewman,2011-01-03 There is an urgent need for new thinking a clear mind shift in terms of leadership and people management as the focus of world recovery switches from US Western best practices to recovery and growth centred on developing and emerging markets A cadre of global professional is appearing who will drive both the recovery and future growth of international organizations The Global Nomad The Rise of the Global Nomad explains how this new workforce is the engine room of the modern organization Promoting recovery and driving growth by operating in the new markets The global nomad predominantly Generation Y is characterised by a new set of principles and attitudes embracing change up for the challenge they are not loyal to any one organization Recognising that they are the key to unlocking the potential in these new markets the author describes how organizations need to restructure and change their ideas to embrace the global nomad and maximise their power in the new economy      **Nomadic Finances: Navigating Money as a Digital Nomad** Ralph Dominguez, From understanding the intricacies of tax residency to finding the best healthcare coverage while on the move this book delves deep into the unique financial considerations faced by digital nomads Whether you are a seasoned traveler or just beginning to explore this lifestyle this guide offers practical advice and strategies to help you manage your finances effectively while pursuing your passion for adventure With real life examples and expert insights you will learn how to create a solid financial foundation that supports your nomadic lifestyle and allows you to thrive in any corner of the globe      Global Nomads and Extreme Mobilities Paivi Kannisto,2017-05-15 Presenting a ground breaking study of the emerging phenomenon of location independence this book examines the way in which the practices of global nomads who live on the road without fixed abode place of employment or localised circle of friends question many of the unwritten norms and ideals that characterise settled life in societies With the lifestyles of global nomads blurring the boundaries between travel migration and dwelling Global Nomads and Extreme Mobilities draws on in depth interviews with a worldwide group of location independent travellers together with virtual and instant ethnography and discourse analysis to show how lives oriented around extreme forms of mobility offer researchers in migration tourism and mobilities a unique opportunity for examining the complex subjectivities and power relations associated with multi mobility With close attention to the nationalistic political and travel related attachments of global nomads and the ways in which their own representation and justification of their lifestyles and subjectivities constitute a power negotiation the book examines global nomads social and intimate relationships and the forms of exclusion and discrimination that they encounter raising the question of whether they live inside or outside societies and indeed whether there can be any life outside societies A re assessment of much contemporary research in the fields of mobility migration and tourism studies Global Nomads and Extreme Mobilities will appeal to scholars across the social sciences      **Digital Nomads For Dummies** Kristin M.
